"The Liberal" is always pleased to publish items of interest regarding people and events in the Oak Ridges-Lake Wilcox and King City districts. Our news correspondent in King City is Mrs. William J. Houston, telephone TEmple 3-5457; and in Oak Ridges-Lake Wilcox, Mrs. Lillian Acheson, Wildwood Ave., PR. 3-5479.

a report on the district annual meeting at Vandoni. Members were invited to have a tea and bake sale booth at the August carnival in King City. A meeting of the executive committee was held on June 27 and a fall fashion show was discussed. Refreshments were served by Mrs. Rumble, Mrs. Innes, Mrs. E. McCoy, Mrs. David Anderson and Mrs. George Dawson. **Church Dedicated**
Rev. Gordon K. Agar and members of the West Toronto Presbytery took part in the dedication service of the new St. Paul's Presbyterian Church, Nobleton, on King Sideroad. Rev. Dr. Louis Fowler, Aurora, gave the sermon. Rev. David P. Rowland of York Memorial Church, Toronto, pronounced the dedication.

Scripture readings were given by Rev. M. E. Birch, clerk of Presbytery, and Rev. M. S. Jess, Bolton. Rev. Dr. A. F. Horvock, Woodbridge, Rev. B. F. Andrew, Maple, and Rev. J. E. Taylor, Beeton, assisted. Taking advantage of the fine weather, Laskay United Church Women held their meeting on the lawn of Mrs. Aubrey Glass, Mrs. Clyde Cairns presided over the gathering of 22 members and eight children. Mrs. Glen Dooks led the worship service, with the topic Praise Ye the Lord For His Beauty. Mrs. Louis Marwood gave the scripture reading and Mrs. Cairns presented the study book, "Outside the Structure". A social period with refreshments concluded the meeting. In addition to working as chairmen of King City Lions Club big car draw and organizing pool captains and scrutineers for election duties, Wilbert Jennings found time to attend the United Church Men's Conference held recently at Elgin House. About 700 representatives were present.

Anniversary
Rev. Malcolm Summers, Westminster Church, Barrie, will speak at 11 a.m. and 7.30 p.m. services June 24, in St. Paul's Presbyterian Church, Nobleton.

There will be no morning service at St. Andrew's Church, King City, enabling the village congregation to join St. Paul's for the latter's fourth anniversary. Mrs. Ewart Patton is general convener of the annual strawberry supper at King City United Church next Tuesday. Carrying on tradition of the women's association, the United Church Women are sponsoring the popular social evening. The social conveners of the four units in the U.C.W. are Mrs. Harold Kirby, Evelyn Jenkinson unit; Mrs. James Flucker, friendship unit; Mrs. Allan Gellatly, May Carson unit; and Mrs. Archie McTaggart, unity unit. An interesting demonstration of butter-making was given by program conveners Mrs. Verdon Gordon and Mrs. Austin Rumble at the June meeting of King City Women's Institute. Mrs. Pearl Wilson and Miss Annie McBride were hostesses at their Clearview Gardens home, when Mrs. Gordon read a paper on the art of making butter and Mrs. Rumble gave an actual demonstration of churning. Mrs. E. J. Munroe presided and Mrs. Howard Neill acted as secretary. An invitation was accepted from Schomberg W.I. to contribute two numbers to the October 11 program. Mrs. Robert Innes reported on the safety council meeting. Mrs. Rumble told of the unsuccessful delegation to York County Council when the branch resolution favoring election, rather than appointment, of high school boards was turned down. Mrs. Norman Wade presented

Camera Club
King Camera Club members were guests at the home of J. D. Hisey, Aurora Sideroad, recently. The host entertained by showing slides of his trip to the West Coast in 1956. The older way of making maple syrup in Northern Ontario was contrasted with modern methods filmed at Amos Baker's bush near Maple. Mr. Hisey showed movies taken at night in New York, Paris, Toledo and Niagara Falls. A pot luck supper is being planned by St. Andrew's Church W.M.S. for the closing meeting June 28, when the C.G.I.T. will be invited. Mrs. Leonard Appleyard, Melrose Ave., opened her home for the making of dressings by 20 members of King City and District Unit Canadian Cancer Society. Campaign Chairman Mrs. E. E. Harrison reported a total of \$2,567.62 was realized from the spring canvass and trend tea, making this the most successful campaign to date. The annual meeting of the unit was announced for June 25 at 8 p.m. in All Saints Church. Yearly reports will be heard and officers elected for the coming year.

