

VOLUME LXXXII, NUMBER 51

SPORT SPOTS

BY RON CRAINE

In a very short time every home in Richmond Hill will receive an attractive green and white booklet through the mails. This booklet contains complete and concise information on any and all recreational activities in Richmond Hill. The number and diversity of the recreational opportunities may amaze you.

Besides containing information on each listed activity the names and telephone numbers of organization directors are also listed. It's truly a little goldmine of information.

The booklet was published by the Recreation Committee of the Town of Richmond Hill. Two members of this committee, Mrs. Dot Turner and Mrs. Marg. Williams, were the chief architects of the publication. Both of these good ladies deserve a large tip of the hat for a tremendous job well done.

If there is any activity that managed to escape the notice of the Turner-Williams team, then it is indeed obscure. There's duplicate bridge, chess, square dancing, model airplane clubs and no less than three rod and custom automobile clubs on the list.

This publication should be an eye-opener to a lot of people and will prove invaluable to new arrivals to Richmond Hill. The members of the recreation committee have rendered a real service to the entire community!

SPORTS SPOTS

And so last Sunday was Father's Day. What else is new? Most fathers, or pops or daddies, as family tastes dictate were probably looking forward to nothing so much as an extra hour in the good old sack. Did he get it? Did he heck! He was probably unwillingly aroused from blissful slumber by his devoted offspring. If the progeny were of the younger variety, the awakening was probably something less than gentle.

Junior and Sis probably bounced on the sleeping, huddled form of dear old Dad and proceeded to exterminate him with their very latest space weapon. You know the kind. A noisy, hideous, tortured piece of plastic referred to as a cosmic ray gun. The kids get them by saving box tops from Blasto—the high powered cereal that isn't shot from guns. It's made on a launching pad.

After reluctantly dragging open his weary lids, snarling at the kids and making them cry a little, the old man surrendered gracefully and gave in to the inevitable. And, strangely enough as the day wore on, his flint-like heart softened just a mite. He got all overcome maudlin and really enjoyed both the kids and his kookie gifts.

Why shouldn't he? No matter what anyone ever says about it, it's pretty nice being a father on Father's Day. And every other day of the year when you come right down to it. But none of us will ever admit it!

SPORTS SPOTS

Two good citizens of Richmond Hill have taken the bull by the horns and have formed an organization to get a swimming pool built. Bill Ruttle, chairman of the recreation committee and Councilor John MacDiarmid are the prime movers in the pool project.

