## NOTICE

TOWNSHIP OF MARKHAM

At the request of the Council of the Township of Markham, The Ontario Water Resources Commission has investigated the possibility of extending the present water works system in the Township at a total estimated cost of \$250,000 which would be repaid to the Commission over a period of 30 years. The proposed project would consist

of the following: WATER MAINS TO BE CONSTRUCTED AS FOLLOWS: TO

FROM High Pressure Trunk Main Steeles Avenue Leslie Street Bayview Avenue Low Pressure Plant Supply Main 1,800' W. of Steeles Avenue Leslie Street

Leslie St. Relay Section of existing L.P. Supply Main 210'N. of Leslie Street 10' N. of Steeles Avenue Steeles Avenue Emergency Connection to North York 12-inch

System Steeles Avenue at Leslie Street New High Pressure and Low Pressure Connections to Plant

Steeles Avenue at Former North York Treatment Plant Together with the following items:

1. Purchase of former North York wells numbers 2 and 3 and Steeles Avenue plant from Municipality of Metropolitan Toronto; Restore, rehabilitate and return to service of

Steeles Ave. aeration, filtration chlorination and pumping plant; Installation of new stainless steel screen at deep well No. 2 on Leslie St., 900' N. of Steeles

Provide, install and place in operation a system of automatic electrical controls between wells No. 2 and No. 3 and Steeles Ave. plant and between Steeles Ave. plant and Don

Mills Road plant. Before proceeding with this work, it is proposed to enlarge the present water area to include all of the following lands: Lots 26 to 36, inclusive, in First Concession; Lots 1 to 11, inclusive, in Second and Third Concessions; East-half of Lots 12, 13 and 14 in Third Concession; West-half of Lots 1 to 14 in Fourth Concession.

To meet all expenses for existing waterworks and to pay The Ontario Water Resources Commission for providing and operating the proposed additional works, \$89,351 would have to be raised annually. It is proposed to raise \$38,000 from the sale of water; \$13,320 by a frontage levy of 25.45c and \$42,000 by a levy of 7 mills on the enlarged water area.

On the basis of these levies, a house on a 100-foot lot, assessed for a total of \$3,000 and consuming 32,000 gallons of water a year would pay the following amounts annually:

100' @ 25.45c \$25.45 Water consumption 7 mills on \$3,000 assess. 21.00

\$70.45

Any owners or other persons affected by these charges may file their objection thereto in writing with the undersigned on or before the 30th day of March 1962.

All plans, reports and estimates may be inspected at the office of the undersigned during business hours. Dated at Buttonville this 6th day of March,
