"Nothing Old Hat about our house this spring!"

Bright and shiny, like a new spring bonnet — that's how our house looks these days. We've had it "done" all over and now the Joneses are keeping up with us. The cost? Well — much less than you'd think. We financed the "works" with a B of M Home Improvement Loan. That's how you can get your home improvements done at lower cost. Talk to the people at your neighbourhood B of M branch soon — they'll be glad to tell you all about it.

Bayview High Students Visit Bell Telephone Offices In Toronto

Bayview High School student Elaine Jones, seated, tries her hand at the teletype machine used by order writers for the Bell Telephone Company, while her classmate, Sharon Lang, centre, and order writer Carole Stather look on. Several Bayview students took time off during their Easter vacation to visit Bell's northeast district commercial offices at 50 Eglinton Avenue East. The tour was one of many during the school holiday period, arranged by the Bell in co-operation with guidance departments of local and suburban high schools to give the students a better insight into the world of work which they will soon be entering.

Social Credit Party Will Field A Candidate For Federal Election

The first of a number of meetings planned to attempt to establish a Social Credit movement in York North riding was held in Mackillop School in Richmond Hill last week. The purpose of Thursday's meeting was to determine how much interest in the party there was in the area. Going by the number of people who turned out to the meeting — 41 out of 100 who were invited — there is definite interest in the organization in this area. Organizers said they were "quite happy" with the number of people who turned out.

Colin Burgess, press secretary for the national leader, said, following the meeting, that the party plans to support a Social Credit candidate in the forthcoming June 18 federal election but as yet the candidate hasn't been chosen. This is expected to be done in the near future. Mr. Burgess is former president of the local Jaycees.

Guest speaker of the meeting was Norman Pert, a high school teacher from Woodbridge, who was recently nominated to run as Social Credit candidate in the High Park riding in the June 18 election. In his address Mr. Pert stressed the basic principles of the party as being the right of every citizen to choose his way of life, the establishment, preservation of justice and equality of man, the promotion of the system of free competitive individual enterprise and opposition to socialism and the highest standard of Christian morality in politics and government. He also stressed the fact that the party was against any form of socialism, fascism and totalitarianism. He gave as proof of the desirability of Social Credit government the "sensible, business-like" government in British Columbia where the party has held power for 10 years and in Alberta, where it has been in power since 1935. It was said that the main aim of the Social Credit was to operate:

AURORA: An Aurora doctor, Dr. G. W. Williams, who has been practising for over 50 years, has been awarded a life membership in the Ontario Medical Association. He is the former chairman of the Aurora District High School Board. The actual award will be made at the association's annual meeting May 16.

Hydro & Contractors To Combine Efforts '62
 "United we stand for increased profits to all", is the motto that might be applied to the sales effort of the Richmond Hill area of Ontario Hydro. Recently, a large group of enthusiastic electrical and plumbing contractors attended a dinner meeting at the Summit View Gardens Restaurant. A strong representation from the area hydro office was headed by Manager, L. J. Roy. Highlight of the evening was the launching of the water heater contest for contractors. Three attractive cash prizes will be awarded to those providing the largest number of leads and installations during 1962. Further sparkle was added to the evening by the Central Region Sales Superintendent Gary Pepper accompanied by Sales Supervisors George Awde and Bill Cooke. Rapidly developing markets in residential, commercial and farm sales, as a result of ever-increasing applications of electricity, were topics used by each of the regional speakers to further spur contractors into action. In the question and discussion period that concluded the event it was obvious that both contractors and staff members of the Richmond Hill Area mean business for the year 1962.

FACT FOR THE WEEK:
 During its April campaign the Canadian Cancer Society seeks \$3,519,000 to finance its three-fold programme of research, education and welfare services.

Only 12 Employables On Relief

Town Welfare Ups 54.50 In First Quarter Of 1962

In his welfare report to town council tabled Monday covering the first quarter (January 1st to March 31st) of 1962, Councillor Alec Campbell stated welfare costs were up \$54.50 in the first quarter of this year as compared with the similar period in 1961. He forecast a drop in Richmond Hill welfare costs in the second quarter as we move into spring. The actual number of people on welfare during the first quarter of this year was 231 which is considerably lower than the 1962 figure of 352. A look at the statistics shows that expenses for the first quarter of 1962 amounted to \$6,763.78 as compared to \$6,161.50 in 1961. Although actual expenses for the first quarter are up \$582.28 local welfare costs are well within the 1962 first quarter budget figure of \$8,584.75. In the receipts column the municipality received back in payments from the two senior levels of government and from other municipalities \$4,548.31 in the first quarter of the current year which is up \$527.78 over the 1961 figure of \$4,020.53. Net cost to the municipality for direct relief for the current quarter was \$633.25 while the net cost on nursing homes was \$85.25. In his submission to council Councillor Campbell was happy to report that in March there were only 12 employables receiving relief in Richmond Hill. Mr. Campbell was high in his praise of Welfare Officer Norman Lewis who has been doubling as an unofficial employment agency for town residents. Mr. Lewis has recently taken over as welfare officer for Markham Township, thus he will now serve both Richmond Hill and Markham. Markham has been without a regular welfare officer since Councillor Charles Hoover resigned that position last December in order to run for council.

