

## Richmond Hill Blueliners Capture North York Midget "A" Championship

The league winning Richmond Hill Blueliners capped a successful hockey season by winning the North York Hockey League "A" Midget Championship. During the past season they won 26 of their 28 North York league games and defeated Aurora in the league finals to take the trophy for the second straight year. In the Ontario playdowns they lost out to Newmarket in a hard fought series.

A young club, half of the team were still in the minor midget age bracket, and all were graduates of the town minor hockey system. Popu-

lar Elgin Mills resident Ted Terry was again the team sponsor. Wayne Richardson was team manager this year and the indomitable Red Garner again coached the aggregation.

Game time on fair day will be 8 p.m. and spectators are assured of some really great entertainment. There will be plenty of other events and exhibits for everyone to see, so plan to go to the fair early and take the whole family. And we still think that any show that can run for 113 years has really got something worth seeing!!

Twenty-four bowlers are presently engaged in a tournament known as the Richmond Hill Men's Five Pin Singles Championship. There's nothing formidable about the tournament itself — it's merely the title that's a bit of a killer! The first round of the action took place on Tuesday of last week, the second round this past Tuesday, with the third round scheduled for tonight. Eight bowlers will qualify for the final to be rolled off on May 17th. Action goes at 7.30 p.m. at Allencourt Lanes and spectators are cordially invited.

The unusual feature of the tournament is the scoring system, the Peterson Point System. A bowler winning a game over an opponent gets two points for the win. Both he and his opponent get one additional point for each 50 pins in their total score. May be an example would help.

Bowler A is matched against Bowler B in the first round. Bowler A wins the match with 367 pins to B's 321. Bowler A gets 2 points for winning and 7 points for the 350. The remaining 17 pins are added to his next game, leaving only 33 pins rolled before 50 is scored and another point added to his score.

The losing Bowler B would get 6 points for his game and carry 21 pins over to his next game. If it sounds confusing it really isn't and gives every bowler a chance to win. Or so they do tell. Frankly we're confused!

The Richmond Heights Centre Ladies' Softball Team are sending up distress signals. A coach and manager is needed in the worst way for this intermediate club which operates in the East York Ladies' League.

Mary Williamson (nee Sanderson), as they say in the society columns, is having enough trouble finding time to play the odd game. Adding coaching responsibilities would be just too much of a load to bear. If anyone, male or female, would be interested in piloting a ladies' intermediate team, please call Mary at TU. 4-7620.

Players are also needed by the Merchants' team. Practices are held every Wednesday night at 7 p.m. in the Town Park. If you have softball talent your presence will be very welcome. No, not you, George — this is a girls' team!

— SPORT SPOTS —  
'Way, 'way back in 1954, a group of people got together to discuss the formation of a girls' softball league. As a result of the gathering the King, Vaughan and Whitechurch league - or more familiarly K.V.W. — was born. The league was formed primarily to encourage softball in rural areas and no cities or large towns needed to bother to apply.

Since that small beginning the K.V.W. league has provided some of the best girl softball action to be found anywhere in the province. Maple, Vellore, King City and Oak Ridges were the original teams in the league with Lake Wilcox and Richvale entering in later years.

Oak Ridges won the trophy in 1954 and Maple girls were the 1955 winners. Vellore burned up the league and emerged as the champions in 1956-57-58 and 59. King City won in 1960 and 1961.

Now Ron McAndrew has entered his juvenile Mic-Macs in the solid K.V.W. league. The experience gained in a really good softball loop should prove invaluable to Mr. McAndrew's charges and they should make things interesting for the remainder of the league. Both the team and the league should profit from the association.

Canine honours were again achieved and prestige added to the Richvale kennels of Miss Jean Grant when Boxers, owned and bred by her, won championship prizes at two shows recently.

At the Ottawa Kennel Club Shows, May 4th and 5th the Boxer, "CH Fireside Chat of Blossomlea" won Best of Breed, Best Canadian Bred Boxer, and second in working group — at both shows. Her "Son CH Standfast" won Best of Breed, and 2nd in Working Group at Peterboro Kennel Club Show the week previously.

## 5 Weekend Games Mark Opening Soccer Season

Last Saturday marked the opening of action in the Newmarket and District Soccer League. Ten teams were in action in five games and some of the results were rather surprising.

A very strong Maple Club defeated the Aurora "B" Team by a 12-0 score in a match that was strictly a "no contest" affair. Aurora "A" and Newmarket played to a 2-all tie as Uxbridge defeated Midland 5-0. Richmond Hill Roma shut out Colingwood 2-0 on two goals

scored very late in the second half. There was no report given on the Barrie-Etobicoke game.

The Richmond Hill Roma Team is a composite of last year's Richmond Hill team and Europa. This year the two clubs have merged and have fielded a particularly strong squad. This is virtually the same team that won the league championship two years ago. It is expected that they will prove to be strong contenders this year.

The first block of six games was rolled in the Richmond Hill Men's Five Pin Singles Championship last week. The tournament, employing the Peterson Point System, has proven to be very popular with local bowlers as the twenty-four tournament entries were soon snapped up.

Bob Weeks gave everybody a bit of a thrill as he started out a game with ten straight strikes and then picked on the last two balls. Bob finished with a 420 game to take down high single honours thus far in the tournament. It's going to take a mighty good game to beat this one!

Leaders at the end of the opening session are — Bill Jones with 44 points and a total of 1831 pins, Bob Weeks 44 points and 1722 pins. Norm Thomas also has a 44 point total with a count of 1710 pins. Stan Shadoff 42 points and 1606 pins and Bill Patten 40 points and 1626 pins.

The top eight bowlers in the tourney will qualify to roll off in the finals on May 17th at 7.30 p.m. The action should be well worth watching.

**R. H. 10 Pin League**  
The league closed out the season with a banquet and dance at Aurora Highlands Golf Club last Saturday night. Those who attended enjoyed a wonderful meal and had a gay time during the dance which followed.

George Bunston, president, during the past season, was presented with a trophy emblematic of finishing the season 26 pins lower than his average. The plaque on the trophy read something about "Down the Drain". Ed Patterson made the surprise presentation to the president and thoroughly enjoyed doing it.

Awards were presented to Linda Rose and Alex Logue as the most improved bowlers of the season. Linda improved her game by 17 pins over the year, while Alex brought his game up 26 pins. Presentations to the two surprised bowlers were made by league secretary Dot Boyer.

After the dinner portion of the banquet a brief meeting was held to choose the executive for next season. President will be Garrett "Big Daddy" Richardson with Ed. Patterson as his vice-president. Secretary Dot Boyer and treasurer Emily Grimes were re-elected to the positions they have so capably filled during the past year.

**Principal McDiarmid McConaghy Resolution**  
Principal Garnet McDiarmid, of McConaghy Public School and president of the men teachers' association was a recent delegate at the Ontario Education Association Conference held in Toronto, April 23 to 26. His primary purpose at the conference was to support a resolution made by McConaghy Home and School Association to provide a university course for teachers. This resolution and others, such as providing French education in elementary schools, was referred by the convention to the Department of Education for study.

Members were also informed that the tuck shop was being operated two afternoons a week and it is hoped that with an increase in membership, the shop could operate more often. The shop is operated by volunteers from Aurora I.O.D.E.

Elm Grove W.I. has donated a hair dryer to the home and Schomberg W.I. has donated a number of articles to be used in handicrafts, magazines and other reading material. Bethesda and Vellore W.I.'s have both donated articles.

A band is expected to be in attendance at the strawberry tea to be held on June 22.
