(By Mabel Louise Robertson)
After the bustle and rush of the father and son banquet and prior to the mother and daughter banquet the mother's auxiliary of the Jefferson Cubs, Scouts, Brownies and Guides, found time to hold a Spring tea and bake sale. The tea was held at Jefferson Public School, Saturday.

In the hall the Guides and Brownies sold flower holders and plants, and for the younger set there were jigsaw puzzles and comic books.
The bake sale was held in the Junior room. Items such as cakes, cookies and pies, all contributed by members, were for sale.
Also held in the junior room, was the tea. The dainty sandwiches, delicious cookies and steamy tea were served by the members.
Door prizes of baking were awarded. First prize was drawn by former president, Mrs. Margaret Peterson and won by Mrs. Pat Burns. Second prize drawn by Mrs. Marion Passmore and won by Mrs. Terry Hallgren and third prize drawn by Mrs. Dorothy Cracknell was won by Mrs. Marg Walker.

Senior citizens are considering local apartment development. A committee of three members of the Richmond Hill Senior Citizens Club, Dr. J. P. Wilson, Mrs. F. Davis and Mr. H. Calverley, visited Orangeville on May 3rd and inspected the newly-completed senior citizens apartment house there. They were much impressed with the apartments, five singles which rent for \$42 monthly and five double apartments which rent for \$47 monthly, and found them well constructed with no evidence of shoddy work. The apartments are finished with lovely hardwood floors and all stairways inside and out are equipped with convenient handrails. Automatic washers and dryers are provided in the basement utility room.

Senior Citizens Are Considering Local Apartment Development

The local senior citizens club is investigating the possibility of such accommodation being provided for Richmond Hill senior citizens. After the necessary land has been acquired — one building needs an 80 by 100 foot lot — some organization such as a service club would be required to put up 5% of the construction costs and the balance would be supplied jointly by the federal and provincial governments. The club is now on the lookout for a suitable site, preferably one large enough for more than one unit.
The senior citizens club is flourishing in Richmond Hill and usually has about 100 people out at the club rooms at the Curtain Club on craft days, when the ladies quilt while the men do baskets or play cards. At the present time, the club lacks both a director and a craft teacher but hopes to have the positions filled shortly so more craft work can be carried on.

AUCTION SALE

HOUSEHOLD FURNITURE
1951 Plymouth Station Wagon, Low Mileage, Trailer To Match - Sheraton Chairs & China Cabinet - Buffet - Mahogany Chest of Drawers - Good China - Cat Glass - Toilet Sets - Antiques - Garden Tools

R. D. Little & Son Sell Over 100 New Cars At Monster Anniversary Sale
A record number of new Fords were sold by R. D. Little and Son at their monster sale held at the Richmond Heights Centre last Thursday, Friday and Saturday. With 125 cars on view — the first time cars have been offered for sale in a supermarket setting — 160 applications were taken and over 100 cars were sold. As a matter of fact — one car was sold five times, because someone kept forgetting to put a sold sticker on it. In the 1940's, the Littles often didn't sell more than 100 cars in a year.
Among the masses of people who crowded around the exhibit, the nattily attired salesmen, in their bright striped blazers and shiny straw boaters, stood out well. Personnel from the Ford head office were much impressed by the sale, and will try and interest other dealers in a similar promotion. Evidence of the wide interest which the sale caused was the fact that cars were sold to people from as far away as Deep River, Elliott Lake, Welland, Hamilton, Burlington and Kitchener, to mention a few. A big attraction was the \$13.50 down payment and the finance charge of only \$56.00 per thousand dollars.

