The feature film "Porte Des Lilas" (The gate of the Lilacs) made in 1957 by the famous French director, is his most recent film. In it he tries to re-create the care-free atmosphere which he feels existed in the Paris of his youth.

In this Paris which no longer exists, a good-natured, good-for-nothing Parisian drunkard has his chance to do something useful when a wounded gangster thrusts into his uneventful world, with ironic results. The film is in French with English sub-titles.

The programme also includes the much-discussed Polish film, "Two Men and a Wardrobe", in which two men appear out of the sea carrying a wardrobe. Their attempts to reach their destination with their burden are frustrated in many bizarre and sometimes brutal adventures; and they return whence they came.

Dairy Princess, Horseshoe Pitching Art Group Are All Fair Features

One of the most important features of any festivity such as a winter carnival, a summer carnival, or just a plain ordinary carnival nowadays seems to be the choosing of a carnival queen. Well, the Richmond Hill Fair is no exception and when it's held this year on Saturday, May 19, a princess will be chosen. The only difference is that this princess will be a dairy princess.

A relatively new innovation to the Richmond Hill Fair, which has been held annually for the past 113 years, the dairy princess contest has been held for only the past two.

There are usually five contestants in a dairy princess contest, each of whom is a farm girl. The minimum age is 17 and a contestant should preferably be the daughter of a farmer.

The father of James Hunter, Libby Blvd., is the new mayor of Warton, Mayor Ralph Hunter is a hardware merchant and has served on Warton Town Council for the past twenty years including two terms as mayor and one as reeve. He will serve out the twenty months of former Mayor Wynoch's term. James Hunter is treasurer of the local tennis club.

Reports at press time indicate little change in the condition of Mrs. Fred Hoover of Richmond Hill, critically injured in the tragic accident which caused the death of her husband, Mrs. Hoover is in the hospital at Fairfax, Virginia, and although she regained consciousness for a brief period her condition still is regarded as critical.

The general meeting of the Richmond Hill United Church Women was enjoyed by a large number of ladies on May 7th, in the form of a delicious pot luck supper in the church hall. The meeting was presided over by president, Mrs. J. Pollard and minutes were read by secretary Gwen Sanderson.

Mrs. Edith Clement thanked everyone for their help on a successful rummage sale and Mrs. Bob Miller crowned Mrs. Pollard with a hat designed by the ladies on behalf of her interest in this project.

Reports were given by the treasurer, Mrs. Alma Osmond and social convener Mrs. Dorothy Martin.

The president read a message from Mrs. Hutchison, Board of Women, and the devotional service was carried by Mrs. J. DeLoo, Mrs. Kay Cunningham and Mrs. M. Phipps.

Mrs. Edith Clement, programme convener spoke briefly on Christian Family Week and introduced the guest speaker, Mrs. Fred Hotson, family life superintendent, Timothy Eaton Memorial Church. Mrs. Hotson a graduate of the department of social science, University of Toronto, and mother of two, was well qualified for her subject, "Christian Family Life". As well as advising us as to our family responsibilities in a truly Christian home she spoke of her work as a "family life director" in her own church. Her presentation was most interesting and enjoyable and she covered such a varied programme that every lady present was made aware of the importance of individuality of personality and respect for one another in all age groups. Mrs. D. Hiscott presented a beautiful floral bouquet to Mrs. Hotson and the meeting closed with the Mizpah Benediction.
