SPORT SPOTS

BY RON CRAINE

What mysterious alchemy in nature decrees that it should always rain on fair day? Last Saturday was as nice a day for a fair as anyone could possibly wish for, then, one hour before Dynes Jewellers and Ostranders were due to hook up in an exhibition softball game, it just had to rain. Just enough to rain out the final attraction of the Fair. Fair board officials surely do get some rummy deals from the weather department. Maybe next year will be different — or maybe the next?

Vern Dynes big green and white softball team got the season off to a flying start by winning their first scheduled league game against the CBC team. One of the CBC team members is Ron Meraska who formerly toiled for the Dynesmen. Ron plays second base and doubles in brass as a pitcher. The Meraska clan still reside in Richmond Hill and the CBC team could have a real rooting section on the go when it's their turn to play in Richmond Hill.

You might just remember that shortly after the turn of the year some stunned character filled out his wife's drivers licence in his own name. As a consequence he had two drivers permits and poor wifey had none. Relations at home were somewhat strained as they say in the ladies' magazines.

After some frantic phone calls and long conversations, friend wifey got a new drivers permit issued. Only some minor errors. The permit spelled her name wrong and identified her as a male. For some obscure reason she also received someone else's birth certificate.

Now all is serene. A visit to the seat of government at Queen's Park, two minutes with a very obliging clerk and all was settled. Now the poor slob's wife is again officially a female, her name is spelled right and some happy soul has the right birth certificate.

There's a real lesson there somewhere. We think the lesson is that if you want something done, then go to the guy that does the work. Then you're sure to get satisfaction. Only one thing is absolutely certain — next year everyone makes out his or her own permit application — at least in this household!

What with the warm weather being served up lately, and the fact that our holidays are only about six weeks, we naturally started in to think of summer camps. Last Sunday but one, was such a terrific day that we decided to visit Mr. Bill Babcock at Richilda Camp located at Kettleby.

The camp caters exclusively to young people and has something that should appeal to every age group and inclination. Located on 25 acres of rolling wooded property less than half a mile from Kettleby, the camp can be reached in about twenty five minutes.

Councillors at the camp are mostly senior high school students from the Richmond Hill area while departments are headed by responsible adults. In a great many cases department heads are members of the teaching profession. Camp sessions are a weekly affair with the small fry being taken out by bus every morning and returned home in the evening.

The camp features many things to delight any child. A genuine log cabin lodge, a beached two masted ship, (a genuine deal that made its way through the St. Lawrence Seaway to its present location) just the thing for playing pirates! Naturally enough there's a very nice swimming pool with qualified swimming instructors, miles of trails, up hill and down dale through the bush, crafts for those who like them and a million and one other things to appeal to children.

In addition to the regular camping season the camp will feature something new and novel this year. From August 27th through August 31st a football school will be conducted for high school football players. Lew Agase, incumbent coach of the Toronto Argonauts is very interested in the venture and has promised to give all the help that a busy season will permit.

If running up and down the hills, a good diet, proper exercise and good football coaching don't produce some very good high school ball in this area, then nothing will. A week in this environment and these kids should be in the best physical condition for playing football.

The idea of the camp, the football school and many other facets of the operation were conceived in the fertile brain of Bill Babcock, physical education department head at Richmond Hill High School. Mr. Babcock has an enviable record working with young people. He believes in physical fitness and has a way of getting his ideas across to young people in an acceptable manner. Richmond Hill High School has the trophies and pennants won by school athletes to prove just how effective the Babcock system can be.

So if you're looking for a place to send junior this year, take a long look at Richilda. If you feel so inclined take a drive out and inspect the premises. You'll be given all the information you want and get a Cook's Tour of the premises thrown in. Instead of going on a holiday with junior this year, why not send junior to camp and stay home yourself? This could be a real holiday for all concerned!

Enjoyable success was the unanimous verdict of the 350 children and parents who were present in the Lions Hall on Wednesday, May 16th. The occasion being the banquet of the Allencourt Junior Bowling Leagues.

Though the magician, Mr. Walter Scudis of Beverley Acres delighted and mystified both the young and all others — the presentation of so many well-earned awards just about brought the house down. Some idea of the number of awards (and incidents concerned there with) may be gained from the following statistics: 40 individual trophies, 24 team trophies, 18 consolation trophies, and 38 trophies "For Perfect Attendance" — awarded to the ardent boy and girl players — who never missed one single game.

To those who may not be aware of the junior set-up of the Allencourt Junior Bowling Leagues — it consists of four different leagues: (1) & (2) Bantams, of girls and boys, aged 7 to 12 years; (3) Junior, 12 to 14

(4) Young Ladies and Young Men, aged 14 to 17 years.

Terrific applause greeted the presentation of the trophy won by World bantam (boy) bowling team — which was clinched on April 28th — after competing against 52 teams, travelling as far as Saskatchewan. The bantam girls, though not winners in the finals, surely deserve a big hand, as they played in 44 competitive league games.

