GUIDE AND BROWNIE NOTES

7th Richmond Hill Girl Guides
 Reported by Guide Donna Fleming
 On Thursday, March 15th, at Crosby Heights School, girls from the 7th, 6th, 4th, 3rd Girl Guide Companies were tested for their St. John Ambulance Certificate. The Guides had been taking instruction in first aid for ten weeks.
 The testing was done by two St. John Ambulance instructors, Mr. Bud Bonner and Mr. Jack Williams. The St. John Ambulance badge was presented to the girl with the highest points in each age group.
 There was much excitement among the Guides as Mr. Bonner announced the following winners: Jan Hayes, from the 14 year old group, Mary Lynn Patten, from the 12 year old group, and Susan Rogers of the 11 year old group. These four Guides all belong to the 6th Guide Company.

1st Richmond Hill Brownie Pack
 was held Wednesday, March 14, in the Dixon Hall, Rowy Owl Annette Ostergaard led the Brownies in a new opening, and while in the Fairy Ring, Penny Williams was chosen to go and see Lady Baden Powell at the Queen Elizabeth Building in the Exhibition Grounds. Penny will represent the 1st Richmond Hill Brownie Pack.
 The Brownies played several games, then went into their work corners where they looked over their words and passed some tests. In Pow Wow - Brown Owl Mrs. L. Todd suggested that the Brownies do something for selling so many cookies, and a hike was decided on. "Taps" then followed and the meeting ended at 5:45 p.m.
1st Richmond Hill Girl Guides
 Reported by Guide Lynne Metcalfe
 The regular Monday meeting of the 1st Richmond Hill Guide Company came to order at 7:15 p.m., March 19th, in the gymnasium of the MacKillop School. The Horseshoe was formed and Lorna Sutherland and Linda Parker were chosen to represent the 1st Richmond Hill Guide Company at a rally honouring Lady Baden-Powell.
 The Daffodil Patrol led the company in two games. In patrol time, June Pyatt took Kim's game with the second class while the Captain, Mrs. Munsey, taught maps and compass to the first class. The Rose Patrol organized Campfire. "Taps" was sung and the meeting was brought to a close at 9:00 p.m.

 7 p.m. - Family Gospel Hour
 Mr. S. R. Patterson of Gormley will speak at the service in the interests of the Ontario Temperance Federation
 Wednesday, 8 p.m. - Women's Missionary Society

Markham Councillors Travelling
Take Crossings Fight To Ottawa
 Some, if not all, of Markham Township's councillors will go to Ottawa this week to see the Minister of Transport about the threat of railway crossings in the township, posed by the development of the CNR bypass line to the marshalling yards in Vaughan Township. An interview has been arranged for Thursday. Deeply concerned over the growing threat, the council has been pressing for action on a higher level than has been reached heretofore.
 The township's solicitor and consulting engineer will also travel to Ottawa. Deputy Reeve Lawson Mumberson regretted that a York County Council appointment would keep him from going but felt that Reeve Wilfred Dean and Councillors Hoover and Hooper should be present.
 "It should be pointed out that when the first mention of this project was made the railway president said that a security fence would be erected all the way across build-up areas," said Deputy Reeve Mumberson.

Opening Grass Fire And Richvale Blaze Give Firemen Jobs
 A Richvale home was totally destroyed by fire last Sunday evening. The blaze, at 95 Spruce Avenue, is believed to have been caused by an overheated oil heater.
 The frame house was owned by Robert Dunn of Richvale but was occupied by Robert Harris and family. No one was home at the time of the fire. Loss of the home and contents is estimated to be \$2,000 to \$10,000.
 Vaughan Township Fire Department fought the blaze.
 Richmond Hill Fire Department fought its first grass fire of the spring early Tuesday morning. About 10:45 an acre of grass was burned off the property of W. Dockman at 71 Duncan Road, Richvale. Although no damage was done a lumber pile was threatened for a time.

