

Maple, Concord & Edgeley District

"The Liberal" is always willing to publish interesting items regarding people and events contributed by its readers in Maple, Concord & Edgeley districts. Our representative in Maple is Mrs. Len Shore, ALpine 7-1150; in Edgeley and Sherwood, Mrs. Raymond Stuart, AV. 5-1934; and in Concord, Mrs. Ruth Keffer, 285-4040.

Leading Junior Maple Bowlers

Seen above are the winners of the Maple Junior Bowling awards. The lucky bowlers are (left to right): High Double with handicap - Clair Murray; high single with handicap, Tony Lord; girls' high average, Patsy Kerr; girls' high double, Sandra Mathewson; boys' high single, Darryl Kruger; boys' high average, Donald Quinton.

Donald Quinton was also captain of the winning team.

Maple Notes

Whoosh!! So many folk have been in the same quandary I was in all of a sudden, from out of nowhere, the youngsters' Easter holidays were upon us! In the next breath — whoosh, they are about gone. Seems holidays meant a whole lot more to us when we were kids!

Vaughan Masonic Lodge
It was a well attended meeting of Vaughan Lodge, Maple, recently, when the lodge was host to the representative of the grand master.

The occupant of the office of District Deputy Grand Master Rt. Wor. Bro. Harold Russell, was well received in the lodge and spoke highly of the manner in which the officers performed their duties.

Toronto District, of which Vaughan Lodge is a part is composed of 19 city lodges and six located just outside Metro Toronto. Vaughan was the 22nd lodge visited by the D.D.G.M. A most welcome and unexpected visitor was Rt. Wor. Bro. A. C. Bennett of Ottawa, Grand Senior Warden, who extended his Toronto business trip to include a visit to the lodge in Maple. He was a guest at the home of his daughter, Mrs. K. Krugier while in Maple.

District Secretary Wor. Bro. Elwood Dale issued a favourable report on the records of Vaughan Lodge.

Scrumptious refreshments were tastefully served at the banquet tables by the ladies under the able leadership of Mrs. Charlie Rose, wife of the junior warden of the lodge.

Vaughan Lodge has served the Maple district since it was instituted in 1854 and has had a happy and prosperous existence ever since.

Records show that masonic lodges have been in existence since 1717. Fifty-eight men who had served the office of worshipful master in Vaughan, have passed on and thirty past masters are still with us.

Wor. Bro. Stewart Diceman is conducting the affairs of this lodge in a most acceptable manner during 1962.

Annual W.I. Meeting
The Maple Women's Institute met at the home of Mrs. H. Jennings on April 1, with Mrs. H. Jackson in the chair.

For worship, Mrs. M. Kinnee read scripture and Mrs. J. Darlington gave an Easter message. The remainder of time was spent quilting crib quilts.

In the evening of April 17, the "Good Will" unit met for their April meeting with Mrs. D. Jarrett presiding.

The worship was taken by Mrs. Horner with the theme being "The Church".

Mrs. R. James outlined the study book, "Signals for the Sixties," covering the first chapter. This book will make interesting study and it will give the opportunity to look at the church in Canada — in this changing world in which we live.

Unit 3 met the evening of April 18 in the church parlour with Mrs. Jones presiding.

The worship was taken by Miss May Evans and various projects filled the remaining period.

Open Night To Aid Hospital
The Vellore Euchre Club is holding an open night in Vellore Hall, April 30, to start at 8 p.m. sharp. Prizes are being donated and the entire proceeds will be turned over to assist in furnishing a room in our new York Central Hospital.

Besides this being a fun night, here is an added opportunity to help your interest, give a sizeable boost to the hospital.

Lunch will be served. Tickets at the door.

Residents of this district are well acquainted with the Vellore Euchre Club. Originally organized on January 11, 1928, it has carried on every winter since that time, without a let up. In fact this year it is even bigger and better than ever. The club has sponsored many projects and members come from towns and villages all over this area.

Plan Meeting - Organize Maple Hospital Aux.

By Toby Shore

A public meeting will be held May 1st at 8:15 a.m. in the Christian Education Room of the Maple United Church.

The purpose of this meeting is to form a Maple and District Branch of the York Central Hospital Volunteer Auxiliary.

You are especially invited to get in on the ground floor and become a founding member at this meeting.

There will be a special speaker well versed in the workings of such a hospital auxiliary.

According to Mr. Webster, auxiliary means "conferring help or aid" — whereas Rogets' The-saurus gives as related words — auxiliary-recruit, aide, assistant, helper as nouns but with the adjunct we have — partner, ally, friend and accomplice.

Now we have a partial idea of what can be expected of the members of our auxiliary.

An active auxiliary group can relieve staff to carry out their related duties while its volunteer members look after the frailties and extras that mean so much to any patients' stay in hospital. The volunteer's pleasant duties are limitless and in many modern hospitals their acceptance as part of regular hospital operation has increased.

