HEADFORD NEWS

Mrs. Loren Guild Phone TU. 4-3040

Congratulations to John Rumble who, competing for Thornhill High School in the Georgian Bay Track Meet, won the 100 yard dash and broke the record for the 220 yard dash, formerly held by Georgian Bay. The meet was held at Pickering College, Newmarket, and the events added up to Thornhill winning the trophy. John also tied up the Pole Vault but came second on the tie breaker.

Among the friends and relatives who gathered at Malton Airport to bid Elizabeth Barker on voyage to Britain were her parents, Mr. and Mrs. George Barker and brother Charles, Mr. and Mrs. Freeman Barker, Mrs. William Wellman, Mr. and Mrs. Melvin Wellman and Brenda and Paul.

The Headford group lingered for the sake of the children to watch the planes take off and light. They were rewarded and amused to see the passengers from the Vancouver plane alight carrying four coats. Whether they had arrived from a cold country or anticipated arriving in one was not explained. Fur coats were excess baggage in Ontario last week!

Mr. and Mrs. Harry Burton spent the holiday weekend in Gravenhurst area. The children, visited with Headford friends, Mr. and Mrs. Loren Guild and their family, Mr. and Mrs. Douglas Calder and children and Mr. and Mrs. Campbell Kerr, Fenelon Falls, spent part of the holiday weekend in Rockwood.

Headford members took an active part in the program at the Explorers and CGIT banquet for Mothers and Daughters held in Victoria Square United Church. Sharon Rumble acted as Mistress of Ceremonies. Mrs. Stewart Rumble was pianist for the song fest. The toast to the Mothers was given by Christine Terry and Mrs. Elmer Leek responded. The occasion marked the graduation of Explorers to

the CGIT and Rosemary Leek, Headford was among the graduates.

The exciting morning got off to a holiday start for the children when they found two small birds, hungry and frightened, on the lawn. The attendant excitement finished any hope of further rest for the adults. Young Bruce Terry an avid fisherman was sent to bring worms while the birds were nested in a cookie tin. The ungrateful babies refused worms but kept their mouths wide open. Drops of warm milk seemed to satisfy them but the demand is made about every twenty minutes. "As yet," Jenny says, "we do not know their nationality, but they have to be fed." Every twenty minutes! I expect that is what grandmothers and mothers are for.

"This is my Father's World, and to my listening ears, all nature sings and round me rings, the music of the spheres," sang the congregation at Headford United Church on Sunday. It must have been on such a morning that the author Maitlie Babcock wrote this simple praise. The soft breezes came in through the open windows and the small sounds of Spring; bird song and growing things made a harmony that is only heard in the quiet of the country. The voice of the turtle is heard in the land and spring is truly here.

Rev. G. Fitzpatrick used for his service the human story of Peter; his denial of Christ, his redemption and his acceptance of the commission given him to "Feed My Sheep." Mr. Fitzpatrick drew attention to this pattern of Christian experience and pointed out that self examination is necessary before dedication. The result of self examination should not be a futile regret or shrinking from the past but a positive determination to go on from experiences, to fulfillment of our Christian commission.

McMaster University, Hamilton. He is now with the army at Chilliwack, B.C.

Mr. and Mrs. Everett MacKinnon, Karen and Owen spent the week-end with relatives at Utterton.

Mrs. John Bond has been nursing a sprained ankle for the past week. We trust she will soon be well.

Mr. K. Matsunaga was removed to St. Michael's Hospital, Toronto, on Thursday, where he is under observation.

Miss Ruth Hoover spent a couple of days in Toronto with her friend, Miss Reatha Brilinger.

Miss Jean Brilinger entertained the Oak Ridges Sewing Circle at her home on Monday night.

Mrs. Ray Winger of Maple and Miss Vera Hiltz visited Mr. and Mrs. George French recently.

Mr. Alvin Kelly has completed his second year in medicine at Toronto University and is employed for the summer at the Summit Golf Club.

The Evening W.M.S. of the United Missionary Church will meet on Monday night, May 28 at the home of Mrs. Ray Hawkins. Mrs. Hawkins and Mrs. Alvin Doner will be serving an African meal to the ladies at 6:15 p.m. This will be followed by a short work meeting and then pictures will be shown by Mrs. Hawkins. Will all members please contact the president, Mrs. Milsted, or the secretary, Mrs. Ron Elliott, so we will know how many ladies will be present for dinner? Thank you.

