Chairman Russell Tilt Parks Bd Has Ambitious Program Richmond Hill

By Elizabeth Grant
 The Richmond Hill Horticultural Society held its daffodil show on May 10. It was the first show of the season and to catch these gay trumpets at their best it should have been a week earlier many of the best blooms had come and gone. Nevertheless there were enough to make a good showing of specimens and some lovely arrangements. It was convened by Douglas Boyd and judged by Al. Rice who took time from his busy Mother's day schedule to do this service.

Always eager to widen its field of activities, the society has become much interested in the parks situation here and as the first local parks board has been formed they asked its chairman, Russell Tilt, to speak.

The board, although recently instituted, has already many plans for the improvement and expansion of existing parks, and the acquisition of more property for parks purposes.

Mill Pond
 By far the most interesting in point of scenic beauty and with the greatest possibility of development is the Mill Pond area. Considerable work has already been done around the pond and in the small area south of Mill Street. Utilizing the winter works programme it was possible to do a great deal with the \$500, donated by the Rotary Club. While the natural contours and water resources make it a very attractive spot, it was necessary to clean the creek and pond of debris, to make paths and to remove undesirable trees.

Mr. Tilt suggested that the water could be adapted to rapids, a fountain and ponds for fish and water lilies. The small park has some very pretty flower beds and benches and it is planned that memorial trees shall be planted there. This area has great beauty and is a favourite haunt of the naturalists.

Town Park
 The other large area is the town park which requires improved facilities and change rooms to make it more useful for outdoor sports.

Parquettes
 Several attractive small parcels of land are available for park purposes. They are scattered throughout the neighbourhood children. There is a three acre area behind the MacKillop School, another area in Beverley Acres and one on Crosby. Part of the Polish park is also available.

90 Attend Meet May Sr. Citizens
 The final meeting for the season of the Richmond Hill Senior Citizens Club was held on May 27 with an attendance of 90. The committee reporting on Orangeville was very enthusiastic about the comfort and convenience — stating only that they would like to see provision for recreation.

A very humorous letter was received from Mr. A. E. Plewman, past president, who is visiting a daughter in England. A request from the senior citizens regarding prices on prescriptions for the elderly, was well received, and the local druggists will co-operate in cases of need.

Mrs. C. Harding outlined special interests at Peterborough to be indulged in on June 20th. Picnic, includes visits to the Quaker Oats factory, West-clox company, and viewing of the boats at the locks, the highest in the world.

Mrs. F. Davis reminded members of the garden party to be held at the home of Mrs. Jean Thomson June 4th, or if raining, June 5th. Games will be indulged in. The buses leave the municipal hall, 9.30 a.m. for the picnic, returning about 6 or 7 p.m.

The winners of the bowling contest whose names will be inscribed on the "Mayor's Cup" are: Mrs. J. Marsden Mrs. W. C. Graham, Mr. W. Edmunds, Mr. Turpin and Mr. Orr. Bowling banquet will be held at 7 p.m. May 16th, in the Hide-Away Restaurant in the Allencourt Plaza.

Mrs. F. C. Jackson advised the club that the ministerial association would make a note of the club in its reports. Mrs. Grace Sayers read a humorous poem about spring housecleaning entitled "A Male Dirge". Community singing was much enjoyed as usual, followed by the serving of refreshments.

KESWICK: The first fatality of the current season took place recently when Mowat Garratt, 62, of Toronto slipped from his motor boat and drowned in Lake Simcoe. The dead man's fishing companion was Joseph Skotky also of Toronto. Georgina Township Police investigated.

VANDORF: Howard C. Bell who was the Whitechurch Township garbage collector in 1961, was again the successful bidder for the job. Three tenders were received. His price of \$6,300 was \$100. lower than the next highest bid. Mr. Bell will pay the township \$150 for the use of the township dumping ground.

CLAREMONT: Mr. Lloyd Jones and his five year old son Stephen of R.R. 1, have completed their treatment of 14 anti-rabies injections provided by Dr. D. Brodie of Stouffville. They were both attacked by their pet house cat in the basement of their home. Mr. Jones was able to kill the cat but not before it had attacked three Collie pups and another kitten. They also had to be destroyed.

Vaughan Okay Markham Twp. Imposes Watering Restrictions

At the council meeting on Tuesday, May 22nd, Markham Township passed a by-law restricting the watering of lawns to the hours between 10 p.m. and 7 a.m. and providing for a fine of \$20.00 for any infraction. The by-law applies during the months of May, June, July, August and September.

A letter advising ratepayers of the by-law was sent out last week and was termed by one resident of the Grandview Estates Subdivision as "dictatorial". Mrs. Florrie Galt pointed out that the homes in the area were only 1½ years old and the residents had spent hundreds of dollars on shrubs, trees and lawns, all of which would be lost without watering.

In a statement to the press, Township Clerk H. C. T. Crisp stated that there was lots of water in Markham Township but that during periods of peak demand, residents of the high areas in the township, Langstaff and Highland Park, did not have sufficient water pressure. He noted that the township had been approached earlier by a group of ratepayers from Highland Park suggesting such a lawn watering restriction.

The township is presently undertaking the construction of a water tower on Bayview Avenue just south of No. 7 Highway and this is expected to relieve the situation. Township engineers say that this is the only feasible way to cope with the problem. Mr. Crisp stated they hope to have the tower completed within two or three months.

Farm Situation Serious
 Farms in York County are suffering from a general water shortage, according to information supplied by Agricultural Representative Allan Wall. A lot of farm wells are very low and a few farmers have started to draw water for cattle. The situation has been aggravated because the cattle were late getting out onto pasture. Farm crops, too, are suffering reports Mr. Wall, especially hay and pasture crops. Much of the spring grain is making no progress and the situation is critical. If the drought continues for a couple of weeks, many crops may have to be re-seeded. There has been some rain in the central part of the county - Newmarket had half an inch last Saturday - but drought conditions exist in both northern and southern sections.

Births
AIRD — Bill and Eileen are happy to announce the birth of a son, John William, on May 19th at Branson Hospital. A brother for Sheila, Lindsay and Julia Anne. clw47
