Advise Teachers Giving Of Rides To Pupils Barred

All teachers in the Richmond Hill public school system are to be advised that they should not carry pupils in their private cars in the line of duty, the public school board decided at its meeting last week, clearing up a point which has been under discussion several times in

Reason for the board's decision is to clear up any question of liability if an accident should happen to a pupil while riding point would be a youngster being taken ill at school, with a teacher being kind enough to take the invalid home. In such a case, the board intimated, the principal should secure a

Change House Change Under Consideration

For some months the Richmond Hill Parks Board has been making plans for the building of change houses and wash rooms in the main town park. A change of thinking has now resulted in the board discussing the subject with arena authorities, considering whether it would be better to build on the front of the arena instead of erecting a separate build-