Mr. Ernest Weeks has returned to his home in Nova Scotia after spending several weeks with his brothers Donald and James.

Mr. Albert Leek who has not been very well for a couple of weeks is feeling some better.

Mr. and Mrs. Harry Smith are spending the holiday week end with their son-in-law and daughter, Mr. and Mrs. Aubrey Barker and family at Bel-Zaire Beach, Georgian Bay.

Another bale of used clothing will be collected for Mattawa in the near future by the Evening W.M.S. group.

Mr. Stephen Novin graduated from the Provincial Institute of Mining at Haileybury. He has accepted a position at Fort Chimo at the Raglan Nickel Mines there.

Mr. and Mrs. Floyd Winger and boys of Gormley spent Sunday with Mr. and Mrs. Alvin Doner.

DONCASTER

Correspondent David Barbour Henderson Ave Phone AV. 5-5205

Linda Dale, of 25 Procter Ave., is home from the hospital recovering from an appendectomy.

Mr. John Johnston, 58 Morgan Ave., who is a shovel operator is going to Bail Comeau, Que. From there he will go to Newfoundland. They will return home sometime in the fall.

Mary Bunch, of 113 Henderson Ave., celebrated her 7th birthday on May 23.

Next Monday at Buttonville Hall the Doncaster Community Ladies Club will conclude their current euchar and bridge marathon by which funds are being raised to adopt two young patients of the Villa Hospital.

The card fans who were unable to enter the marathon are invited to play at the progressive tables. The cost is 50 cents each.

On May 14 the Ladies Club held a card party for the folks at the Villa Hospital. Second prize in the euchar was won by Faye, a teen age girl who was "adopted" by the club.

Hydro Rates Dr. Phillips spoke on the high hydro rate here in our area - two-thirds higher than Toronto rates. The rates per month are \$48.00 here, \$28.00 in North York, and \$37.00 in Richmond Hill. "Why are rates so high," he asked. "Because we live in a rural area, and therefore it is a rural rate, governed by the province, under the Power Commission Act. We can only rely on our hydro and we have some hope of a small reduction in our rates in the near future."

Mr. Lusk, one of the members said that on June 27 there would be a reduction in the rates from 1.50 to 1.10.

Poor St. Greting Steeles Ave. Mr. G. Greting gave some comments on this subject. He said that the council told him that there had been a survey made of the lights on Steeles Avenue, and that there could be better lights there, but it would cost between \$30,000 and \$40,000, and when the township grows, this will be accomplished. We are just a small organization now, and the cost would be too high for us at the present time.

High Water Rates Mr. P. Rossi spoke on this subject and gave all the members some valuable information. This report dealt with the water area charge that appears on the back of our tax bills. In 1961, Water Area No. 1 - of which we are a part - paid 5.9 mills, and Highland Park 3.1 mills. "To explain this, we must go back some 12 years to when Highland Park was created."

The builder paid for all water services in the subdivision, but Markham Township had no way of supplying water, so a deal was arranged with North York to supply water, and Markham did the billing. When the Doncaster area water services were laid, it was the first part of area No. 1, and Highland Park was charged a portion of the expense to bring the water to Doncaster and then to Highland Park. Highland Park was granted by the Ontario Municipal Board a rate of 3.1 mills as their share of the cost. They also were given an exemption from paying any part of costs incurred in installing further pipelines in Markham Township.

When Grandview Estates was planned, this created a demand for a large water pipeline, the complete cost to be borne by Steeles Avenue on the south, No. 7 Highway on the north, Yonge Street on the west, and Bayview Avenue on the east. There are people living in this water area who are being charged this 5.9 mills, and are not connected to the water pipeline.

This cost of 5.9 mills was estimated to last 10 years at the present rate of growth in Markham Township. However, there are two ways in which we can hope for an earlier reduction. (1) More users of water connected to the pipeline, but especially commercial and industrial consumers. Our gallonage would increase, and more water revenue would result. (2) Greater assessment in Water Area No. 1 from new subdivisions, commercial and industrial building. This would allow the township to spread the water area over a larger assessment, thereby resulting in a lower mill rate.

