Bridal Shower

Saturday's bride, Miss Donna Mae Palmer has been caught up in a social whirl these past few weeks, when she has been guest of honour at miscellaneous showers held by her friends and relatives.
Mrs. Ted Baker, who is to be Donna's maid of honour on May 12 held one on April 27. The groom's grandmother, Mrs. G. Maynard of Markham entertained on April 30, and the following evening the ladies of the apron committee, Harmony Group, Brown's Corners United

Church, of which the bride's mother is a member, entertained in her honour at the home of Mrs. Dave Whetter in Markham.
On Saturday, May 5 approximately 75 guests attended Donna's trousseau tea at the home of her parents, Mr. and Mrs. Wm. T. Palmer, No. 7 Highway East.
Pouring tea on this happy occasion were Mrs. G. Maynard, the groom's grandmother, and Mrs. R. Horwood, great-aunt of the bride. Assisting were Mrs. T. Baker, Miss June Hetherington and Miss Jill Walker.

Mrs. Palmer, and the groom's mother, Mrs. Durant, helped Donna receive her guests. Gall Turner made a pretty picture in charge of the guest book.

Mr. and Mrs. R. Aston, Mr. and Mrs. M. Holt, Mr. and Mrs. N. Hicks spent the dinner hour and evening on Sunday with Mrs. Kay McQuill, Willowdale. Mr. Aston entertained the group by showing his lovely pictures of the Bahamas and California. Congratulations

To add to all the excitement already in the home of Mr. and Mrs. Wm. T. Palmer this week, they were made grandparents for the third time, when their eldest daughter Doreen, wife of Mr. E. Moore of Markham gave birth to a daughter at Briar Bush Hospital, Stouffville Thursday, May 8. This is a sister for Clayton and Colin.

Thornlea Home & School News
The annual meeting of Thornlea Home & School Association was held at the school on May 9. Mrs. Percy won the parents' attendance prize, then followed the nomination and election of next year's executive.

Principal K. Kinzinger announced the children will be given the Sabin oral vaccine shortly and advised parents to take advantage of the evening clinics for themselves and pre-school children. Registration day for next year's kindergarten will be at 16th Avenue School at the end of May or beginning of June. A notice will be sent to parents concerned. The school field day is to be on June 7 or 8, and the area field day on June 13 at Henderson Ave. School.

Mr. Kinzinger then introduced Thornlea's new principal, Mr. Lynn Evans who was a very well liked teacher at Thornlea. Mr. Kinzinger has worked very hard for Thornlea during the past three years, both during school hours and in his close associa-

tion with the home and school. His efforts are very much appreciated by all parents.
Mrs. Tiffin in her retiring speech thanked the executive and the staff for their close cooperation.
Mrs. Frazier, one of the association's first presidents installed the new officers: president Mr. Roots; vice-president Mrs. Martin; recording secretary, Mrs. Lepkey; corresponding secretary, Mrs. R. Evans; treasurer, Mr. A. Wright; membership convener, Mrs. M. Roy; executive members, Mrs. Malers, Mrs. Rooters, Mrs. Sinclair, Mr. Walker.

She explained the area covered by York County stretching from Steeles Avenue to the edge of Lake Simcoe and spoke of health problems in general.
Mr. Hammond from the St. John Ambulance Society spoke on water safety and demonstrated mouth to mouth resuscitation on a lifelike model Mr. P. Frander volunteered to be revived by the Holger-Nelson method.

The Charles McQuill plaque for the student of the year was presented to the school by the old graduates association. This very handsome plaque is made of oiled walnut with the school crest in copper surrounded by a wreath of oak leaves and a lamp of knowledge on either side.

Frank Watts Says

LAWNS ARE OUR BUSINESS!

As our business is lawns, right from the growing of Sod on our farms to laying new lawns, we are constantly trying new fertilizers, seed, insecticides, fungicides, weed killers, etc. In doing this, we have been able to pass on to our customers the best products on the market to date. The following are items that we have used in producing and maintaining with very good success.

"How To Have A Beautiful Lawn With Sod" by Frank Watts. Clear instruction for laying and maintaining a sodded lawn. Phone or write for your FREE COPY of this interesting pamphlet.

Frank Watts' Merion Blue Sod

Grown at our farms from No. 1 Merion Seed (pro Pratenus). This is without a doubt Ontario's most beautiful sod, loves sunny areas, not recommended for shady property. Requires a fertilizer high in Nitrogen. Merion has a very wide blade, hence a very dense turf, that is so strong due to the deep root growth that weeds are no longer a lawn problem. Merion Blue should not be mown less than one inch at anytime. Does not require watering as much as other grasses.

Frank Watts' Kentucky Blue Sod

This is Canada's natural grass and does well in reasonable shaded areas, produces a beautiful lawn with very little care. Can be mowed as low as half an inch, Spring or Fall, one inch in Summer. Requires a balanced fertilizer (7-7-7).

CULTIVATED FIELD SOD