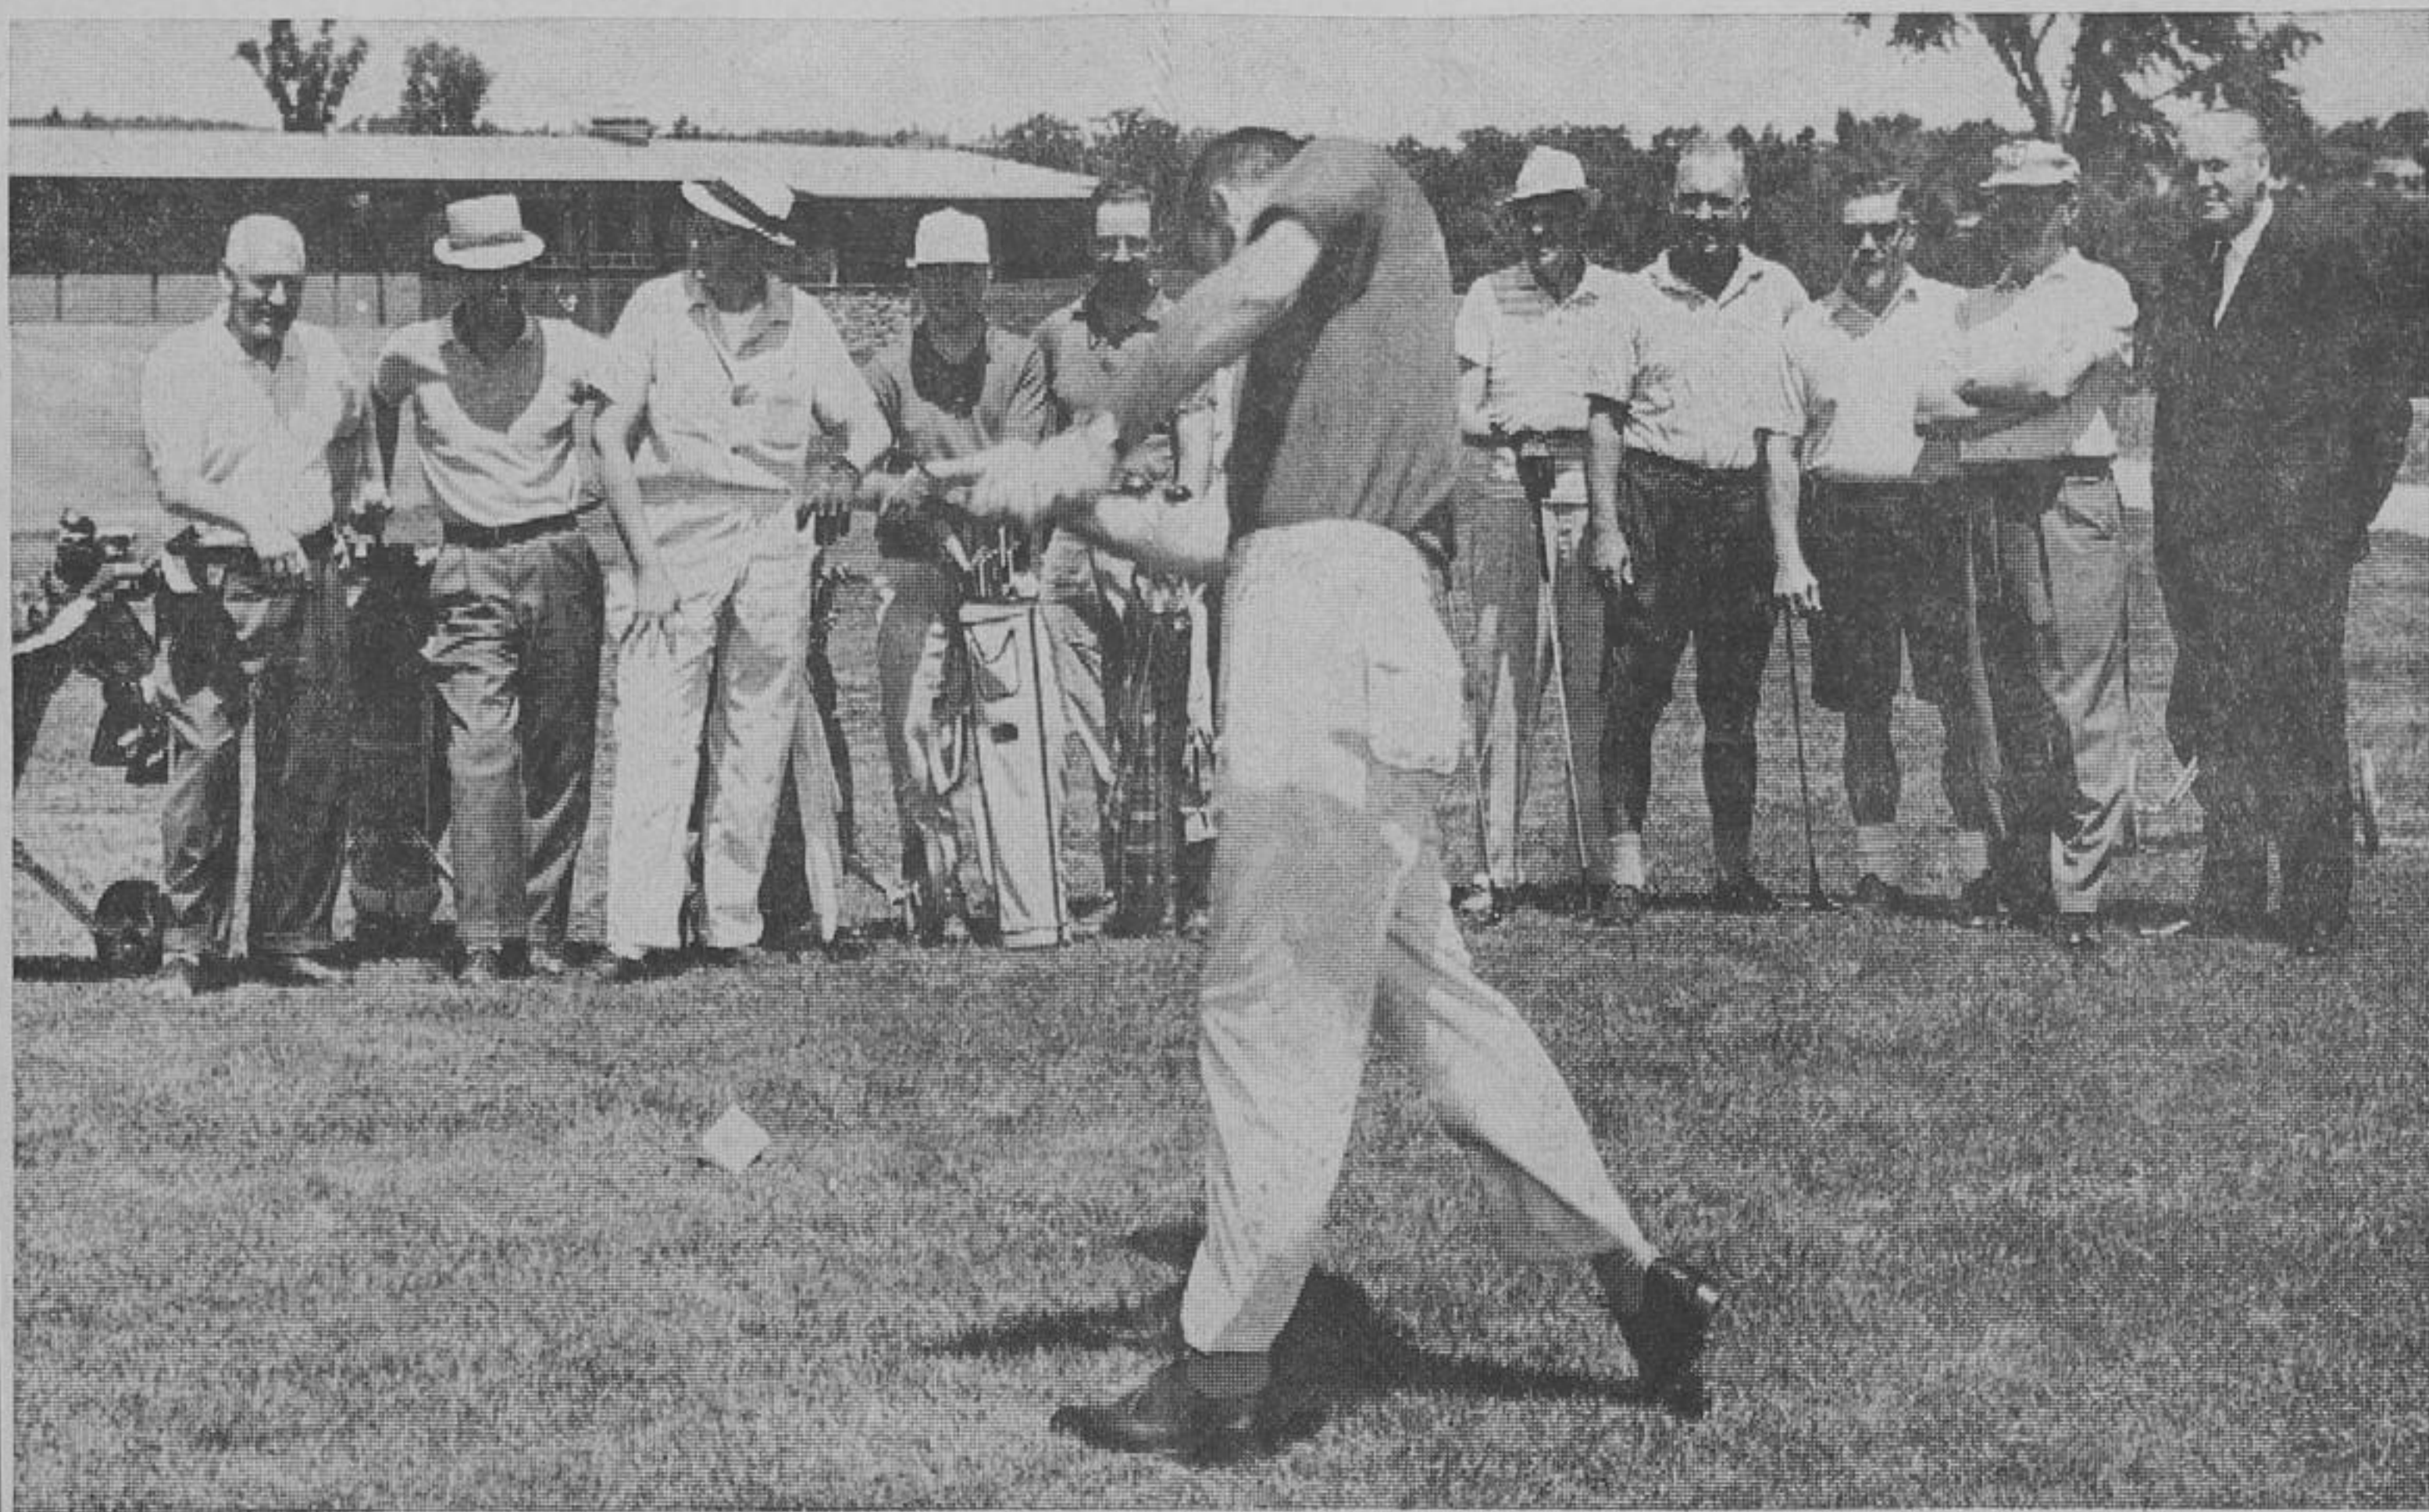

Mayor Haggart is a member of the pool committee and Donald Plaxton will be handling the legal chores. Mr. John Bradstock will be serving as building chairman, Howard Whillans as finance chairman (Continued on page 10)

Kent Clothes Hit Their Stride With Convincing 13-4 Win Over L. Wilcox

On Tuesday of last week Kent Clothes trounced Lake Wilcox by a 13-4 count. In a home fixture at the Richmond Hill Town Park, the clothiers began to function as a team and served notice that they are going to be contenders from here on in. After a shaky start in the first inning the kids settled away and were never to be headed.

Lake Wilcox Opened Scoring — Lake Wilcox scored the opening run in the first inning. Wes Thomas was walked by Kent hurler Larry Guio. Back to back errors on Norm Kennedy and Ross DeGee brought Thomas across the plate to score.

The second inning saw Kents tie the score as Larry Guio, Kent pitcher, was safe on a fielders choice and brought around to score on a triple by first sacker Bill Barclay. With the score tied, the Kent team seemed to gain confidence and wrapped the game up in the third inning.

Four Runs For Kent — An error on Dennis Richardson, a double by Les Downing and singles by Gary Palmer, Bill Meraska and Duane Patfield sent four runs home for Kent Clothes. It was the end of Dave Joslin's stint on the mound for the Lakers, with Barney Fritz coming on in relief.

Kent Go Wild In Sixth — The Clothiers added a run in the fourth inning and both teams scored twice in the fifth. In the sixth inning Kents piled in another four runs to turn the game into a rout. The final Lake Wilcox tally came in the seventh inning and Kents countered with the final run in the eighth inning.

