BELL LINES

your telephone manager

Mrs. Pengelly of Willowdale says that you can travel relaxed if you call ahead for accommodations.

Let the telephone be your travelling companion

Summer is here and with it comes vacation time. Like most folks in Richmond Hill you're probably planning to do some travelling this summer. Remember, the telephone can help make your vacation smoother, more enjoyable. Be sure to call ahead to make hotel or motel reservations. It will save a lot of time and trouble. If you're travelling around at the end of a long day in a strange town looking for a place to stay. If you're delayed, a long distance call to those expecting you takes the pressure off the driver. A call to relatives along the route can alert them to a visit — or, if a side-trip is impossible, can offer the opportunity of a visit by phone. Then at the end of the journey, call the folks back home to reassure them that all is well. Yes, let the telephone be your travelling companion this summer and enjoy a happy, relaxed vacation.

Here's a real boon to home builders

Now that the building season is in full swing, it might be a good idea to remind you once again about our FREE Concealed Wiring Service for homes under construction. Our installers will place multi-wire cable between the walls throughout a new home provided this service is requested before the walls and partitions are closed in. Then when the house is completed and the customer has chosen the location or locations for telephone service, our installer will locate the hidden wire with an electronic instrument and connect the telephone or telephones with the wiring. A small attractive plastic faceplate will be affixed to the outlet from the wall and the only wire showing will be the lead to the nearby telephone. Most folks agree that this new FREE service is a real boon to the home builder and adds value to any new home. For full information, ask your builder to call our Business Office and ask for Concealed Wiring Service.

Why so many Bell men wear glasses

The Safety Glass Saved This Man's Eye. The other day I saw a man about eyesight — the reason so many of us wear safety-glasses. The glasses are intended to protect our eyes while we're on the job. And we have seen plenty of this protection over the years in the form of badly cracked safety-glasses. (Safety-glasses crack but do not shatter.) When anything strikes these glasses with enough force to crack them, just imagine what it would do to an eye.

Memorial & Decoration Service
On Sunday, June 10, the annual memorial and decoration service was held with Rev. H. J. Veals in charge. Graves were decorated and the congregation remained in the cemetery grounds for the first part of the service. At the second hymn all retired to the church. A beautiful basket of carnations was placed in front of the communion table in memory of Mr. and Mrs. Walter Bone and Miss E. Sheppard by Mr. and Mrs. Ernest Bone and family.

At a meeting of the congregation at the close of the service it was decided to close the church during the month of August. Sunday School will conclude the last Sunday in June until September. The annual Sunday School picnic will be held on June 23, at the farm of Mrs. Graham, Bathurst St.

Rev. J. C. Kell, a former minister of Carrville may attend the anniversary service scheduled for the third Sunday in September. A further announcement will be made shortly.

The Carrville United Church Women met on June 8 at the home of Mrs. E. Bone, Bathurst Street. Mrs. J. Bushell read a very interesting paper on "Buckling The Tide of Life," written by Jane Scott.

We were pleased to have Mrs. R. Kirk back at the meeting and feeling some better. Visitors Mrs. F. Purvis and Mrs. R. Lindsay were very welcome. The main topic was the plans for the strawberry supper on June 27.

Mrs. Baker is in charge of the kitchen and Jack Barton is being asked to get the strawberries.

The ladies will assist the school for retarded children. Mrs. J. Williams will purchase prizes for the U.C.W. picnic in July.

Rain forced cancellation of the Rowntree-Hendry family picnic. The committee decided to have it on September 9 at the home of Mr. and Mrs. Tom Knight, Clark Avenue, Doncaster. There were 84 disappointed people.

Visitors with Mr. and Mrs. Jack Barton on Sunday were: Mr. and Mrs. John R. Barton, Downsview; Mr. and Mrs. David Barton, Bonnie and Douglas Barton, Beverley Acres; Mrs. Dean Wilson, Myra-Jane and Betty-Ann Wilson and Miss Mary Dean of Toronto and Mrs. J. Oliver and Helen of Richmond Hill.