Some time ago, the executive committee of this association appeared before council and reported to them that we were unhappy about having to pay this 5.9 mills. We came away from the meeting feeling that little had been accomplished. However, we do have some good news to report. The 1962 Water Area No. 1 tax bill rate will be 5.5 mills, which is a reduction of 4 mills. This is only a small reduction, but it will be appreciated by all."

Sewage Disposal Rates Mr. A. Stevens commented on this subject very briefly. Only a small portion of the cost of the trunk sewer in our area, which extends as far as John St. has been paid. Township has carried out a series of tests on the flow of water in this area and they have found a major break in the main trunk sewer, and that is why we are paying so much. It will be some time before we are able to obtain any relief. We pay 5.8 mills on our water bill - and, we are paying twice as much as other communities.

There will also be a sewage charge on the twin sewers to be installed. This leak they discovered is due to poor engineering, and is between manhole three and four. "Can anything be done about these high rates?" asked the members. This was answered by the "not at the present time, have action of the Township have

Grandview Estates Willowdale

CORRESPONDENT: MARGUERITE HILL AV. 5-5573

We'll Never Give Up! This might well be the theme of the May 14th Grandview Estates Ratepayers Association meeting, with more than 70 members attending. Everyone was in good form and determined to go until each, in his own way, has gained what he set out to do. "With this exuberance, how can we lose?" said one member after the meeting.

Dr. C. E. Phillips opened the meeting, and the minutes of last month's meeting were read. Dr. Phillips then introduced Mrs. D. Strickland from the Canadian Mental Health Association, who spoke briefly on the good that their clinic in Newmarket is putting forth, supplying baby sitters, etc., and helping all the needs of the mental patients from homes.

This is their second campaign, and the speaker asked for volunteers to help out over this project and canvas in our area. We must all realize this is a good cause, and one that is greatly beneficial to all communities.

Hydro Rates Dr. Phillips spoke on the high hydro rate here in our area - two-thirds higher than Toronto rates. The rates per month are \$48.00 here, \$28.00 in North York, and \$37.00 in Richmond Hill. "Why are rates so high," he asked. "Because we live in a rural area, and therefore it is a rural rate, governed by the province, under the Power Commission Act. There will also be a sewage charge on the twin sewers to be installed. This leak they discovered is due to poor engineering, and is between manhole three and four. "Can anything be done about these high rates?" asked the members. This was answered by the "not at the present time, have action of the Township have

been very slow on this question."

Access to Henderson School from Steeles Valley Road This discussion was brought by Mr. R. Sloane. Steeles Valley wants a right of way from the ravine to Henderson Ave. A road will be put through by September for this convenience. There will be a motion put through to ask the council to buy park land to provide access from Steeles Valley Road to Henderson Ave. and the motion was carried. This land consists of three acres and would cost \$10,000. If this land is not bought, it will probably erect an apartment site, and that would mean higher taxes for us all.

Plan for Low Cost Housing in the Area Discussion on this subject was introduced by Mr. W. Galer. "The property development near C.N.R. tracks at the store is a project to build two-bedroom apartments and semi-detached houses to be of equal value to those in Highland Park. Duplexes, triplexes, etc., will be built mostly north of the tracks.

The zoning of this area goes back to 1959 when it had an R-4 category, which allowed homes to be built. This was brought about by the Metro Planning Authority for the expropriation of land for the CNR tracks. This has been rezoned, which allows builders to build a variety of houses with values of around \$16,000 and \$17,000. How will this affect this area?"

Anything that goes up around our area will affect us by the heavier traffic and might affect the values of our homes." There will be a public meeting in the township on this project and we urge all to come and hear what they have to say. The meeting will be on June 12th at Markham Township.

Fireworks The suggestion that we have a "fireworks display" put on by the association, was outvoted by a "No" vote, reason that there is not enough time to plan this display, and it was suggested that any individuals who wished to go through with this, they could, but as far as the Association on the whole, it would not be done. May be - next year - this display could be organized.

The meeting concluded, with Dr. Phillips stating that their next meeting would be held in September, and also with "wishing all members of the Association a happy holiday season."

Registration for Kindergarten for Henderson Ave. School will take place at the school on