Not only in the hospital are the services of the volunteer invaluable — but as we'll learn on May 1st, there are many projects to be handled through the auxiliaries on the "outside".

Make it a point to be there and to bring a friend. You will find it a most rewarding service as a member of the Maple and District Branch, York Central Hospital Volunteer Auxiliary.

Well, possibly since they haven't had a go at it since 1951, we can gracefully say congratulations to the Toronto Maple Leafs, Stanley Cup Champions 1961. Even though it hurts a little !!!

Concord Socials

Hospital Auxiliary attend this meeting. Home and School Two special films will be shown at the next general meeting, May 4, dealing with water safety and road safety. Installation of new executives will be held also.

YOUR GRAIN plus SHUR-GAIN DAIRY CONCENTRATES WILL HELP INCREASE YOUR DAIRY HERD PROFITS

Grains are high in Energy but low in other essential nutrients. Shur-Gain Dairy Concentrates are specially formulated to supplement your grain, by providing these other essential nutrients thus enabling your herd to obtain maximum value from your grains.

Shur-Gain Dairy Concentrates make your grains complete and balanced in every way. In addition they supply a high level of Vitamin A to promote increased rumen bacteria activity, permitting more efficient digestion and release of maximum nutritive values from roughages also.

The result . . . your home grown feeds become more valuable to you for low cost milk production and body maintenance.

Drop in . . . let's talk about your herd . . . your milk production and profits.

Mark-Vaun Women's Institute

The next meeting of Mark-Vaun W.I. will be held on Thursday, May 3rd at the home of Mrs. Shepherd. Roll call will be "an old fashioned remedy."

The main event of the evening is the installation of the new officers and a blind auction.

At a recent executive meeting the officers were endeavouring to plan next year's program. This is a big job, and needs the co-operation of all members, so if you have any special desires for meetings next year, bring them with you on May 3rd.

The workshop at Buttonville is also on May 3 from 10 a.m. to 4 p.m. If any member is interested in attending this, Mrs. Roy has full details.

Ladies on refreshments for this evening are Mrs. Hamblin, Mrs. Jones and Mrs. Wilkins.

Sick List
Mrs. Sid Lusher is slowly recovering from her bout of bronchitis.

Mrs. Norman Ross, Garden Avenue is also improving after recent surgery at Toronto General Hospital, as is Danny Williams who has been in the Hospital for Sick Children since April 15th. We wish all these people a speedy recovery.

Birthday

Greetings to Bill Roy who was 17 on April 16.

Wedding
Congratulations are extended to Mr. and Mrs. William Henry, whose marriage took place at Richmond Hill Presbyterian Church on Thursday evening, April 19.

The bride is the former Mrs. Mary Charlesworth and the newlyweds will reside in the bride's home on Garden Ave.

Their friends and neighbours wish them a long and happy life together.

Thornlea Home and School
Thornlea Home and School Association served coffee and cookies to parents at the recent open house held at the school on Wednesday, April 18th.

As next year's grades 7 and 8 will be going to the 16th Avenue School and Bayview Glen, this was for some parents the last parents' night they would attend at Thornlea.

Parents with children still attending Thornlea are asked to co-operate to their fullest with the nominations committee when they contact you. A home and school association is a necessity for the benefit of both school and students — but it cannot operate without full support of parents.

Cancer Society
As most people will know by now, April has been Cancer Month. If your local canvasser has not called on you yet, please support the campaign to the best of your ability.

Fight cancer with a "check-up and a cheque."

Easter Morning
As I am writing my news letter on this beautiful Good Friday morning, I find it difficult to keep my mind on my work. Memories carry me back to other Good Friday mornings, spent as a child with my family in England, when we would sit at mid-morning sharing tea and hot cross buns with neighbours, or spending the whole Easter week-end with a beloved aunt in her lovely lattice windowed cottage in the country. In this County of Kent where at Easter the fields are covered with daffodils and primroses, violets and bluebells for as far as one's eye can see, where on Easter morning the old village church rings out its bells in welcome to one and all — you can't resist it — you must go to church on Easter morning. So you walk down country lanes to the accompaniment of the mooing cows and the crowing roosters, happy in the promise of a new life ahead on this glorious Easter day. What a wonderful time of the year when everything starts afresh, new leaves, new blossoms and lovely lambs, and every once in a while you see a bunny powder puff start of a bunny scampering in his hole.

"Oh to be in England now that April's here."

COMPARE

Town & Country's food-and-freezer plan assures you top-quality name-brand foods at lowest prices your family ever enjoyed.

If your weekly food bill is now:	Under our plan it will be only:
\$20	\$13.40
\$25	\$14.65
\$30	\$18.00
\$35-\$40	\$20.00
