Some of the 67 relatives attending a family reunion at the home of Gordon Tonner, 134 Oxford Street, Richmond Hill, June 3, are seen above. Included at the gathering were 22 grandchildren and 19 great grandchildren of Mrs. Jeannie Tonner who celebrated her 85th birthday June 3. Still

very active, Mrs. Tonner goes by jet to California each year to visit her many grandchildren living in the Sunshine State. Mrs. Tonner says she prefers jets to propeller driven aircraft because they are much smoother and do not spill her tea. (Photo by George Chaplin)

All parties were well represented at an Election Party held on Monday evening at the home of Mr. and Mrs. Cyril Bell, Elizabeth Street.

They were students in Wilmore, Ky., at the same time, both graduating in May 1961 — Betty with her B.A. from Asbury College (900 students) and Paul with his B.D. from Asbury Theological Seminary (250 students). This past school year Miss Neal has been teaching Music Education — her college major — in four schools in Lebanon, Ky.

The Most Rev. Philip I. Pook, D.D., J.C.D., Coadjutor Archbishop of Toronto recently dedicated Mount Alverno Seminary, a junior seminary for boys interested in the Holy priesthood, situated near Oranville and operated by the Capuchin Fathers.

Prior to the Dedication Ceremony, the annual general meeting took place. This society was formed for the express purpose of providing funds only for boys whose parents could not afford full cost of tuition. The meeting was chaired by Bob Clarke of Milton, president and chairman of the Board of Governors, and the annual report was read and discussed. Among the officers is Mr. Alex Manowski, Pemberton Road, Richmond Hill who was re-elected vice-president and vice-chairman of the Board of Governors.

Mrs. M. Thomson and Mr. J. Langton are back from Ottawa where they attended the final session of the annual national meeting of the Victorian Order of Nurses held at Rideau Hall.

Her Majesty the Queen Mother addressed the meeting and impressed her audience with her sincerity and charm. She was dressed in a Hartnell dead white lace ensemble — an elegant belted dress with oval neckline and matching straight style coat, with three-quarter length sleeves. Her hat was of white maline with an ostrich feathered brim, worn to one side. Her accessories were white — shoes, toeless with a back strap, and gloves worn just below the elbow. Her only jewelry was a three strand pearl necklace and a large gold and diamond brooch.

Following the meeting, the Queen Mother, who was accompanied by her Lady in Waiting, was introduced to a representative from each province and several of the nurses and later mingled with guests in the magnificent gardens of Government House.

Weldon's brother, David, a Grade IX student at Lorne Park College, Port Credit, during the past school year, accompanied his parents. Also present for part of the Commencement weekend was Weldon's brother Paul of Bracebridge, who graduated from Roberts Wesleyan College in 1953 with his B.A., and from Asbury Theological Seminary in 1961 with his B.D.

After photographs were taken on the lawn and steps of the colonial style church, Weldon's parents entertained at dinner in a restaurant in Rochester included in the dinner party of Mrs. Marie's mother and sister, Mrs. Jas. Hackney and Miss Madeline Hackney of Toronto. Her father, Mr. Jas. Hackney and brother James had returned to Toronto after the Baccalaureate Service.

Delicious tempting desserts brought by the girls of the class were enjoyed after the hot dogs and throughout the evening.

Friday last was a perfect day for the Richmond Hill High School 10F Class Party, which was held at the home of Jolene Goodier at the scenic and spacious grounds of the Department of Lands and Forests. After welcoming the teachers Miss Izzard, Mrs. Gibson, Mr. Sgro, Mr. Zeleny and Dr. Lillian Langstaff, approximately 30 students took to tennis, badminton, baseball and a scavenger hunt in the woods.

The winning team of the hunt must be congratulated for sticking it out longer with the hungry mosquitoes so they could find a broken bird's egg and a live mosquito.

After performing vigorous feats on the till-a-whirl, the students sat down to a relishing barbecue supper prepared by Yvonne Link, Peggy Savage and Nancy Stoddart.

Delicious tempting desserts brought by the girls of the class were enjoyed after the hot dogs and throughout the evening.

Following a rest (composed of dancing the Twist or playing tennis, badminton and croquet) which the class unanimously decided was needed to digest their food, various relay races were played.

Amazing teamwork was shown by the boys and girls, especially in the old clothing relay in which each member of every team with the help of twelve other willing hands, donned seven pieces of women's clothing and ran to and from a certain line backwards among hilarious cries of laughter. Nylons and high heeled shoes caused the most difficulty, especially for the boys.
