work on the trailer would have

been dull.

Anyway, all this culminated in their leaving Friday afternoon for a trailer camp at Lake Simcoe. And they really deserve that vacation.

Recently a small field mouse found its way into the basement at the home of Mr. and Mrs. Ed Harvey on 16th Avenue, much to the delight of young Bobby.

With continued efforts and practice Bobby soon had this mouse tame enough to feed him. But one day the mouse must not have been in a good mood because he bit the boy. There wasn't much attention paid to this event until Bobby discovered his pet dead by the time the next feed came around.

Mr. and Mrs. Harvey then decided Bobby should see a doctor. So while the mouse was sent away for rabies examination, Bobby suffered through a series of rabies shots.

Anyway, all's well that ends well. The mouse was given a clean bill of health and so was Bobby, complete with rabies inoculation.

tion.

Mr. and Mrs. Gerard, 16th Avenue, have been combining business with pleasure during a 10-day visit to Montreal and Quebec City.

Mr. and Mrs. Badger recently purchased the home formerly occupied by Mr. and Mrs. Vanderbeer on 16th Avenue.

Residents of 16th Avenue, especially those suffering from hay fever, were happy to see the weeds cut on the field on the north side of the street recently.

Dies In Fall

The sympathy of the community is extended to Mr. and Mrs. D. McCoy, 16th Avenue, on the sudden death this week-end of Mrs. McCoy's brother, C. H. Murdoch of Kitchener, at the age of 56.

Mr. Murdoch was working on the roof of his brother's house at Larder Lake when he fell and was instantly killed.

As yet it has not been determined whether or not Mr. Murdoch suffered a heart attack. He is survived by his wife and three children, all of Kitchener.

Mrs. R. Aston, Church St., is making good progress in the Branson Hospital following surgery.

Mr. and Mrs. Howard Charles and family, have returned home following a three week vacation in Texas.

Ruth Lepkey is visiting relatives in Mount Dennis.

Three years ago, two men with an eye to the future commenced work on a tent trailer. These men, Ralph Curtis and Robert Suter, worked at intervals on the project. This summer Mr.

Suter purchased property to build a summer cottage, so Mr. Curtis took over full ownership of the trailer. From then on it's been a constant hive of activity at the Curtis home, getting it completed in time for their vacation.

Mr. Curtis had a great help-mate in his wife, who worked alongside him laying linoleum and making the tent top and curtains. His father, George Curtis, also helped, and last but not least, young Gary, age two and a half without whose help