Start New Shrine
Several hundred Toronto visitors attended the sod-turning ceremony marking the beginning of a new shrine to Our Lady of Grace at the Maslake retreat of the Augustinian Fathers. When completed, the new \$650,000 church will overlook the monastery and will be known as Our Lady of Grace, the Virgin Mary. Using a golden spade, Rev. A. C. Hartman, of the community, conducted the ground-breaking ritual, assisted by A. G. Simpson, chairman of the fund drive; V. V. DeMarco, general contractor, and John Stuart Cauley architect. When completed in October 1963 the new building will encompass a large Shrine and chapel, complete living and working quarters for the priests, brothers and postulants. Of unusual and striking design, the new church and surrounding grass plaza will provide year-round accommodation for thousands of pilgrims. The new seven-member board of King Township Recreation Committee has been appointed for the remainder of 1962. Forming the original committee to look into the township's recreation needs and possibilities are Gordon Orr, King City; Kenneth Brown, Nobleton; Ronald Elliott, Kettleby; William Breddon, Schomberg; Charles Common, Oak Ridges; and two King Councilors, William Curran and Jack Houbie. **Laskay W.I.**
Miss Margaret Cairns, who recently represented Ontario at the 4-H clubs conference at Washington, described her trip to the Montreal, New York, Ottawa and Central, at the June meeting of the Laskay Women's Institute. She showed pictures, including one of Prime Minister John Diefenbaker presenting her with citizenship papers. Mrs. Norman MacMurphy was hostess at her home at Strange. Miss Marjorie MacMurphy convened the program and spoke on home economics and health. Roll call was answered by naming simple health rules often neglected. Members mentioned not getting enough rest, drinking too much tea and not enough water, and over-eating. Mrs. Frank Buddin outlined the motto. A smile costs nothing but gives much.

District Couple Mark 50th Year
On June 10 Mr. and Mrs. James Farquharson, Lakeland Ave., celebrated their golden wedding anniversary at the home of their son, Kenneth, also of Lakeland Ave. About 200 people visited the couple, who were married in Toronto June 12, 1912. The celebration was held two days earlier to enable friends to visit from out-of-town. Among those calling were Mr. and Mrs. Harry Rouse, Pasadena, California, who were celebrating their 25th wedding anniversary. Congratulatory telegrams were received from the Governor-General, Prime Minister Diefenbaker and Premier John Roberts.

Historical Site Is Scene Of Party
One of the historical sites of Oak Ridges-Lake Wilcox is to be the setting for a garden tea on behalf of the Lake Wilcox branch of the York Central Hospital. This was the original farm of Quentin St. George, a French aristocrat who came to Canada after fleeing the French Revolution late in the 18th century. His wife returned to France two years later and he named the farm Glen Lonely. There is a spring-filled lake on the property, named Lake St. George, which feeds Lake Wilcox. A. Snively bought the farm from the estate of R. H. Davies in 1919, after being advised by a doctor to move to the country. Mr. Snively attended Guelph Agricultural College to learn farming. Mr. and Mrs. Snively moved to Glen Lonely in the spring of 1920 and have lived there ever since. It is situated on a road that has no name running east to west between Con. 2 and 3 in front of Ash's Booth. Situated on the north side of the road, it at one time ran from Con. 2. It was later sold to Ash's when Lake Wilcox became a popular swimming spot.

