

Vaughan Twp. Opposes Village Sewage Plan

At a hearing of the Ontario Water Resources Commission on May 22nd, the Vaughan Township Council and Planning Board submitted written objections to the proposed construction of a trunk sewer and sewage lagoon on the flood lands north of Steeles Avenue between Concession 7 and 8 in Vaughan.

Grounds for council and planning board objections were that the lagoon would contravene the zoning by-law; that it would adversely affect the use of the Metropolitan Toronto and Region Conservation Authority's lands for recreation purposes; that the trunk sewer and lagoon would provide no service for the township; that the conservation authority should study the proposal before any decision is made; that even the short-term use of the lagoon would seriously prejudice the adjacent land for any use and that the property owners of the area had not had sufficient notice of the proposal.

As an alternative, it was suggested that the \$42,000 proposed to be spent on the project be used instead to accelerate the construction of the Metropolitan Toronto sewer which will ultimately serve the area. Vaughan would then immediately consider its contribution to the accelerated program in the light of the advantages to be derived in servicing a potential industrial area south of the new C.N.R. access line.

Rabid Fox Escapes After Attacking Dogs

As a result of attacks by a presumably rabid fox, two Markham Township dogs, a beagle owned by Mr. James G. Spring and a German shepherd owned by Mr. George Roman, have been quarantined for three months. Canine Control Officer, James Ryan investigated.

Mrs. Spring, who lives on 18th Avenue near the 6th concession, had let her dog out at about 6:30 in the morning of May 19th and a few minutes later found the fox tussling with her dog at the back door. She was unable to get her dog in the house and the fox then went up the road to Romandale Farms where it attacked the dog of the farm manager, Mr. George Roman. D. T. L. Dales of the health of animals division of the Federal Department of Agriculture attended the dogs and although neither dog had any visible wound, they have both been quarantined, for a three month period.

Regulations of the department require that any dog who has received rabies shots be quarantined for this period as the shots are not always entirely effective. Any dog who has not had shots must be isolated for a six month period as it could take that time for the disease to develop.

The health of animals division reports that the rabies situation in the area is relatively quiet. There have been fewer cases reported recently than during the winter and it is felt that the fox population is down. The fox which attacked the dogs was not caught and residents are cautioned to be on the alert and make sure that their pets have been protected.

Madill - Reeves Nuptials

Sandra Gail Reeves, daughter of Mr. and Mrs. James Reeves, S. Fernleigh Circle, Richmond Hill and William Bruce Madill, son of Mr. and Mrs. William Madill of Bond Lake were united in marriage by the Rev. R. E. McLellan assisted by Canon Heam, in the Anglican Church of St. Gabriel, Richmond Hill East, on April 28th, white chrysantheums gracing the altar.

Given in marriage by her father, the bride wore a gown of full length chantilly type lace and net (white mist) bodice, moulded lace neckline, scalloped Sabrina sleeves, cathedral point overhand, full net front panel overskirt, edged in lace, forming a redingote effect. White carnations and red roses, edged with white net and fern, were carried by the bride.

Mrs. Betty Nobes, friend of the bride was matron of honour, wearing blue chiffon with long sleeves, high neckline with bubble skirt, matching shoes and hat. Her bouquet was of pink sweethearts, white carnations, white net with fern.

Wendy Lennox, a charming flower girl, was attired in pink nylon dress with matching lace jacket, wearing a white tiara on her head, carrying a bouquet of pink nymph sweethearts roses with lily of the valley, white carnations, cornflowers, edged in net and fern.

The groom's mother, Mrs. Madill wore a pale gold sarrano dress with matching jacket, white and beige accessories, with corsage of talisman roses and orange carnations.

At the reception held at Summit Gardens, seventy-five guests were present, with out-of-town guests from Windsor, Hamilton, Barrie, Beeton, Bond Head and Toronto. The bride chose for her going away outfit, a pale blue suit with blue hat and beige accessories, and wore a corsage of pink carnations. Mr. and Mrs. Madill, will reside on Leventdale Rd., Richmond Hill.

Federal Nominations On June 4th, In Newmarket

Official nomination day in York North and throughout Canada in the federal election will be June 4. This is exactly two weeks prior to the national polling on June 18 and is in accordance with the specific terms of the Canada Elections Act.

On that day Returning Officer Warren R. Baillie of Concord will be in Newmarket to receive nominations. This being the county seat, Newmarket is always the official locale for the official filing of nominations.

This will be done either by the candidate personally or by their supporters.

3 Candidates

There are three serious candidates in running at the present time. They are PC C. A. 'Tiny' Cathers, member of the last house seeking re-election, Liberal John Addison making his first run for elective office, and Stanley Hall, the representative of the New Democratic Party. Mr. Hall has previously been a provincial candidate in the constituency.

At the time of nomination the candidates must also put up their deposit in the sum of \$200. If they get a substantial vote this will be returned to them. Otherwise it will be forfeited. This is a provision to stop frivolous or nuisance candidates from running, thereby putting the electors to unnecessary expense.

In this election there are some 208 polling subdivisions in the riding. This is substantially the largest number in history.

