## Increased Grants Couple Exchange Vows

Help School Area  
(Continued from Page 1)

ical classes at Thornhill Secondary School next year along with almost 900 academic students.

At Bayview Secondary School in Richmond Hill, 225 are expected to register for vocational and 575 in the academic courses. The new vocational wing at Bayview is expected to be ready later this fall.

Nearly 800 pupils are scheduled to enter Richmond Hill High School and 375 at Woodbridge High School this September, an increase of almost 140 for the two schools over last year.

**Big Jump In Year**  
Student enrolment at the secondary school level in the Richmond Hill area has jumped almost 1,000 in a year.

Estimated elementary school enrolment shows 3,600 at six Richmond Hill public schools, including 450 kindergarten pupils, and about 950 at the three separate schools.

In Markham Township Area No. 1 school district, 1,115 are expected to enrol this year. Vaughan Township elementary school population is estimated at about 3,000.

St. Luke's Separate School in Thornhill is counting on close to 200 to start classes this fall. School officials predict that almost 10,950 students will be eligible for the \$20 elementary grant; 2,650 for the \$30 high school academic grant and 325 will qualify for the \$40 per-pupil vocational grant.

Speaking in his capacity as minister of education, the Premier said school boards accepting the grants must reduce the tax rate to home owners and farmers 10 per cent below the rate charged on commercial properties.

It is expected grants to Ontario schools for next year will total more than \$160,000,000. The natural increase in enrolment requires an additional \$10,000,000 a year to maintain the present standard of assistance, the Premier said.

From an enrolment of 600,000 in 1945, Ontario schools have jumped to 1,400,000 this year. This represents an increase of 120 per cent.

Estimates are the school population of the province will be more than 1,800,000 five years from now, or three times the 1945 figure.

Premier Roberts also outlined a new formula to be introduced after March, 1963, in which the province will pay 25 per cent of the cost of constructing vocational training facilities.

At present the federal government is paying 75 per cent of these costs. After March, 1963, the federal government will pay only 50 per cent.

A wedding of interest to the Woodbridge district took place in Pembroke when Rev. W. C. Nicholson officiated at the marriage on June 9, at 3 o'clock of his daughter, Miss Helen Gray Nicholson, and Mr. James Donald Agnew, son of Mr. and Mrs. C. J. Agnew of Edgely, RR 2, Weston.

The Very Rev. Dr. C. Ritchie Bell of the Presbyterian College, Montreal, assisted at the ceremony in the First Presbyterian Church, which was decorated with baskets of white gladioli.

Mrs. Thomas Blake of Pembroke played the wedding music and Miss Fay Fraser sang the Lord's Prayer and Crimond.

The bride was escorted to the altar by her uncle, Mr. Roy MacDonald of Hopeville, N.S., and was given in marriage by her father.