The bantam boys of Toronto of which six Allencourt bantams are players, winners of the district finals at the Sportman's Show, were presented with their trophies. Janet Royston — "Miss Allencourt Lanes" — was presented with her trophy, also a small permanent replica. Mrs. Madge Nicholson, supervisor of the leagues, who, untiring in her own efforts, expressed her appreciation for the help given by so many people who helped to make the Allencourt Junior Bowling Leagues such a success, and to those who assisted in this memorable banquet.

Richmond Hill Roma was handed a 2-0 defeat in Aurora last Saturday and dropped from first place in the league standing. The strong Aurora attack moved into high gear from the start, and soon scored on a low shot, after a nice passing play. It looked as though Roma might tie the score a few minutes later when Outside Left B. Lewis centred the ball, and it was handled by the Aurora defence. Colucci shot the ensuing penalty kick, only to have it saved by the Aurora goalkeeper. End to end play by both teams provided many scoring opportunities, but the score remained the same until the halfway mark.

On resumption of play, Roma put everything into their attack but Aurora stubbornly and expertly baulked every attempt to break through. To further upset Roma, one of their own defenders caused a penalty shot. A heated altercation followed between Roma Goalkeeper Gerardi and the referee, but this did not alter the decision. The shot was taken by Aurora Centre Forward Lofthouse, and slammed against the cross bar, and fortunately for Roma did not score. As the game progressed Aurora obtained their second goal on another fine play.

Though Roma was playing hard up to the 90th minute, the game ended with this 2-0 score.

With two men out in the bottom of the seventh inning, Don MacMillen rifled a home run shot over the centre field fence to give the Jewellers a 5-4 lead. The lead was short-lived as Merchants hit for the tying and winning runs in the eighth inning.

A double by Merchant first sacker Glen MacPherson plus two fielding errors allowed MacPherson to score the tying run. Fernback singled and Bill Jackson was brought on in relief for Norm Roberts. Jackson struck out the first two batters to face him then proceeded to work on third baseman Gale Gamey. Gamey went down via the strikeout route, but a third strike got away from Cal Williams with Gamey going to first base on the play. Fernback came in from third on the play with the winning run of the game.

Despite the unseasonably cool weather a large crowd of spectators were on hand for the opening game. Opening ceremonies saw Richmond Hill's Recreation Director Jean Thomson pitch to Reeve Floyd Perkins.

After a loud foul and a change up pitch that was much too high, the third offering was tagged in fine style by Reeve Perkins.

Winning Team R H E HO

Dynes Start Ball Season With Win

Fiery "Casey" Cripps (right) whips off his jacket as the second game of the young ball season got underway at the town park Saturday evening. It was a "jewellers' series" with Toronto Ostranders tangling with Dynes. Thanks to a double by Chico Fernandez, Dynes started things right by defeating the Toronto crew 4-3. The game was originally scheduled for fair day but was rained out.

(Photo by George Chaplin)

Chico Fernandez, newest Dynes Jeweller player acquisition rapped out a double while Bill DeGeer and Gary Smith hit two singles each as Dynes dumped Ostranders by a 4-3 count. It was a lone single by catcher Cal Williams, a hit that came with two out in the ninth inning that set up the Dynes win.

Early Lead
 The Dynesmen jumped into an early 3-0 lead as they went to work quickly in the bottom of the first inning. DeGeer, Smith and MacMillen hit back to back singles and were brought in to score on a long double by Chico Fernandez.

Ostranders picked up two runs in the third inning. Gord Barker was safe on a fielder's choice and Merv Mellish drew a walk. Bill Swing rapped out a sharp single to score both runners. The score was tied in the sixth inning as Keith Lancaster walked and was scored on a double by Andy Anderson.

With the score tied 3-3 in the bottom of the ninth inning, Fernandez walked with two men out. Bill Robson was safe on an error bringing Cal Williams to the plate. Williams punched a sharp single between short and third to score Fernandez and give the Dynesmen a 4-3 win.

Bob Attwell went all the way on the mound for Dynes. He gave up 10 hits and walked five while striking out three. Attwell got tremendous fielding support

R.H. Roma Is Defeated Aurora Wins Game 2-0

Richmond Hill Roma was handed a 2-0 defeat in Aurora last Saturday and dropped from first place in the league standing. The strong Aurora attack moved into high gear from the start, and soon scored on a low shot, after a nice passing play. It looked as though Roma might tie the score a few minutes later when Outside Left B. Lewis centred the ball, and it was handled by the Aurora defence. Colucci shot the ensuing penalty kick, only to have it saved by the Aurora goalkeeper. End to end play by both teams provided many scoring opportunities, but the score remained the same until the halfway mark.

350 Kiddies, Allencourt Junior Bowling Banquet

Too Many Errors Our Dynes Drop Season Opener 6-5 North York

Dynes Jewellers lost their first home game of the season to North York Merchants Thursday last. The Merchants edged the Jewellers 6-5 in an error-filled game.

