Brownie News
Instead of a mother and daughter banquet this year for the Brownies and Guides a new idea will be tried. It is a mother and daughter picnic and it will take place on June 4th at St. Pauls United Church; South Road, Oak Ridges. Each mother and daughter will bring her own box lunch and the mothers' auxiliary will provide dessert

and beverage. Each group will be responsible for providing fifteen minutes of entertainment.
Mothers Auxiliary
At a recent meeting of the mothers' auxiliary of the Cubs, Scouts, Brownies and Guides it was decided to reduce the price of scarves provided the girls and boys on their enrolment to the groups from 35c to 25c.
This charge is made solely to offset the rising cost of materials and is refundable upon leaving the organizations.
The auxiliary held a garden party yesterday at St. Mark's Anglican Chapel, Yonge St., Oak Ridges, which featured a home bake sale as well as the customary tea.
Cancer Society
The Oak Ridges-Lake Wilcox Chapter of the Canadian Cancer Society held an open meeting last night at the Ridge Inn and everyone was invited to attend.
The group would once again like to thank all those who made their recent campaign so successful financially.
The total realized was 971.23. As this was the last meeting until September, if anyone knows of a cancer patient who needs help in any form, they may contact Mrs. E. Bunn, PR. 3-5409 or Mrs. G. Day at PR. 3-5618.
St. Pauls United Church
Last Sunday the morning service at St. Paul's United Church was conducted by members of the United Church Women's Association. The ladies carried out all phases of the worship. The special speaker at this service was Mrs. Jean Newman, Toronto, former member of the board of control and mayoralty candidate. Her theme was, "How to live a satisfactory life."
At the recent monthly meeting of St. Paul's United Church women a mother and daughter evening was held. The guest speaker was Mrs. Isabel Rubin of Aurora who showed the ladies movies of her trip to Israel and delighted all with her informative talk on the people customs of this new Jewish state.
At this time, tentative plans were also made to visit the Ina

Grafton Home for the Aged. The ladies will entertain the elderly residents but program plans are not as yet definite. The Ina Grafton Home for the Aged is a United Church Project in Toronto.
About People
Douglas, eight year old son of Mr. and Mrs. Hogben, South Road, Oak Ridges, was involved in a collision with a car while riding his bicycle outside his home. He was thrown from his bicycle and will be confined to the York County Hospital for several weeks with a fractured upper leg. The speed limit in Lake Wilcox and the South Road is 40 miles per hour, much too fast for the safety of small children. Many residents feel that this should be returned to the 30 mile limit which was in effect for a short while.
Best wishes to Mr. and Mrs. Gordon Sanderson, Bayview Avenue, Lake Wilcox on the arrival of their new son, a brother for Bobbie at the York County Hospital, Newmarket recently.
Mr. and Mrs. Douglas Cook, Bayview Avenue North, Lake Wilcox, spent part of last week-end visiting relatives in Willowdale, Ontario.
Matthew Szeiler Junior, spent last weekend at the home of his parents Mr. and Mrs. W. Szeiler Newman Avenue, Lake Wilcox, on leave from the armed forces.

At this time I would like to express my sincere thanks to the editor and staff of "The Liberal", and all those who have helped me in the past two years to make up this weekly column and to all my readers who have often helped with their compliments and criticism. I have appreciated their support and assistance and I am sure they will continue to aid my successor Mrs. Lill Atchison who will take over for me beginning next week. She will appreciate all the help she can get in the form of news and will receive her calls at PR. 3-5479.

Red Rooster Dance
The Red Rooster dance, heralded by colourful posters, attracted many villagers to King City Composite School.
Sponsored by the home and school association, the event was to replenish the treasury. Lately members purchased graduation pins for the current class and supplied four fiction books for libraries of the two public schools.
President Re-elected
Mr. John Jenkins undertook presidency of King City Home and School Association for the third consecutive year, at the final monthly meeting in Eva L. Dennis School.
Mrs. Raymond LaFond was named treasurer and Mrs. H. C. Smollet, corresponding secretary. Mr. Norman Laughlin, Mrs. Harriet Reynolds and Mrs. Charles Ormsby were elected to executive. Offices of vice-president and recording secretary were left vacant temporarily.
Three senior boy students were in the audience to hear Mr. J. Irwin, guidance teacher, speak on "Pointing Toward High School."