Mr. and Mrs. Jas. E. Ash and Robbie, Donna and Ronnie Wilson of Moorefield and Mr. and Mrs. Bob Middleton, Glen and Denise Middleton had supper with Mr. and Mrs. Bert Middleton and girls on Sunday.

Liberals & Tories Hold Monster Rallies Honour National Leaders

With the federal election only days away, activity in the various political camps is reaching fever pitch, as all parties strive to make the most of the few remaining hours of the campaign. In a last major effort to sway voters in the Metro area, both the Liberals and Progressive-Conservatives will stage mammoth rallies in Toronto on Thursday evening.

The Liberals will take over the O'Keefe Centre and will have as their big drawing card their leader, Lester Pearson, and Mrs. Pearson. Cavalcades of cars, formed in each Toronto and Yorks riding, will converge on Yonge and Front Streets at approximately 8:00 p.m.

The York North cavalcade, comprised of an estimated twenty to thirty cars, will leave the Liberal committee rooms in Richmond Hill at approximately 6:00 p.m. and proceed straight down Yonge Street to the O'Keefe Centre.

Headed by Liberal Candidate Allan Orr and his wife, Joan, accompanied by Miss Rose of Richmond Hill, Darlene Harcourt, a group of New Canadians from Holland, now residents of York North, and a contingent of Indians from the Georgina Island reservation, all in native costume, will participate in the York North demonstration. Also accompanying the cavalcade will be the now famous "bandwagon" of Liberal Candidate John Addison.

The same evening, Thursday, Prime Minister and Mrs. John Diefenbaker will greet the people of Metropolitan Toronto at a public reception to be held in the Queen Elizabeth Building, Exhibition Park, from 7:30 p.m. to 9:30 p.m. The reception has been planned in the evening in order that those working in the daytime can meet the Prime Minister.

Mr. C. A. "Tiny" Cathers, P.C. candidate for York North, has emphasized that everyone is welcome to meet the Prime Minister and Mrs. Diefenbaker, Premier Roberts of Ontario and Mrs. John Roberts. Also in attendance will be three Cabinet Ministers, the Honourable George Hees, the Honourable Donald Fleming and the Honourable David Walker; the Speaker of the House, the Honourable Roland Michener and the only woman member of Parliament in this area, Miss Margaret Aitken of York-Humber, plus all P.C. candidates in the Toronto and Yorks area.

The day's festivities will begin in York North with a Progressive-Conservative Cavalcade of cars commencing at 1 o'clock in Richmond Hill. The Prime Minister will honour this parade with his presence.

Traffic Survey Study Available Later This Year

The town traffic survey started recently in Richmond Hill will not be completed for several months, the Department of Highways said this week. It will be about six months before results of the survey will be released.

All entrances and exits to Richmond Hill were covered and vehicles were stopped and drivers questioned about the reason for their trip.

After the information is processed by the highway's department, it will be studied by the planning department and will be used as a guide in future Richmond Hill planning.

Injuries Slight In Rear-end Collision
Richmond Hill police were called to investigate an accident at 6:30 p.m. on Sunday, when a car driven by Andy Nova was in collision with one driven by Sylvester Santa, on Yonge Street at Lorrie Ave. The Santa vehicle had stopped to allow a pedestrian to cross and was struck from the rear by the Nova car, police said. Damage was estimated at \$75. Olga Santa received a scraped knee and minor head injuries.

To the VOTERS of YORK NORTH

Five years ago you sent me to Ottawa to serve on your behalf. I hope you will feel that I have fulfilled that trust.

During recent weeks my record has been reviewed in newspapers, on radio, at public meetings, and in talking and visiting with so many of you throughout York North. I have enjoyed meeting old friends and in finding new ones in this rapidly growing community.

On Monday next, I ask your support in re-electing me your representative at Ottawa. I will continue to work for the people of Canada and of York North and will faithfully endeavour to fulfill your trust.