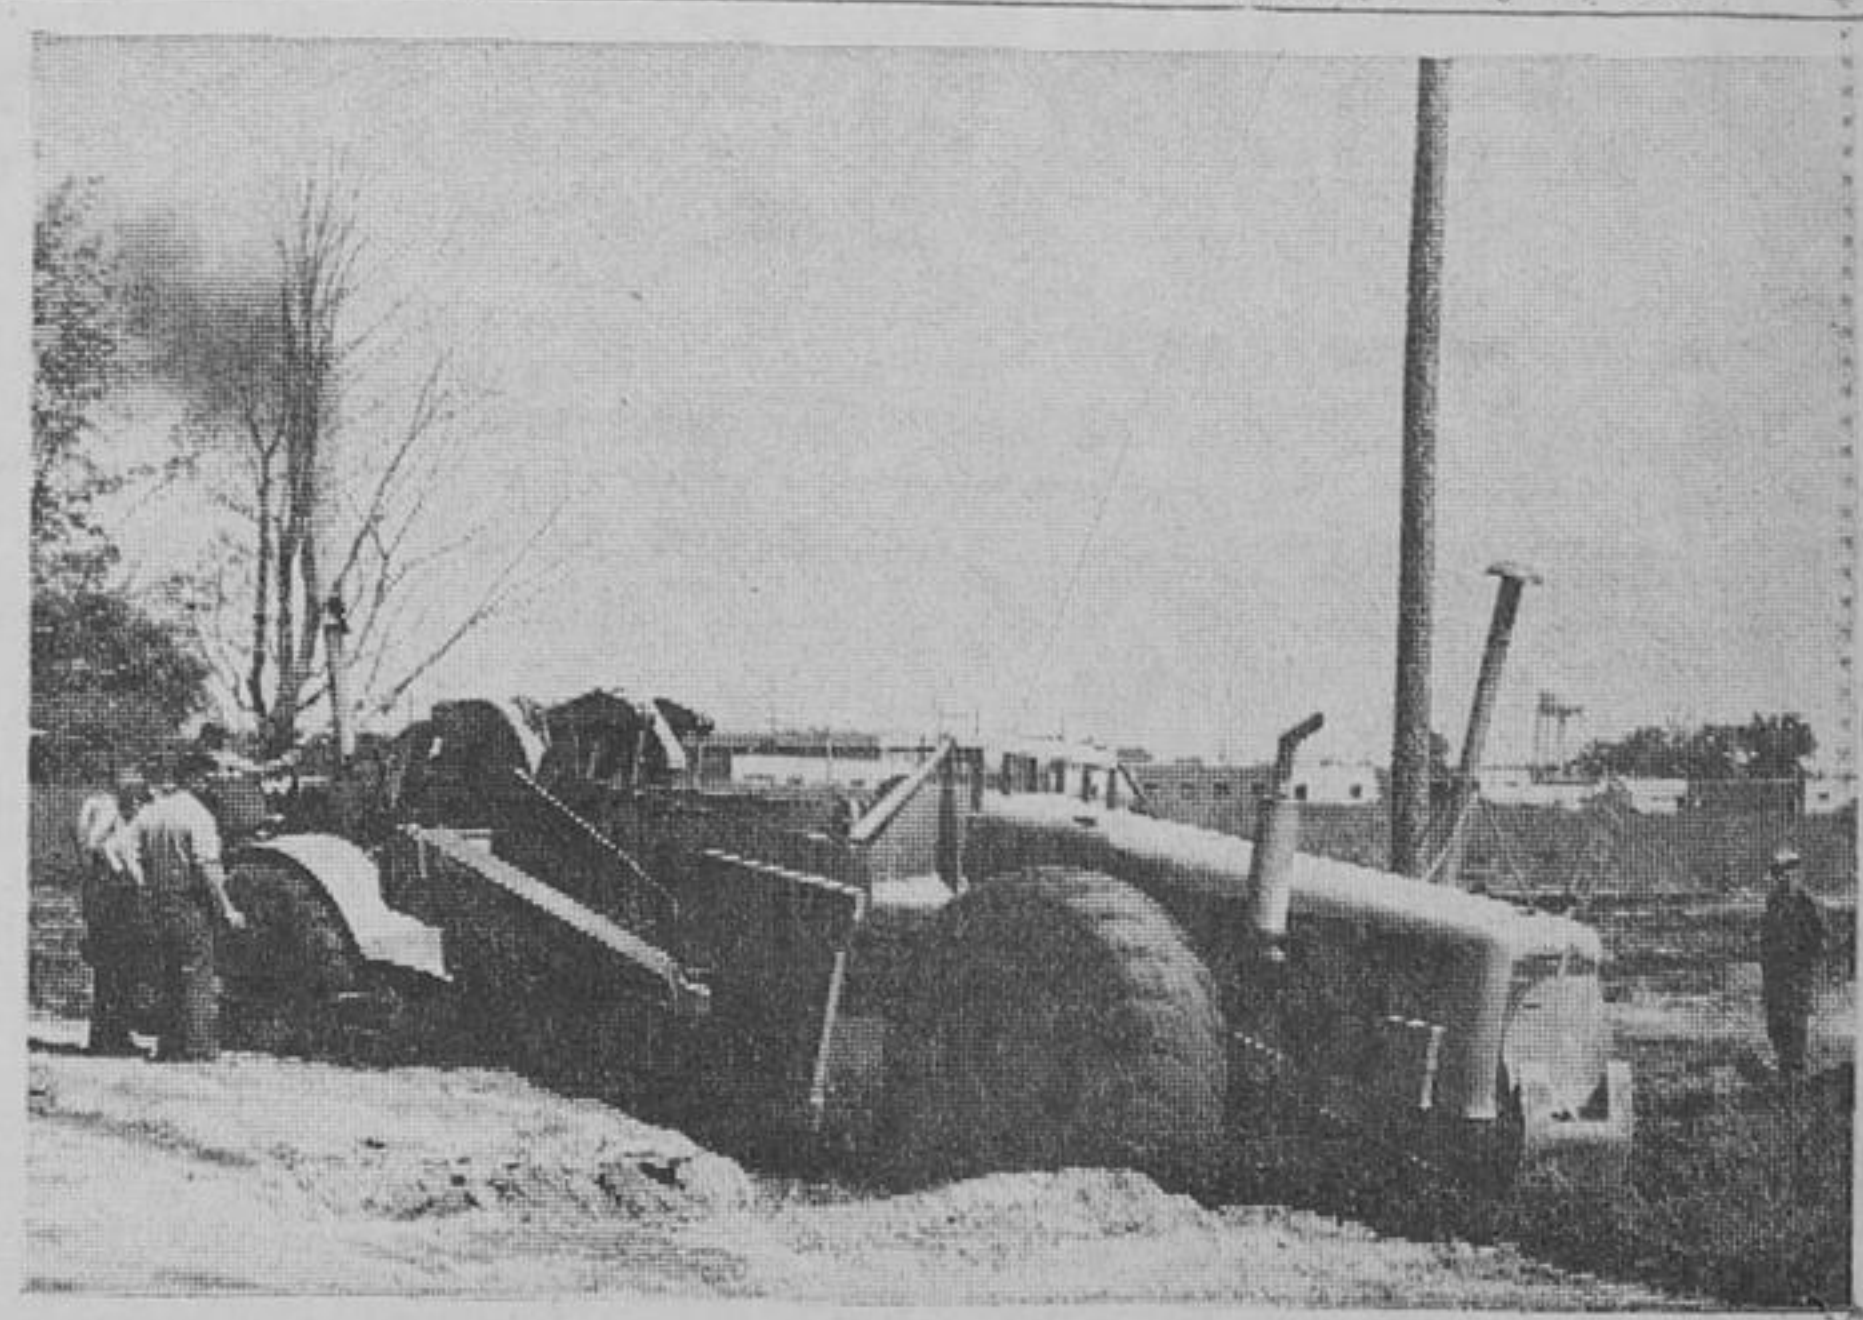

For her wedding she chose a gown of off-white peau de soie with a rounded neckline, fitted bodice and long lily-point sleeves. The straight skirt fell in soft fullness from four wide pleats and a white lace shoulder cape designed with two wide floor-length panels extended into a chapel train. Her shoulder-length nylon tulle veil was

MR. and MRS. JAMES D. AGNEW

held with a tiara headress of pearls and rhinestones. She carried a cascade bouquet of American Beauty roses and a heirloom handkerchief that had been carried by her great-aunt on her wedding day over 50 years ago.

Miss Patricia Lemoine of Winnipeg attended as maid of honor. Miss Gail Cooper of Toronto as bridesmaid, and the bride's cousins, Misses Lorna and Ellen MacDonald of Hope-

### Graders At Work

Elgin Mills Sideroad from Yonge Street, east to the CNR tracks, is presently being rebuilt by Markham Township. The 2,100 feet of roadway will be paved according to Township Engineer D. Mikelas. Shown above is one of the two graders working on the job. Work should be completed in six weeks, according to Mr. Mikelas. (Photo by Lagerquist)

### Coming Events

EVERY FRIDAY NIGHT — Euchre, Legion Hall, Carrville Road West, 8.15 p.m. tfe39

BINGO every Wednesday evening at 7.45 p.m. at the Canadian Legion Branch 375, Carrville Road. tfe48

July 5, Thursday, 8 p.m., Lions Community Hall, Richmond Hill Horticultural Society Annual Delphinium Show. Demonstration of arrangements featuring roses by Mrs. H. C. Doherty. No admission charge. Everyone Welcome. ciw1