Name Mrs. J. L. Forster Head University Women

Mrs. J. L. Forster, King, was elected president of York County University Women's Club at the annual meeting Monday night at Kingcrafts. She succeeds Miss Frances Hurst of Richmond Hill. First vice-president is Miss Edna Izzard of Richmond Hill and second vice-president is Mrs. Frank Walden of Aurora. Mrs. George Fish of Gormley is secretary and newsletter secretary is Mrs. James Johnston of Aurora. Treasurer and finance committee chairman is Mrs. R. J. Watford of Richmond Hill. Mrs. W. S. Lundy of Aurora is membership secretary and Mrs. Lorne Lee of Aurora is federation representative. Mrs. E. H. Veale, Newmarket, is program convener. Mrs. D. F. Precklin is social convener and Mrs. D. A. Coon of Stouffville is press convener. Archivist is Miss Lila Steer of Aurora. Mrs. W. P. Fish of Newmarket is study group convener.

4-H Club Girls Off To The U.S.A. & Great Britain

Two 4-H homemaking club members have brought honour to themselves and to their county. Margaret Cairns of No. 2 King was selected to represent Ontario at the National 4-H Conference in Washington D.C. April 19-23rd. Margaret is a member of the Laskay 4-H Homemaking Club and is now completing her twelfth project. She will receive her provincial honours at the achievement day, May 12th. For the past several projects Margaret has acted as assistant leader for her club. Elizabeth Barker of No. 2 Gormley has been selected as one of the recipients of the junior farmers travelling scholarship to Great Britain and Northern Ireland. Four rural youths are selected from all of Ontario. They will be away from mid-May to the end of July. Elizabeth is a member and assistant leader of the Buttonville 4-H Club. She has completed sixteen homemaking club units. Elizabeth is also a very active member of the Buttonville Junior Institute.

A TOTAL COMMUNITY EFFORT COME ONE — COME ALL — YOUNG & OLD TO A CONVENIENTLY LOCATED LISTED CLINIC
 (oral vaccine for schoolage children is being provided during school hours in school)

IN YORK NORTH WE ARE ALL PIONEERS...
Let's Keep on Building Canada

York North's pioneers are still arriving... The background of early Quaker settlements and the Berczy settlement of 150 years ago has been further strengthened by the continuing movement today of thousands of people into York North. They have come from overseas or from the big city to enjoy the good life and comfortable space of York North.

We are all pioneers in building our community, and in building Canada. Tinv Cathers and the Progressive Conservatives stand for aid in this building — not of the paternalistic "let the government tell us what to do" type — but encouragement to the honest, hard-working Canadians to own their own homes, to improve their farms, to help their businesses and to give their children the education and skills needed to progress with Canada.

- In York North, Progressive Conservative government has meant:
- LOWER DOWN PAYMENTS ON HOMES. Today, you can buy a larger house with less money down and for easier payments than you could before the Progressive Conservatives won in 1957. Thousands of York North families have benefited from this legislation.
 - FARM AID. A share deal for our farmers has helped to give more farm income to more farmers. Improvement in our exports has helped demand for farm goods. Easier terms on farm improvement loans have helped many farm owners to buy new equipment, and to make improvements.
 - \$25 MILLION FOR VOCATIONAL TRAINING. The Progressive Conservatives have made grants of \$2,589,000 to build vocational and technical training facilities at four York North schools, at Sutton, Newmarket, King City, and Thornhill. Our young people can now learn the skills to equip them for good jobs.
 - HOSPITAL GRANTS. \$1,156,701 has been spent in York North for hospitals and mental health. Many millions more will go for the new hospital facilities to be built at Richmond Hill and at Newmarket.

The Progressive Conservatives have not forgotten the older citizens, the disabled, or the veterans. Old age pensions today are \$65 a month, assisting many Canadians to live with dignity, a vast improvement over the \$46 monthly when the Progressive Conservatives were swept into office. Let's keep the pioneer spirit. Let's keep on building Canada and York North. Let's get on with the job.

ON JUNE 18 Vote
CATHERS, C. A. X
