SPORT SPOTS

(Continued from page 9) would be improper even in a penitentiary. But they play it real cool. The umpire is always INSIDE the screen, our heroes are OUTSIDE. Just before the game ends they suddenly remember an urgent appointment elsewhere, they never do see the last inning. They really aren't worried that they might find themselves on the same side of the screen as their target of abuse. Not much they're not worried!!!

If these umpires didn't really love the game of softball then they would never work a game. There just isn't any other reason because the fee wouldn't keep them in matches — never mind cigarettes. Most umpires were better than average players in their time of playing. That's what makes it seem really rough — taking abuse from comparative know-nothings. Amen to that and we've argued with the odd umpire in our time. This time we're on the side of the man in blue and hope that he gets a better shake in the local ball parks. They all deserve it.

— SPORT SPOTS — The chairman of the Richmond Hill Parks Board has been getting estimates on a change house and washroom facilities for the town park. At the recent Sports Day Parade a visiting ladies' softball team had no proper place to change and no washroom facilities existed for the large crowd of spectators. Change houses have been promised for the past five years. By the grapevine we gather that the waiting period is almost over. This coming football season it is quite possible that Richmond Hill teams and visiting teams will have a place to change and shower. And spectators will be able to enjoy games in comfort.

Kent Clothes Lose 8-4 But Show Improvement

Kent Clothes lost an 8-4 game to Markham in Richmond Hill on Tuesday last week. Despite the loss the Clothiers showed a great deal of improvement in almost all departments as the junior age players seem to be gaining confidence. Latest acquisition for the club is the service of Doug "Red" Bower for catching duties. After an absence of nearly two years from the local ball scene, Bower proved that he is still a very capable receiver and will add strength to the team. This game was never completed as the 11 o'clock curfew had to be invoked prior to the conclusion of the ninth inning. Umpires Gabby La Pointe and Chick Atwood let the game get away from them.

Norm Roberts vs Tops

Dynes Drops N. Yk. Merchants 4-2

Dynes Jewellers defeated North York Merchants 4-2 in Richmond Hill Thursday night of last week. The teams were evenly matched with each pitcher being tagged for six hits but the Jewellers were able to bunch their hits to account for four runs. Norm Roberts pitched a brilliant game for the Jewellers as he gave up six hits and one walk. He struck out eighteen batters in one of his best pitching performances of the current season.

Merch hurler Merv Hughes was tagged for six hits, issued one base on balls and came up with five strike outs. Each team committed two errors. Dynes picked up two fast runs in the first inning. "Skip" De Geer drew a walk, Norm Roberts was on base on an error to first baseman Don Bradley and both runners were cashed on a single by Moe Williamson. A single by Jeweller catcher "Punch" Williams and a sharp double by Stan Thainington added another run to Dynes total in the second inning. Glen McPherson notched a run for the Merchants in the sixth inning with a home run blast to right centre field. Chico Fernandez singled in the Jeweller half of the sixth and was driven home on a single base blow by Bill Robson. Right fielder Ken Lombkin scored the Merchants final run in the seventh inning. A double by Lombkin was turned into a run as catcher Bernie Koster was safe on an infield miscue.

Heather Castle Pitches One Hitter As Mic Mac Defeat Maple Twice

Ron McAndrews' juvenile Mic Macs took the measure of the Maple team twice last week. On Tuesday night they squeaked out a 9-8 win in Richmond Hill and followed with a 7-5 triumph in Maple on Thursday. Heather Castle pitched one hit ball in Maple as the Mic Macs edged Maple 7-5. She got tremendous support from the whole team as they fought hard to retain her one hitter. Delores La Rose contributed a home run to the Mic Mac cause. These girls are playing softball as it was meant to be played. It is a real team effort with everyone contributing to the end result. When the P.W.S.U. Playdowns roll around, Mr. McAndrews should have a real contender to throw against any and all opposition. The Mic Macs are something of an oddity in the softball world. Mr. McAndrews is coach and sponsor. During the course of the season he drives hundreds of miles in his station wagon to ferry his team to games and absorbs all bills from his own pocket. Most teams are town or commercially sponsored this is the only team we know of that is run entirely by a private citizen. And, gratifyingly enough, they're a darn good softball club!!!