Norm Roberts got the nod as the starting pitcher for the Jewellers as Merv Hughes went all the way for the winners. Merchants hit the score sheet fast by pushing in two runs in the opening stanza. Dave Bradley and Gale Gamey picked singles off Roberts' offerings and Keith Anderson cashed both runners with a ringing double.

Cal Williams and Bill Robson drew back to back walks in the bottom of the second inning and both men came in to score on a base hit by Eric Hillaby to tie the score.

The Jewellers added runs in the third and fifth innings to lead Merchants 4-2. Gary Smith got on via an error in the first inning, worked around to third and came home to score on Moe Williams's sacrifice fly to left field. Williams slammed out a double in the fifth inning and came in to score on two errors by the Merchant fielders.

Roy Fernback drew a walk from Roberts to open the seventh inning. Dave Bradley was safe on an error. An error on a ball hit by Gale Gamey scored Fernback and an error on Merv Hughes scored Bradley to tie the game at 4-4.

With two men out in the bottom of the seventh inning, Don MacMillen rifled a home run shot over the centre field fence to give the Jewellers a 5-4 lead. The lead was short-lived as Merchants hit for the tying and winning runs in the eighth inning.

A double by Merchant first sacker Glen MacPherson plus two fielding errors allowed MacPherson to score the tying run. Fernback singled and Bill Jackson was brought on in relief for Norm Roberts. HIGH SCHOOL SPORTS NEWS

Richmond Hill
 The girls' track and field team won the Georgian Bay Championship at Cannington last Saturday. Led by the fine performance of Diane Hayes, the powerful team piled up a total of 36 points to win the meet.

Brock District High School finished in second place with 24 points tied with Huntsville who also scored 24. Banting Memorial Institute of Alliston finished with a 20 point total.

DIANE HAYES was entered in three events and won all three. She set records in each event. Miss Hayes jumped 17 ft. 4 1/2 inches to win the running broad jump event, threw the discus a distance of 97 feet 11 inches and put the shot 35 feet 9 3/4 inches. There is no doubt whatever that Diane Hayes is one of the outstanding high school athletes of this era. As she continues to improve her performances every time out, she has the natural ability to become one of Canada's outstanding track and field stars. Nice going Diane!

MARY ANN DONALD jumped 7 ft. 11 inches in the standing broad jump to set a new mark for this event. CAROLE CAT-TERMOLLE romped the 60 yard hurdles in 8 seconds flat to tie the existing record. As team captain CAROLE HAYES finished third in the 100 yard event, Miss Cattermole placed third with Carole Hayes grabbing off fifth place.

The senior relay team ran the 440 yard relay in a time of 56.6 seconds to establish a record for this event. Members of the team are CAROLE CAT-TERMOLLE, DIANE HAYES, CAROLE HAYES and LORRAINE WEBB.

ROSEMARY ROSS took second place in the running broad jump in the junior division, and DAWN KINGSLEY was third in the standing broad jump. Rosemary Ross placed third in the 60 yard dash fourth in the 100 yard event, with Anne Ross finishing fifth.

Bayview Intramural badminton competitions were concluded at Bayview High School last week. The red colour team won the senior event with the individual championship going to Larry Guio. Bruce Mortson won the team championship.

With all events now completed the final color team standings are as follows: Green 2040 pts., Red 2020 pts., Black 1940 pts. and Gold 1910 pts. A close finish to a very good year of competition.

Thornhill
 George Neeland won the intermediate hurdles event in a time of 14.7 seconds at East York last Saturday. The O.F.S.S.A. Championships were run at the East York School and Neeland, although placing second in his qualifying heat, turned in a flawless performance to win the final in the event. Dale Crouter finished third in the junior hurdles event.

Last Friday night was the athletic banquet at Thornhill Secondary School. The program and dinner conducted by members of the boys and girls athletic associations was a model of efficiency. Members of the B.A.A. served dinner while the girls laboured hard and long behind the scenes in the kitchen.

Mr. Dick Shatto of the Toronto Argonaut Football Club was the guest speaker. He emphasized the importance of ed-

ucation to everyone and made special reference to the necessity of a good education for a professional athlete. His remarks, although of a serious nature, were couched in a way that amused and entertained the large gathering. As an ambassador for professional football Mr. Shatto has no peer.

Trophies and awards were presented to winners with Terry Hemming acting as a very capable M.C. for the evening. A dance brought the evening to a close as the school sporting year was brought to a happy and successful conclusion.

Kent Clothes Win Over Newmarket
 Kent Clothes, Richmond Hill's entry in the York-Simcoe Softball League, got the season off to a flying start by defeating Newmarket 9-1 in Newmarket Thursday. Steve Plummer wielded a big club for Kents with a first inning bases loaded homer to lead the way to the win.

Larry Guio pitched steady ball for Kents giving up only four hits over the nine inning route. Bill Duncan, on the mound for Newmarket Redman was tagged for five hits including the home run shot by Plummer. Wayne Richardson and Duane Patfield came up with two hits each to aid the Kent Cause. Don Williams hit one for Newmarket as Bob Eisefeld contributed three hits in the losing cause.