The act stipulates that when a polling subdivision reaches a total of 350 voters it must be divided in two. With the large influx of new residents into the county during the past years this made it necessary to split a number of the polls.

Majority Urban

There is the additional possibility, that the vote will be so close that one or other of the candidates may demand a recount. Should this happen, of course, Mr. Baillie would have the additional duties entailed to carry out.

District High School Board Awards Tenders For Number Of Supplies

On the recommendations of the property committee, the York Central District High School Board at their May 28th meeting accepted the tender of the K. J. Beamish Construction Ltd., for laying asphalt paving at Bayview and Woodbridge High Schools at a cost of 90 cents and 96 cents per yard. Any extra granular is to be approved by the business administrator at a cost of 25 cents per yard.

The board also accepted the tender of Kimberly-Clark Limited to supply 325 cases of paper towels at \$4.42 per case and 25 cases of tissue at \$1.30 per case. The lowest tender for the supplying of fuel oil was from B.A. Oil and their tender to supply 5A fuel oil at 9.5 cents per gallon was also accepted. The McGill Fuels, Toronto, tender of \$13.75 per ton for supplying coal for two high schools was accepted also.

A very good price was received on the supplying of typewriters for Bayview High School and Thornhill Secondary School. At a cost of \$124.50 each, 36 Underwood typewriters will be purchased for Bayview High School for a total of \$4,482.00 and 24 Underwood typewriters for Thornhill Secondary School with trade in allowance, for a total of \$1,188.00.

After some discussion, the low tender of \$17,224.00 from Spannee Products of Toronto was accepted for the construction of laboratory furniture for Bayview High School. The problem here was that the two teachers who had suggested and approved the furniture - said to be a new concept in laboratory fixtures in perimeter style - will not be with the board when the furniture is installed, and the man who designed it submitted a tender \$2,500 higher than Spannee. However, the designer has indicated to Business Administrator Jack Ashworth that if necessary he will supervise the installation of the equipment.

The board also accepted the property committee's recommendation that Toronto architects

Guides & Brownies Of Thornhill South

By Marguerite Hill

The Girl Guide Banquet held at Thornhill United Church started out with a bang, what an attendance, over 180 mothers, daughters and guests present. The girls looked snappy all decked out in their lovely uniforms and spandex shoes. A bevy of girls anyone would be proud of. The tables were beautifully decorated in the traditional colours and on each table there were vases of spring flowers. Rev. Hugh MacDonald, of Thornhill United Church said the grace. A delicious supper of potato salad, cold cuts a green salad tomatoes was served. For dessert they served big slices of lemon cake topped with whipped cream.

Mrs. McTaggart-Cowan introduced the members at the head table. Susan Sloane gave a hearty welcome on behalf of all the girls to all the mothers present. The response was given by Mrs. Redman.

Mrs. W. C. Kennedy then thanked all the ladies of the third and fourth group of Thornhill United Church for the delicious meal and charming table decorations. Mrs. Marchiori thanked all the mothers for coming out to the banquet. Divisional Commissioner Mrs. McTaggart-Cowan presented the colours to 4th Thornhill Guides. King Citizens Decide 2 Yr. Term, Vote At 21

A two year term for council and extension of the franchise to all those over 21 may be in the books for King Township residents after next December's election. The township council recently passed two by-laws to submit these two questions to the electorate. The King Township Electors' Association has urged the extended franchise for some time.

Donald M. Findlay, Q.C., of King City was the unanimous choice for chairman of King Township Planning Board at a recent board meeting. He succeeds Bruce Davis, Q.C., who resigned after serving as chairman of the board since its inception, nine years ago.

Mr. Findlay has served on the planning board for two years. He is president of York North Progressive Conservative Association and a past chairman of the King City Village Trustees.

NOTICE

Revision To Refuse Collection Days

(Other than Domestic Garbage)

Due to the heavy amount of refuse being placed for collection and disposal by the Town's Works Department, the following revised schedule of areas and dates will become effective immediately.

COMMENCING THURSDAY, MAY 24th, 1962

AREA NO. 1 — Bounded by

Elgin Mills	North Side
Bayview Ave.	East Side
Crosby Ave.	South Side
C.N.R. right-of-way	West Side

The above does not include Crosby Avenue. This area includes all that part of the town lying east of the C.N.R. right-of-way and north of Crosby Avenue with the exception of Crosby Ave. itself.

THIS AREA TO BE COLLECTED ON THE FIRST THURSDAY IN EACH MONTH

AREA NO. 2 — Bounded by

Crosby Avenue	North Side
Bayview Ave.	East Side
Town limits	South Side
C.N.R. right-of-way	West Side

This area includes all that part of the Town lying east of the C.N.R. right-of-way and south of Crosby Avenue, including Crosby Avenue itself.

THIS AREA TO BE COLLECTED ON THE SECOND THURSDAY IN EACH MONTH

AREA NO. 3 — Bounded by

Elgin Mills Rd.	North Side
C.N.R. right-of-way	East Side
Town limits	South Side
Yonge St.	West Side

This area includes all the part of the Town lying west of the C.N.R. right-of-way to Yonge Street, including both sides of Yonge St.