OMB Defers Rate Ruling On Markham Water Area

J. A. Kennedy, chairman of Ontario Municipal Board, made no ruling at the conclusion of the Water Hearing held in the Markham Township Municipal Building last Saturday. Instead, he deferred judgment until township officials and Frank Campbell of the OWRC had time to figure out possible solutions of his new proposal. By using deferred payment, raising the minimum rate and charging 35 cents per foot frontage on new installations, Mr. Kennedy believes the two per cent mill rate over the whole water area in the township can be preserved. Prospects of 300 new homes in the Bayview Glen area, and new industry in the Don Mills Road section make this practical, he stated.

A proposal by Mr. Kennedy at a meeting June 25 that the suggested mill rate over the entire water area be lowered from seven per cent, as suggested by the township, to two per cent, and that the difference in revenue be made up in increased per foot frontage rates and higher water rates for present consumers, met strong objection from members of the Grandview Estates Ratepayers Association. Objection by ratepayers of Don Mills and Highway 7 to the township's original proposed levy 25.45 cents per foot frontage charge and seven mills on the water area, plus water consumption over an extended portion of the south-west sector of the township (including the Don Mills Road area to North Buttonville) sparked the first hearing. Stating objections to the proposed increase in water rates for their area were Dr. Phillips, president of the Grandview Estates Ratepayers, G. R. Greer and A. Stevens. They contended they had not asked for a new water supply; (two North York wells are to be purchased under the new agreement) that existing water supplies are sufficient for their needs; and with the new water tower on Bayview Avenue (where the water rate for chiefly by lot fees in their area) there will be enough pressure. The spokesman said they should not be burdened with costs of the North York wells when these will be acquired to extend service. Resist Higher Rates Dr. Phillips said they were convinced there is plenty of water. "We don't want the acquisition of North York wells, but we won't stand in the way of those who do." He continued, "Assessments are low and land values are low in the township. We would pay a seven per cent mill rate, but we must resist any move to increase the water rate from 75 cents to \$1.25." "Water will increase the values of areas to be served, and we believe the cost should be carried in the mill rate. We feel we should not be asked to

Al Klinck Winner Rose Tournament

The rink of Al Klinck of Agincourt captured the Savage Trophy at the annual Rose Tournament held at the local bowling greens on Dominion Day. All the ladies attending the tournament received a dozen lovely roses courtesy of H. J. Mills Ltd. Misses with three wins was Walter Edwards of Brampton, and third with three wins was Harold Burwash of Agincourt. High with two wins was Aubrey Pope of Port Credit. The only local rink to score a win was the rink of James Grainger, Jessie Yerex and Ross Casement. The Grainger rink was high single.

Orange Home Soccer Team Toronto Champs

The Orange Home Soccer team—just a year old—won the Toronto and District Atom Soccer League Championship by defeating Dumbarton 1-0 Saturday. Coached by Ron Cooper the Orange Home lads have taken to soccer like ducks to water and have come up with a championship in their first serious year of competition. Hero of the piece was Danny Odette. It was the same Mr. Odette who banged in the overtime goal in the semifinal series for the 1-0 win that moved them into the final. The trophy, emblematic of the championship was presented to the team by Mr. John Mahon, president of the Protestant Youth Council. Congratulations to the team and to Ron Cooper.

Basement Fire Loss Estimated At \$2,600

A fire in the basement of a Richmond Hill home June 26 resulted in \$2,600 damage. The fire took place under the basement stairs at the home of E. Wasilik, 257 Demaine Cres. In addition to the damage to the basement there was extensive smoke damage upstairs.