The fire and desire of the junior club seemed to rattle the older Lake Wilcox Club. Duane Patfield ran wild on the base paths and stole four bases, one of them home plate, as he committed larceny at will.

Larry Guio pitched a steady game for the winners and was never in too much trouble at any time. The centre field play of Les Downing added greatly to the strong defensive play of the Kent team.

Bayview H. Students Celebrate School End — Class parties to celebrate the end of the school term are very much in vogue at Bayview this year. At least three classes have held parties at Twin Wheels, a riding ranch just east of Don Mills Rd. at Preston Lake.

The youthful party goers swam in Preston Lake, rode horses, went on hayrides, danced and roasted wieners around a huge bonfire. The consensus of opinion was that everyone had a good time and that this was the best class party any of the group had yet attended.

Diane Hayes Is At London Meet — Diane Hayes, the athletic miss who attends Richmond Hill High School, competed in the Ontario Women's Championships held at London on June 16th. Miss Hayes, a councillor at Richildaca Camp represented the newly formed track club, the Richildaca Road-runners.

Despite the intense heat the Richmond Hill miss competed in five events, shotput, discus, javelin, running broad jump and high jump. She won the shot event with a toss of 37 ft. 8 1/2 inches and leapt 16 ft. 7 inches to win the broad jump. An excellent performance by Diane and an auspicious start for the newly formed track club.

Elect Eric Charity As R. H. Hockey President — The Richmond Hill Hockey Association chose a new executive to head up the organization for the 1962-63 season. President will be Eric Charity, a man who has been connected with minor hockey in Richmond Hill for many years. As vice-president, Earl Methe will bring a wealth of knowledge and experience to the hockey season.

Mr. Ted Dobbs will be the secretary of the R.H.H.A., a position which Mr. Dobbs is eminently capable of filling. The important job of treasurer went to Mr. Bob Pimm, a post he has filled for many years past.

East Yk. Ladies Drop R. Hts. Centre By 3-1 — In an East York League fixture at Dieppe Park last Thursday night, Billett's Market defeated Richmond Heights Centre Ladies by a 3-1 count. Billetts were tagged for only three hits during the game with Mary Williamson getting two safeties for the local team.

Ruth Foster pitching for the Ladies gave up five hits and got good support from members of the team. So far this season the Richmond Heights Ladies have a record of two wins, two losses and one tie.

Norm Roberts Stars At Bat

Bill Bowen Pitches Dynes To 2-0 Win

Thursday night returned to the local softball scene last Thursday night wearing a Dynes Jewellers uniform. It was a triumphal return as the canny veteran set Franklin's down with five hits while his team picked up two runs for a 2-0 shut-out win.

The game was won in the first inning as Norm Roberts, safe on a fielders choice play, was cashed on a triple by the hard hitting Don MacMillen. Roberts scored the second Jeweller run in the sixth inning. Safe on a single and advancing to third on an error, Roberts scampered home on a hard single by Gary Smith.

Relieve Cox

Franklin hurler Ron Cox was relieved in the seventh inning by fireballer Bruce Westwood. Westwood gave up one hit in his two inning stint and Cox was tagged for five safeties to give the Jewellers a six hit total.

Two ex Dynesmen were in action for the Franklin team. Sil Steffan behind the plate and Gord Little at first base. Both men played a steady defensive

game and Little rapped out one single during the game.

Action during the game was marred by some weak officiating by plate umpire Bill Steward. He seemed uncertain as to calls at times and took a lot of abuse from players of both teams and from the fans.

Orv. Brown Is 5 Pin Allencourt Winner

Nineteen entrants took part in the Thursday night 5 pin tournament at Allencourt Lanes. Orv Brown was the big winner as he ended up with 72 points. Arne Skretleberg rolled to a second place win with 69 points and Bill Jones took the show spot with 67 points.

Action was close as four bowlers all tied for fourth place with 64 points each.
