Ask Council To Purchase Park Agreement

(Continued From Page 1)

of the municipality, the society under its present agreement has the right to use it at any time for its activities.

It also helped in financing the original skating rink and the present arena. And when the park was enlarged several years ago it purchased the land fronting on Pugsley Avenue and decided it to the town.

Mr. Middleton told council that attendance had fallen in recent years and that the society was fortunate to break even in 1962. The gate was down 25 per cent this year over last, he said.

"We were rained out two years and lost money two years. It is only the midway that keeps us going," he told the meeting.

A story of dwindling concession revenues was also recited by the ex-councillor, who said that only \$300 was realized this year compared to a high of \$1,100 at past events.

Mayor James Haggart said he was not aware of the difficulties encountered by the society and said it would be "a shame" if no further fairs were held in Richmond Hill.

Lots of thought must be given to this and no stone left unturned in an effort to find a solution. We must bend every effort to keep this annual event in town," Mr. Haggart said.

Asked by Councillor Alex Campbell for his opinion for the drop in popularity, Mr. Middleton said the cattle exhibits and dairy show does not hold the same interest to town residents that they once did.

"We have tried to get new things going, to promote lagging attendance but have met with little success."

Reeve F. R. Perkins, who is also a director of the society, said he did not want to see the fair leave Richmond Hill and suggested that some solution could be worked out once all the details were known.

Councillor John MacDiarmid asked Mr. Middleton if the society was open to negotiations in an attempt to carry on with the fair.

Take Over Charter
 "The society agreed at a recent meeting to ask the town to buy out its interest in the park. There is nothing else I can tell you at this time," Mr. Middleton replied.

A suggestion by Councillor Al White that school children be allowed in free to help attendance was dismissed as impractical by the society representative.

Mr. Middleton said that at one time no admission was charged.

ged children but that in recent years it was set at 15 cents and later raised to a quarter.

Mr. White was of the opinion that if children were admitted free they would have more money to spend at the concession stands.

Ex-Reeve Percy Hill also spoke briefly to the meeting and asked why the society was assessed a \$50 licence fee this year for the first time.

Increase Grant
 It was explained by Mr. Haggart that a new licensing by-law now in effect made no distinction between the society and other organizations. He suggested that the society ask for an increase of \$50 in their annual grant to cover the expenditure.

Council approved the 1962 grant for \$250 at the conclusion of the discussion.

No date has been set for the emergency meeting between the various bodies concerned.

Diane Fierheller Reaches Semi-Finals

Diane Fierheller of Edgeley was the winner at the Dairy Princess milking contest at the Canadian National Exhibition on Monday.

Diane was one of five girls on Monday's team who are among 41 county contestants competing for the 1962 Ontario Dairy Princess title. The semi-finals will take place in the main wing of the Coliseum on August 28 and 29, with final judging on August 30.

The winner of this seventh annual competition will receive an all-expense trip to the United Kingdom via Pan-American Airways also a calf, courtesy of Diversy Corporation (Canada) Ltd.

The contestants are rated on a basis of 40 points for poise, appearance and deportment, 15 for assembling the milking machine and actual milking, and 15 for cleaning and sanitizing the equipment. The girls are rated on another 10 points for efficiency and 10 for completeness of milking.

The girls are also required to give a short talk of two minutes on her county or district. Judges of this year's competition are Professor F. W. Hamilton of the Ontario Federal College, Thomas Dickson, Milk Procurement Co-ordinator of the Borden Company Ltd., and George Drenno of the Holstein-Friesian Association of Canada.

Approve Services For Plaza Site On Steeles Ave.

A proposed shopping centre on Steeles Avenue has overcome its first obstacle. At Monday's Vaughan Township council meeting, a recommendation by the waterworks committee that water be made available to the development was accepted.

The shopping centre will consist of 16 stores and a supermarket. Builder A. Minghella told "The Liberal" that he envisioned no difficulty in obtaining a building permit and starting construction in the immediate future.

Water for the centre will come from the Crestwood Road well. There would be limited quantities only for fire protection.

Announce Closing Of Simpson - Sear's Here

The downtown area of Richmond Hill will lose another business to progress Saturday.

Reject County Plan

(Continued From Page 1)

Towns now receive 50 per cent grants on roads while cities get only 33%, the mayor said. Both Mr. Perkins and Mr. Broadhurst were criticized by Councillor Campbell for not voting together on the welfare issue. He said that delegates should express the wishes of council, not their own personal opinions, when voting on questions at the county level.

"One vote cancels out the other and eventually will lead to a breakdown of the county system of government," he stated.

Vaughan Township will endeavour to remain independent of any county welfare system that may be set up in the future.

Council Monday night approved a recommendation from the welfare committee to that effect. The committee recommended that the Minister of Public Welfare be informed that the township wished to be excluded from any county welfare unit.

Reeve A. H. Rutherford and Deputy-reeve Jesse Bryson voted against the motion which would delegate county officials to meet with representatives of the Department of Public Welfare to discuss the setting up of such a county plan at the Aug. 8 meeting.

Reeve Rutherford contends that the county has gone too far without knowing enough about cost.

"In any case, York County is much too large an area to be given the kind of attention welfare deserves by a central welfare office," Mr. Rutherford told "The Liberal".

Figures released in another section of the welfare committee's report showed that the hiring of a full-time welfare officer by the township had cut down expenditures considerably.

The amount of assistance granted during July of this year is down to \$2,061.86 from last year's figures of \$3,049.12.

Mr. Rutherford said hiring of the welfare officer had cut down assistance by \$1,000 a month.