Need Playground Help To Continue Program
A special meeting was held recently at Lake Wilcox School about the summer recreational playground. K. Seager has looked after it for the last three years but is unable to do it again this year without a committee to help. A grant is supplied by the Whitechurch Council for this purpose. Anyone wishing to help is asked to contact Mr. Seager at PR. 3-5279. There are supervisors for the children with occupations also for each group. There is also a supervised afternoon swimming class in connection with the summer school for both groups.

Lions Club Draw Clears \$1,650 Four Share In Big Prize Money
Instead of waiting for the final ticket to be drawn, deciding a new car or \$2,000 cash to the lucky winner, the last four ticket-holders in King City Lions Club draw agreed to divide the money. Winning \$500 each for their \$10 tickets were Vernon Gordon, King City, who had purchased his ticket from Lion Don Hadwen; Don McMurray, who had purchased his ticket from Lion Joe Houlton; Mrs. Gage Love, who bought her ticket from Lion Clifford Coutts; and a Toronto man, Mike Cullen, who won on a ticket sold by Lion Ted Wallace. Left out in the cold was an Elgin Mills participant, A. March, who could have divided the prize money but his chance to gamble all on his chances of winning the top prize. When the last five tickets were left in the drum, the majority favored dividing the \$2,000 five ways. Mr. March preferred to continue with the draw. His was the next ticket drawn, eliminating him from the competition. With a minimum of salesmanship, the Lions had no difficulty disposing of 450 tickets before the draw night that featured a buffet supper at Gray-

Hold School Banquet June 26 At Oak Ridges
The annual graduation banquet and dance for Grade 8 pupils of Oak Ridges School will be held June 26. The banquet will be for teachers, guests and Grade 8 students only and will be held at the Ridge Inn. After dinner the group will adjourn to the auditorium of the school where they will be joined by parents of graduates and pupils of Grade 7. Convener for the event is Mrs. Irene Blyth, who has looked after this project for nine years now. This annual event is sponsored by the home and school association and the school board.

Youth Wins Trip To World's Fair
Ted Rowe, 13-year-old son of Mr. and Mrs. Gordon Rowe, Oak Ridges, is a real go-getter, and his energy has rewarded him with a trip to the World Fair in Seattle and a visit to the Calgary Stampede. Joining the Globe and Mail carriers in January with only eight subscribers, Ted now has 65 on his early morning delivery. This record was brought to the attention of his employers, and of the total of 20 boys, 10 from Toronto and 10 from the rest of Canada, Ted was chosen from among 3,600 carriers to be rewarded with the trip. A Grade 7 pupil at Oak Ridges Public School, he is looking forward to his holiday. He will board a TCA flight to Winnipeg July 8, then to Calgary and Banff with side trips to Lake Louise and Field. He will visit Vancouver and Victoria before arriving at the World's Fair. The round trip will take about 12 days.

Canonization
The canonization of St. John the Baptist will be celebrated in the United Church of Canada on June 24. The feast day of the saint is celebrated in many churches throughout the world.

CANVAS AWNINGS
keep interiors cool and shady
If you want a cool, comfortable house during hottest summer days, don't depend on inside blinds to keep out sun heat. Inside blinds and draperies reduce the glare... but the heat comes right on through. It takes outside shading—like canvas awnings—to stop those sun rays before they enter your home. By keeping out 75% of the sun heat, canvas awnings reduce room temperatures 8° to 15°... air conditioning works better at less expense. Let us talk over your awning needs without obligation. 90% of all oil company product research in Canada is done by Imperial

At Imperial Oil's laboratories at Sarnia, Ontario, more than 200 scientists and technicians are working to improve present petroleum products—and to develop new ones. Their research covers many fields, from gasolines to household detergents.

Another 130 scientists and technicians are working at Imperial's Calgary laboratories on ways to find and produce more Canadian crude oil and natural gas. Imperial does more research than all other oil companies in Canada combined.