At Funeral
Mrs. Martin Jenkinson flew to Vancouver last week for the funeral of her mother, Mrs. James Warlian.
Cookies Sold Well
King City's two Guide companies and three Brownie packs had no trouble disposing of 100 dozen cookies.
Each group sold 20 dozen and will share the profit of \$96.
Plan Fall Fantasy
The committee planning King City Home and School Association's autumn production, "The Third Nighter", expects to be casting from local talent during summer.
Mrs. L. J. Dennett of Laskay has been working for weeks on the words and music for "Alice in Blunderland".
This year the performers hope to extend the evening of fun to two nights.
Rummage Treasure
The two-day rummage sale at Oak Ridges, sponsored by King City Girl Guides' Local Association, was the best yet. Cleared from the well-patronized sale was \$276.84.
Five fur coats were included in the rummage donations. Popular among men and boys were the shirts and pants in excellent condition, contributed by the clothier.
Children were pleased with their purchases of books and toys. Among the items for sale were jewellery, an iron, a lawn mower, camp cots, a lamp, magazine rack, shoes for all ages, dresses for women, and children's clothing.
All Saints' A.Y.P.A.
The tractor-drawn hay ride planned by All Saints' Anglican Church A.Y.P.A. was rained out. Instead 15 young people drove to Nobleton for an evening of bowling.
They returned to the home of Councillor Mrs. G. T. Thompson, Dew Street, for refreshments and dancing.
Robbie Tetley is president of the A.Y.P.A., Ned Fog acting as vice-president; Barbara Rawlings, treasurer, and Catharine Whalley, secretary.

Lions & Safety Council Pleased With Results, First Bicycle Rodeo

Thirty public school children took part in King City's first bicycle rodeo, sponsored by the Lions' Club.
Because of the morning high temperature, Chairman Jack Parson and his Lions' committee chose the shady side of the four competitions.
It took two hours for Mr. Parson, Mr. J. C. Wemyss, Mr. Clifford Courts, Mr. Stan Roots and Mr. G. T. Thompson to test the girls and boys, with the aid of King Constable John Hughes and Bruce Shipley, O.P.P., who questioned them about traffic safety.
The children demonstrated their ability to apply brakes in a certain distance and received points for showing good balance while riding figure eight.
The Lions tested the condition of bikes and told the youngsters what was required for safe riding. All the participants received colored plastic streamers for handle-bars and traffic safety booklets supplied by King City and District Safety Council.
The committee was pleased with results of the first rodeo and expects the Lions' club will sponsor them again on a larger scale.
Presented with prizes for earning high points were Lorna Houston, Terry Smollet, Linda Loughran, Susan McMinn, Christine Cullman, Cindy Loughran, Renate Schlag, Laurie Orr, Gordon Spence, John Lacey, John Gilbert, Chris Laurin, Donald Graham, Mark Brown, Wayne Hiebert and Peter Love.

Fireworks Display
It was easy to find most of King City's population on Victoria Day.
Hundreds of residents gathered in King Memorial Park to watch the impressive display of fireworks, sponsored by the Lake Marie and King Athletic Association.
As a result of door-to-door canvassing for donations, Lake Marie members collected \$220 for the occasion.
The crowd was at a safe distance at the bleachers while members lighted colourful rockets, showers of stars, Roman candles, giant pin-wheels and cannon-like bursts.
Several members of King City Brigade were present, smartly wearing their new uniforms. One of the two fire trucks was parked nearby on Doctors Lane in case it was needed, but the first organized fireworks in the park proceeded smoothly.
A summer carnival under Mr. Kenneth Chesney's direction is the next community event proposed by the Lake Marie Association.

Proud Relatives
Mr. and Mrs. Harry McBride are beaming with pride these days, with the arrival of their first grandchild, a daughter, Kelley, born to Mr. and Mrs. Peter Sutherland of Schomberg in Toronto Western Hospital.
Mrs. Sutherland is the former Lois McBride.