Grandview Estates WILLOWDALE
 Correspondent
 Marguerite Hill
 AV, 5-5573
 The Grandview Ratepayers' meeting was held on March 19 at Henderson Avenue School. President Dr. Phillips presided over the meeting.
 Dr. Phillips said that the next meeting would be held on April 9th. Mr. A. Stevens spoke on the 2.6 acres of wooded area behind Henderson School that is reserved as park land. Anyone who feels their water bill is too high should get in touch with Waterworks Commissioner Walter Craig.
 Mr. E. Lynch spoke on public school matters. He said the school trustees met Markham Township Planning Board regarding a master plan for the next twenty to thirty years.
 Plans for the extension of the auditorium at Henderson Ave. School have been forwarded to the Department of Education for approval.
 A new school (6 rooms) plus kindergarten and auditorium is planned at the north end of the Wycliffe Subdivision, east of Bayview Avenue. An application has been made to the Ontario Municipal Board for permission to issue debentures. The school will be known as Bayview Glen and is planned to be ready for use by September, 1962.
 The school site is 5 1/2 acres, and the township has agreed to reserve an adjacent four acres as park land. This school will absorb about 45 pupils from the present Henderson Avenue School.
 The school board has applied to the province for permission to have Mrs. France teach oral French at Henderson Ave. School. This permission has been received and the question now is whether or not to proceed for the next three months. This will be discussed by the educational committee.
 A letter has been received from township council stating that the C.N.R. will install light and bell signals at the Green Lane crossing.
 Lights and a sidewalk for Henderson Avenue will be considered at the next council meeting.
 Guest speaker Alan Sumner reviewed the township was first settled in 1790. The township had its first Police Chief in 1946. Today there are 16 policemen on the staff. Our roads are repaired, sanded and snow plowed.
 Our water system now produces 1,000,000 gallons daily. A proper municipal garbage collection system is proposed for the latter part of 1962. He spoke on our parks and library facilities.
Spring Is Here
 Now that spring is here, we will soon be out in our gardens working close with mother nature. It's a wonderful feeling awakening in the morning to the sound of our birds back from the south and the sun rising earlier. The children are out on their bicycles and roller skates, so let's drive carefully.

Drives Into Snowbank, Stouffville Resident Fined And Loses License
 A Stouffville resident was suspended dismissed by Magistrate Hollinrake Tuesday, and a charge of making a false statement was withdrawn by the Crown. However, it was noted that the accused was appearing in court in Willowdale Wednesday on a total of 30 charges, 15 for forgery and 15 for uttering.
 A Keswick resident was remanded till April 3 on a charge of false pretences involving a worthless cheque he issued to Arnold Farms January 3. Harry Marshall is said to have issued a cheque for \$15.60 when he had only about \$2.00 in his bank account. The cheque was in payment of groceries. Marshall said that he wanted the firm to cash a cheque he had with him but they refused to do so unless it was certified. He was unable to have it certified because he couldn't contact the people who issued it. He said he then had a conversation with the manager of the store and as a result of the conversation he decided to write a cheque to pay for the groceries.
 The manager wasn't present to give evidence, so the case was remanded until she could appear.

SALE REGISTERS

Plan Welcome For Newcomers
Chamber Of Commerce Start Membership Drive

The Richmond Hill Chamber of Commerce will extend a welcome to all new residents of the town, members of its council of directors decided at their last meeting. The chamber will use the facilities of the "Welcome Wagon" operation, which represents a number of mercantile and commercial houses, and visits all newcomers to town, leaving gifts and greetings. A letter will be sent by the chamber to every new resident, extending a welcome and offering assistance in any "settling down" problems.
 A membership drive would take place in the near future. John Lawlor, chairman of the membership committee, told his fellow-directors. A considerable number of applications, he reported, had already been received. Letters will be sent to all industries, commercial establishments and professional men in the town and will be followed up by a visit by a member of his committee.
 Director Joseph Pritchard, president of Pritchard X-Ray Mfg. Ltd., which has recently halted foreign importations by manufacturing X-ray equipment in Canada which was formerly imported, told the council of another industry in process of development which would locate in Richmond Hill. While it would start, if negotiations are completed satisfactorily, with a staff of approximately six, it could run up eventually to a couple of hundred employees, he said.
 Satisfaction was expressed when Douglas Boyd, chairman of the civic and public affairs committee, reported that he had discussed the dirty condition of Yonge Street with the mayor and other civic authorities. While it was appreciated that end-of-winter conditions had to be contended with, it was maintained that the town's principal thoroughfare was, in effect, a "show window". If it was dirty a bad impression of the town was created and this might have an adverse effect in attracting a desirable type of industry. Director Boyd reported that action on a clean-up had been started.
 Also discussing Yonge Street, directors heard President F. J. Picking describe "Operation Petunia", a project sponsored by businessmen some years ago. They had also paid for, on vacant spots of ground throughout the town. The result was a medley of colour until plants were cut down by frost in the fall, with many favourable comments.
