Interim Report On Water Given
A preliminary report on the request for a water system on the east side of Yonge Street in Oak Ridges was given to Whitchurch Township Council this week by the municipality's engineer, Eric Jorgenson.
Before anything approaching final figures could be given, he said, it was necessary to have water to Whitchurch and, if so, at what rate.
Council suggested that Township Clerk Jack Crawford should arrange an appointment with King Township, preferably in the office of Dr. A. E. Berry of the Ontario Water Resources Commission.