Guiding Builds Resourcefulness, Reliability And Responsibility
One hundred and twenty-five commissioners and guides who work with Brownie Packs and Guide companies in York Central Division met for dinner recently at the Yangtze Pagoda Restaurant. The meeting opened with the singing of the Foxe-Grace and the toast to the Queen. All enjoyed the excellent buffet of cold cuts, salads and hot Chinese foods. Following dinner, Division Commissioner Mrs. McTaggart-Cowan introduced those seated at the head table. District Commissioners Mrs. Snook and Mrs. Yeo of Richmond Hill, Mrs. Moore of Thornhill, Mrs. Lye of Markham, Ballantrae and Stouffville, District Commissioner Mrs. Knight of King, Mrs. Ford of Richvale, Mrs. Gundy of Unionville and Gormley, Division Camp Advisors Mrs. Inglis and Mrs. Rumney, Mrs. Pitt convener of division badge day and Mrs. Yerex division publicity. District Commissioners Mrs. Smith of Oak Ridges and Mrs. Jewitt of Thornhill South were unable to present.
Seated also at the head table were Deputy Area Commissioner Mrs. H. Currie who brought greetings from the area, Mrs. Sessions, former district commissioner of Thornhill, at present commissioner of public relations for the Girl Guides of Canada, and guest speaker Miss Edith Milne, business administrator for the Ontario Provincial Girl Guide Camp at Doe Lake. Mrs. Sessions introduced the guest speaker with a recoumending of Miss Milne's guiding experience throughout the world and recalled mutual camping experiences at Doe Lake.
Miss Milne spoke with the fervour of one who believes in her work, spiced well with her own endearing brand of humor. She emphasized the importance of World Scouting and Guiding by recalling her experience in Holland directly following the Second World War when boys appeared with Scout uniforms they had literally buried underground during the occupation to ask if they might re-form Scout Troops immediately. She quoted directly from the words of founder Lord Baden-Powell. Guiding is a jolly game and "our job is to educate not to teach". She reminded that the Scout and Guide movement was the first youth organization to emphasize camping and in this field "It is the individual attention that counts". In conclusion, she quoted "In the few hours at our disposal (at weekly meetings) it is not so much efficiency and good turns, it is the individual character that counts. The important qualities are resourcefulness, reliability and responsibility."

Big Drop From 700 In 1961

Markham Twp. Will Only Issue 200 Non-Resident Pheasant Licenses

Mr. J. S. Dorland of the Department of Lands and Forests met with Markham Township Council, at their request, Monday evening, "to determine whether we should cut down the number of licenses — or cut out hunting in the township altogether", stated Reeve Wilfred Dean.
Mr. Dorland told council there were several advantages to the township, if some hunting continued, in season. He pointed out there is a limit set each year for the pheasant hunt, and also that the \$3.00 license fee charged created a source of revenue to pay for the raising of chick pheasants. Result of the meeting was: 50 per cent of Markham Township will be open for hunting in 1962 — and only 200 non-resident licenses will be issued. 1,000 licenses were issued in 1960.
Council also moved to purchase 500 chick pheasants, instead of the usual 600.
Clerk Harry Crisp was instructed by the reeve to prepare a by-law to prohibit hunting in concession 1; on Crown land, and in the vicinity of Markham Village.
Mr. Dorland stated, "If all hunting was prohibited, game could increase until they are a nuisance to the farmer. Deer have been multiplying over the past few years, and have caused thousands of dollars worth of damage to nurseries." He also pointed out, "Damage has been heaviest, where municipalities have cut out hunting. This can be quite serious, where an area is not built up."

Markham T.T.C. Share Amounts To \$676.89

Markham Township was advised this week that they have received their 25% share of the operational surplus from the T.T.C. covering the operation of the North Yonge Bus Line, for the last quarter of 1961 and the first quarter of 1962, amounting to \$675.89.
The T.T.C. operates the line on behalf of the three municipalities of Vaughan Township, Markham Township and the Town of Richmond Hill. The two townships each receives 25% of any surplus and Richmond Hill gets 50%.
MARKHAM VILLAGE: In a recent report to council, Mr. James, liaison officer for E.M.O. told councillors that Markham Village was definitely in the Toronto target area. He said that in view of this it was very important for the council to have made arrangements for the continuation of municipal government in case of a nuclear attack. He also said that it was important to have a volunteer organization to co-operate with police and fire services in the event of attack.
