Vaughan Planning Board Plays Safe

Authority To Speak To Be Shown By Association Representatives

Vaughan Township Planning Board is determined to make sure that those who appear before it, claiming that they represent ratepayers' associations or similar bodies, have the right to do so, and that they speak for a majority — not a minority — of the group they claim to represent.

At its recent meeting the board adopted a resolution defining the proof which must be provided in such cases. Adoption followed considerable discussion, both at this and a previous meeting. Chairman Robert A. Kirk asserted "we should assist rather than discourage" in insisting that regulations establishing the true value of delegations must not be unwieldy and create ill-will.

In its final form the resolution requires that anyone appearing before the planning board, who purports to represent a group of persons, be required to produce a copy of the resolution appointing him, and that the matter to be presented shall also be defined in a resolution adopted by the group.

Following a brief illness Emily Elizabeth (Badger) Rumble, died at the Maple Manor Rest Home, February 6, in her 84th year.

Born in King Township, June 4, 1879 she was one of seven children born to Elizabeth Hollis and Mark Badger. In 1897 she married Thomas Rumble who farmed in Vaughan Township until moving to Maple where he predeceased her. They had one daughter, Edith Elizabeth (Cooper) who predeceased her in 1959. She had three grandchildren and two great grandchildren.

She made her home at 25 Keele Street South, Maple.

The funeral service was held in the Wright and Taylor Chapel of the Pipher Funeral Home, Richmond Hill on February 9, conducted by the Rev. Harold Davies of Maple United Church. Pallbearers were Edgar Badger, Sam Garrow, Pete Rumble and Alex Bishop and interment was in Maple Cemetery.

Hosts To Bedford Park
A full course dinner was arranged for and served by the Y.P.U. on Sunday evening, February 18 in the Maple United Church Parlor when they were hosts to the Triple "V" & "C" group of Bedford Park United Church. Altogether there were thirty-six young people there.

The dinner was followed by a most informative talk on the work being done for the young men, through the Salvation Army, at Concord House, by Major McCorqudale.

The Y.P.U. is looking forward to a visit to their Bedford Park friends on March 11, when they will be shown that challenging picture "A Man Called Peter."

Any young person between 15-20 years of age is most welcome to join this group.

World Day of Prayer
The women of Maple and district are reminded of the Women's World Day of Prayer, March 9, held in the Maple United Church. Here all the women from the St. Andrew's Presbyterian Church, Zion Lutheran Church, and St. Stephen's Anglican Church will meet with the Maple United Church women for a devotional period. All over the world women's groups will be meeting in churches, halls and homes raising their combined voices in prayer in harmony with the theme "God's Love for the Whole World."

Mrs. B. F. Andrew will be the local guest speaker at 2 p.m. in the main church.

Bird Watchers
Our local bird watcher contact, Bett Hanson said she had been following the swoopings of the hawk, noted earlier around New Years, and is sure it is a red tailed hawk with a large 20 inch body and a fabulous wing spread - it doesn't "hover" the way the sparrow hawk did.

Getting housework done can be somewhat of a problem for Bett. While watching for a ground hog, as was usual in the early morning, she spotted this hawk.

Maple Lions Doings
The regular meeting of our club was held on February 22nd with several guests in attendance. Lions Emerson Wilshire, George Clark and Ron Robinson brought greetings from Humber Summit Lion's Club. Also Gord Madill and Stuart Dyson from the Central Ontario Cattle Breeding Association in Maple. A short business meeting followed dinner and the meeting was then turned over to Lion Andy Snider who took the members and guests en masse to the office of the C.B.A. where he has been employed since 1948. Lion Andy gave a short talk of the history and functions of this unit followed by a question and answer period and a tour of the buildings.

Besides having the usual excitement of a "First Nighter" affair, they were there to applaud one actor, in particular, John Walter. As one of the stars in this amateur theatre group, Pete's brother John, has been appearing with the community players, for several seasons and they figured it was high time they dropped in for a look-see, "in person."

Concord Bank Opened

A new branch of the Royal Bank of Canada has been opened at Keele Street and Highway No. 7 for the benefit of residents of the Concord area. Bank officials indicate that they are looking for considerable expansion in that area, the marshalling yard of the CNR and new industries contributing thereto.

Manager of the new branch is one of the youngest in the bank's service - 25-year-old L. A. Ashton - who joined the bank in 1953 at the age of 16. He is engaged with a group of local businessmen in organizing a branch of the Rotary Club.

IMPORTANT ANNOUNCEMENT

about your

ONTARIO HOSPITAL INSURANCE

The need to obtain a bed in hospital is a matter of urgency to a seriously ill person. It is vital, therefore, that every hospital bed in Ontario be used only when it is essential in the treatment of a patient. Proper use of hospital beds is a matter of concern to every resident of the province.

To help make more hospital beds available...

the Commission now will provide Ontario Hospital Insurance benefits to an insured person who receives hospital care, as an out-patient, for which he or she, otherwise, would require admission as an in-patient to stay in hospital overnight.

IMPORTANT

These benefits will be provided only if the hospital has the required facilities and after these facilities have been authorized for such outpatient use by the local hospital board on the advice of its medical staff.

Here are the details:

- Benefits will cover only the hospital charges for medical and surgical treatment procedures which, otherwise, would require the patient to be admitted to hospital. Examples of these procedures are certain minor operations, electro-shock treatments, blood transfusions, etc.
- It is up to the patient's doctor to decide whether the treatment will be given on an in-patient or outpatient basis.
- Visits to established regular clinics in hospital outpatient departments are NOT covered.

Extension of EMERGENCY Out-Patient Benefits

Effective March 1, 1962, when an insured person has received emergency hospital treatment for a fracture within 24 hours of an accident, Ontario Hospital Insurance also will cover subsequent out-patient services for check X-rays and the change or removal of cast, until treatment of the fracture is completed.

Hospital treatment for emergency conditions other than fractures will NOT be covered beyond the first visit to hospital within 24 hours of an accident.

POINTS TO REMEMBER

1. Ontario Hospital Insurance in-patient benefits cover the regular and usual hospital services (use of operating room, X-rays, drugs, laboratory services, etc.) in standard ward accommodation for as many days as such services are medically necessary.
2. Dependent children cease to be covered under the parents' certificate when they reach age 19, or marry. They must then register separately at the applicable Single or Family premium. Application forms are available at all hospitals, most banks, and all Commission offices.
3. Married persons must pay the Family premium.
4. There is no change in Ontario Hospital Insurance premiums; they remain at \$2.10 a month for a single person and \$4.20 a month for a family. More than 6,000,000 Ontario residents (over 95% of the people) are now insured in the plan.

Ontario Hospital Insurance does NOT cover...

- any hospital charges for semi-private or private accommodation.
- any diagnostic services which are not part of insured treatment procedures or which do not, by themselves, normally require admission as an in-patient.
- any medical, surgical, or private-duty nursing fees, take-home drugs, home care, or ambulance and other transportation charges.
