The Real Issue On April 28th,,,,

The real issue facing our citizens on April 28th is whether or not we want to open up our town to the indiscriminate establishment of liquor outlets. We have heard a great deal about a promised "prestige" hotel but the very important fact remains our town council has no legal guarantee that such a hotel will ever be built. What we are really being asked to do on April 28th is to approve the sale of liquor by the glass in cocktail lounges and restaurants throughout our fair town under the jurisdiction of an outside authority. If we vote yes we are simply abdicating our precious heritage of local autonomy to a provincially appointed body located in Toronto.

LET'S NOT LOSE OUR LOCAL AUTONOMY AND CONTROL

VOTE NO, ON APRIL 28th.

Are you in favour of the sale of liquor under a dining lounge licence for consumption with meals on licensed premises?

Are you in favour of the sale of liquor under a lounge licence for consumption on licensed premises?

You are cordially invited to attend a public meeting being held on Tuesday, April 24th at 8 p.m. in the Richmond Hill Public Library. Come out and hear your fellow citizens discuss this vital public issue.
