## NOTICE

TOWNSHIP OF MARKHAM The above appointment is for the hearing of an application made by The Ontario Water Resources Commission on behalf of the Corporation of the Township of Markham for approval of an agreement with the Commission for the construction by the Commission of a storm sewer system at an estimated cost of \$360,000 and for the repayment of the same over a period of thirty years.

After allowing an estimated grant of \$75,000 from the Department of Highways, the estimated annual cost of the storm sewer project is \$26,087, which includes interest, debt retirement, operating cost and reserve for renewals, replacements and contingencies. It is proposed to raise the sum of \$15,180 by a frontage rate of 60c per foot; \$3,020 by a connection charge of \$7.55, and \$7,887 by a special levy of approximately 7 mills on the storm sewer area. On the basis of these levies a house on a 60' lot assessed for

a total of \$2,500 would pay annually the following amounts: 60' Frontage at 60c ..... \$ Service Connection at \$7.55 ..... Sewer Area Levy 7 Mills ..... 61.05

Any owners or persons affected and who are unable to attend at the hearing may file their objections with the Clerk of the Township of Markham or with the Ontario Municipal Board, 145 Queen Street West, Toronto, on or before the 24th day of April, 1962.

All plans, reports and estimates may be inspected at the office of the undersigned during business hours.

DATED AT THE TOWNSHIP OF MARKHAM this 26th day of March,

H. C. T. CRISP, Clerk, Township of Markham.