July 6, Friday, Ice Cream social and Dance, sponsored by Vellone Junior Farmers, Vellone Hall, 8.30 p.m. Dancing to Fergie's Ramblers. ciw1

July 8th to 22nd, Pike's Peak Tent Meeting, located on 5th Concession of Whitechurch, 2 miles north of the Gormley-Stouffville Road. Evangelists, Rev. Mansel McGuire, Rev. A. W. Rees. In the Manse, the Paul Mullen family. Everyone welcome. C. E. Hunking, Pastor. c2w1

MARKHAM—A former teacher at Markham Public School, Mrs. Lois Weir died at Penetang Hospital June 25, following a stroke.

## Expect Little Increase In Student Population

As the 1961-62 school year ended last week, area public school officials looked for the 1962-63 as a year of consolidation of gains.

Gordon McIntyre, superintendent of Richmond Hill public schools commented: "This could be the year in which our facilities catch up with our enrolment."

No substantial increase is expected in the area school enrolment with the exception of Township School Area No. 1 in Markham Township. E. J. Sand secretary of the area school board, forecast a substantial increase from last year's count of 1,115 as new homes in the area are filled.

In Vaughan Township, Superintendent of Schools J. E. Gibson expected the enrolment to remain at about 3,000.

Mr. McIntyre expected public school enrolment in Richmond Hill to rise slightly from 3,450 to about 3,600.

Richmond Hill's separate schools look for an increase from 875 to about 955. St. Luke's Separate School in Thornhill expects the figure to increase only slightly from its present 187.

While the student population is remaining constant, building expansion continues. In Richmond Hill, nine new rooms will be ready at Crosby Heights by next fall. The five portables which had been in use at Crosby will be put into use at other town schools.

Mr. McIntyre, who thinks that the town's school population is near its peak, wants the board to keep using the portables to remain flexible.

In TSA One, Markham, a school to serve the new Bayview Acres subdivision should be ready for next fall. It will have

six classrooms, a kindergarten and an auditorium. Bayview Acres is located east of Bayview and north of Steeles Avenue.

Vaughan is closing Purpleville Public School. Students will be transported to Kleinburg.

The size of the graduating classes of area schools points up strongly how fast the school age population is increasing. In TSA No. 1, only 90 of the 1,115 students will graduate.

MARKHAM—A. P. Graham, who was clerk-treasurer for the village of Markham from 1916 to 1961, died after a brief illness June 27.

FOR ALL YOUR HOME IMPROVEMENT NEEDS

THE DOOR MAKES THE DIFFERENCE

## The easy-going Berry Suburban

INSTALL IT YOURSELF!

8' X 7'

\$56.00

Here's the easy door to open. Just a nudge sends it up, over and out of the way. It's the easy door to install, too. You can do it yourself in about an hour's time. And because it's Paintlok steel, this Berry Suburban won't shrink, peel, crack or rust. It's guaranteed for five full years. So stop struggling with your old garage door and modernize now with Berry. Call us today.

Turn the Suburban into a distinctive custom model with CUSTRIM MOLDING.

### The Summer Market

In the six weeks ending June 30, dealers take in more used cars as trades on new car sales than in any other six weeks in the year. This volume means that used car buyers purchasing in this abundantly supplied market can choose from a much greater variety of models, often at reduced prices.

The car business is like any other when it comes to the cost of maintaining a large inventory of products, in this case used cars. It is very much to the dealer's interest to keep his supply to an economical minimum so as to reduce his daily overhead.

This is especially so this year when auto sales are nearing their all-time top record of 1955. Recent industry statistical reports show sales in April reached their highest point in 6 1/2 years with market forecasts for early Summer of "growing strength" according to Ward's Automotive Reports.

Dodge Ontario believes that thoroughly reconditioned used cars sold with reliable guarantees are both easier to sell and build repeat business for a dealership. As a matter of fact, it is the used car operation that spells success or failure to most dealers in our business today. Certainly a dealer would have a difficult time succeeding handicapped by a poor used car operation.

It is for this reason that we take pride in our used cars. Time and effort and money spent on conditioning them is returned in many ways, but most especially in customers who come back to buy their next car and who often bring others.
