## York North Electors Hear Two Candidates Debate

C. A. Cathers, Conservative M.P., and Stanley Hall, New Democratic Party candidate for York North vied for voting support at the public meeting arranged by King Township Electors' Association in King City.

Mr. Cathers questioned Mr. Hall about health insurance. "Why is it in Saskatchewan with a socialist government you have the highest taxes and the greatest decline in population since it came into power, while other provinces went ahead by leaps and bounds?"

Mr. Hall replied, "They say a prophet isn't recognized in his own country." He said the population decline started in 1936 when the land was blowing away in dust.

When the Douglas government took over they couldn't even borrow money after Liberal rule," Mr. Hall maintained, "It is with taxes you buy your civilization. Saskatchewan initiated the hospital plan, which 12 years later Frost put through in Ontario."

Mr. Cathers said he had been chairman of the banking and commerce committee. "The reason Coyne was fired was not because of his utterance on the public platform, but he got the board to give him a pension of \$25,000 a year after seven years as governor of the bank."

Mr. Cathers summed up, "Just newspapers that Fleming and Diefenbaker had differences." An elector asked, "What is going to become of the small businessman?"

Mr. Cathers replied, "We've increased loans to help and done more for small businesses than any previous government." Mr. Hall added, "If the 8 per cent unemployment were working and had money to spend, how much better off the small business men would be!"

Replying to Mr. Bell's query about the inner reserves of Canadian banks and why they should be permitted to put a free, Mr. Cath'rs said, "If there is any institution we should be proud of, it's the soundness of our banking system compared with the U.S. We don't want to follow their lead in banking."

Mr. Bell wondered if the reserve is "because you expected another depression?" Mr. Cathers admitted he hadn't known the rate of the reserve, but was confident "the stability of our banks is being maintained."

Asked his definition of a small business, Mr. Cathers replied, "According to the Act I think it is \$250,000 turnover." Mr. Hall pointed out, "It is a great fallacy that the government controls the economy of the country. We feel with the social capital required, hospital beds can be increased."

One woman wanted to know what is being done "to eliminate wholesale slaughter of seals and to mitigate cruel methods of killing?" Mr. Cathers explained he had passed her letter on to the Minister of Northern Affairs and an extensive investigation was going on along the east coast this Spring.

Mr. Hall added he was in favour of the humane slaughter of animals. Replying to one questioner who objected to the numbers of Europeans "living in poverty in Canada," Mr. Cathers outlined the later legislation, by which people can enter from any country "if they have a clean record and a skill required in this country."

Asked his stand on free enterprise, Mr. Hall said he had no quarrel with free enterprise, which genuinely competes in price, quality and service.

"I would like to see a public corporation producing drugs," said Mr. Hall. "There is no specific cure-all. We're not advocating taking over all the corner stores."

Asked if he was a World Federalist like Mr. Cathers, Mr. Hall quipped, "I'm not a Federalist, but I am a Presbyterian."

Mr. J. K. Crawford acted as chairman after the candidates and audience had been welcomed to King Township by Reeve William Hodgson.

Police Chief In Hospital Greatly missed around King Township office is Chief Constable Harold Russell, who is a patient in York County Hospital, Newmarket. His township duties for the present are being managed by Township Clerk, Harold Rose and Constable John Hughes.

### King City Notes

Enrolment Tea An enrolment tea is being held by the kindergarten mothers Saturday afternoon, May 12, starting at 2:30, at All Saints' Church.

Arranged around the kindergarten room will be displays illustrating the children's activities, so that mothers of children starting the next class in October will have an opportunity of learning how their offspring will spend their time.

Thirty-five kindergarten mothers met at the church a few days ago and decided this year's increased enrolment warranted starting an afternoon class in addition to the morning one.

Mrs. R. O. Kerslake of Richmond Hill is remaining in charge of the morning kindergarten and a second teacher is being sought.

This is the first time the number of children from School Section 2 exceeds the maximum of 25 which can be accommodated in one class. There are still a few openings for a second class.

Anyone interested in seeing the children's displays may attend the tea.

The present executive — Mrs. W. T. Heaslip, Mrs. Jack Garbutt, Mrs. David Anderson and Mrs. J. G. Pettigrew, has been joined by a committee, Mrs. John Baker, Mrs. Allen Sneath, Mrs. J. C. Wemyss and Mrs. Mary Stern, to organize the enlarged kindergarten set-up for next term.

Annual Recital As a souvenir of their annual piano and vocal recital, pupils of Mrs. Henry Gillham had group pictures taken at the recital in her King Street home.

Fifteen pupils took part in the varied program of music, which opened with the national anthem sung by Mary McPhee, Judy and Joan Pawliw, accompanied by Bruce McPhee.

Piano selections were offered by Mrs. Burt Weyer, Brenda Gordon, Peter Gilbert, Judy Pawliw, John Gilbert, Janice McKenzie, Wendy Campbell, Cathrine Whalley, John Whalley, Bob Campbell, Joan Pawliw, Mary McPhee, Diane Parsons, Gerald Whalley and Bruce McPhee.

Mary McPhee, a contralto, sang six numbers and her brother Bruce, a boy soprano, sang the "Children's Marching Song" and "Oh, What A Beautiful Morning".

For the refreshments period, the tea-table was decorated with a cake topped with music notes in coloured icing.

Rummage Sale Guides and Brownies were out collecting rummage this week before the May 18 and 19 sale at Oak Ridges plaza.

Clothing or household articles will still be picked up at any household missed if calls are made to Mrs. Ray Rumney, Mrs. Kenneth Lawson or Mrs. A. Chennette.

At Graduation Rev. Gordon Agar and Mr. Donald McCallum attended the graduation of the latter's nephew, Craig Cribar, who received his diploma at Convocation Hall after his three year course at Knox College.

Mr. Cribar will be ordained.

Minister at his new church in Weston on May 18.

Holiday In U.S. Mrs. George Lawrence returned after flying to the U.S. for a few days' holiday. She visited Parkersburg, Pa., where her husband is engaged in helicopter work, and New York where her daughter lives under the stage name, Sandra Donat.

In New York Mrs. Lawrence stayed with Ethel Grossman, who edited and collaborated with Allard Lowenstein for his new book about apartheid, "Brutal Mandate", which is ready for publication.

Beatnik Party Twenty school friends of Tony Meadows donned a weird assortment of clothing for the beatnik party at the Heritage Park home of Mr. and Mrs. George Meadows.

Following a spaghetti supper the girls and boys danced the twist. They were shown how to do the limbo dance by Mr. Alade Akasode from Toronto, a young graduate lawyer originally from Nigeria.

## School Case To Be Heard Fall Count In Toronto

A Lake Wilcox resident, charged with break entry and malicious damage at White Rose Public School in Whitchurch Township last February, will have his case heard in High Court in Toronto but possibly not before next fall when court convenes.

Fred Sraife, had his case remanded when he and another Lake Wilcox man, George Leary, appeared in Magistrate's Court in Newmarket recently. Leary was convicted on two charges and remanded for sentence.

The pair were arrested shortly after the school was entered February 28 by Constable Jas. Tree of Vandorf Provincial Police. The arrest was made on a tip-off by school board member Metro Sudeyko who noticed two men near the school after spotting a broken window in the rear of the building.

## Eight Boys And Girls Children's Fun Fair Raises \$3.60 Crippled Children

After weeks of making games and planning, eight girls and boys of William and Dew Streets entertained neighborhood children with a fun fair.

Held on the grounds of Mr. and Mrs. William Clubine, Dew Street, the afternoon affair netted \$3.60 for crippled children. Proceeds were forwarded with a letter to wrestler Whipper Billy Watson of Toronto, an ardent worker on behalf of handicapped children.

Two of the committee, Gary Walker and Bob Campbell, took turns in the role of "swami".

**Progress "up in the air"**  
You can call a halt to progress any time—even "up in the air". The quickest way, for both individuals and business is to stop planning for the future—or not to have the ability to plan for any future.  
In essence, the principle of fire, automobile and casualty insurance is that it is a plan for the future. It ensures progress by banding people together to share the expected losses of the few among the many. Because it allows people to "average out" their chances of a completely crushing loss into a relatively small fixed expense, insurance enables them to move ahead on a planned basis.  
The fact that Canada's fire, automobile and casualty insurance companies are paying out more than a million and a half dollars every day this year in claims indicates that prudent Canadians make safe plans for their future.
