SPORT SPOTS

BY RON CRAINE

That hurricane-like noise you heard at the beginning of this week had absolutely nothing at all to do with the weather.

High schools are busily gearing up for the coming football season and already the odd stalwart has wandered home wearing a nifty shiner.

At one time a high school football game was a big, big event. If the game was played on your home grounds, then everyone turned out to yell themselves hoarse for the good old team.

The day of a game all the school seemed to have a carnival air. Everyone, except the teacher coaching the football team, was in high good humour.

High school football coaches and players now complain about the general apathy and lack of fan support. Their cry is that most of the students don't seem to care much one way or the other and think the whole operation is a lot of bushwah.

Sure there are a great many other demands being made on the time of the student body. A lot of them have jobs after school. If they didn't they wouldn't be able to keep up the payments on the car they're driving.

But, look at it how you will, it's a real pity that the kids are so dashed blasé about everything. It is also true that you never miss what you never had, so naturally enough they don't realize just how much fun a school with a real all for one and one for all spirit can be.

Some schools seem to do better at it than others and the kids do make an effort. Maybe this year a lot of others will get the urge to attend and support not only football but other school activities as well.

SPORTS SPOTS

LARRY GUIO

Here you see a smiling young gentleman named Larry Guio. The Genial Mr. Guio toiled long and faithfully as a pitcher for Kent Clothes' junior softball team this year.

In a sudden death game against Newmarket, to decide just which club would grab the fourth and last playoff spot in the York-Simcoe softball league, Larry Guio came up with a no-hit no-run ball game as Newmarket went down to a 4-0 defeat.

batters faced the wily Guio and he missed a perfect game by giving up one lone walk.

He has been a real work horse for the club this year and hasn't missed a game. It's been interesting throughout to season to watch his pitching repertoire improve. With another couple of seasons behind him this fellow could round out into one of the finest pitchers in this area.

Oh yes! The team did lose out in the semi-final playoff round to Markham. It doesn't seem to matter too much now. What does stick out is the memory of that no-hit game and a great pitching performance by a fine young athlete.

SPORTS SPOTS

Ever going looking at new houses on a week-end? This seems to be a popular sport with a lot of people these days. Women claim that it gives them ideas about how to fix up their own homes.

Not too long ago we were conned into going along on one of these week-end junkets into the wilds of Real-Estateville. The area where these houses were looked more like the midway of the Exhibition than a place to live.

The deal was that if you signed up for one of these houses right then and there you got about \$2,000.00 in FREE GIFTS. There were power mowers, dishes, silverware, washing machines, electric blankets, egg cookers and you name it.

A genial, smiling salesman showed us this pile of loot and remarked as how this was a real deal. He seemed to be fondling one of those his and her blankets. You could easily see that he liked it.

Now we've been leery of electric blankets for a long time. Ever since great uncle Charlie took part in an interesting but fatal electrical experiment at some place with the unlikely name of Sing-Sing. It appears that good old Uncle Chas. was a really good electrical conductor. Naturally enough we demurred on the blanket.

Defeat Ghosts 15-0

Indians Win Opener

(By Ron Craine)

The Richmond Hill Indians opened the football season at Keele Park last Saturday by trampling the Northwestern Ghosts under a 15-0 whitewashing.

This marked the first time in many years that a powerful Ghost team has ever been defeated in an opening game. Last year the Indians played to a 19-all draw with the same club after having led through most of the game.

Early in the first quarter, Ian McIntosh, now converted from quarterback to full back, kicked for a single point. A charging Indian team dropped the Ghost receiver behind the goal line to

line. Offensive linemen had opened a big hole and McIntosh scampered through into the open. He picked up blockers as he went and was shaken loose to go 50 yards for the score.

Every member of the team was putting out a great performance. Bob "Irish" McDonald was a ball of fire as he went both ways on offense and defense.

With five minutes remaining in the fourth quarter McIntosh kicked deep into the Ghost end zone and Ghost receivers elected to concede the point.

Coach Del Madeley was more than pleased with the performance of his club and feels that they can only improve. The only casualty suffered by the Indians

Win First Game Of Year

A fast hard-hitting game all the way this action was caught by "The Liberal" photographer as the Richmond Hill Indians routed the Northwestern Ghosts 15-0 at Keele Park in York Township last Saturday.

Dynes Drop Semi-Final Opener

Dynes Jewellers seem to have lost their way on the victory trail as they dropped their fourth decision in a row to Electro-sonic on Thursday of last week.

Only 10 Players The Jewellers were lamentably short staffed for the game, with only 10 players on hand.

Coach Russ Cripps was holidaying in Timmins and Gary Smith was left in charge of the team. He had more than his fair share of problems.

Smith elected to start Bob Attwell on the mound. This was definitely not "Rapid" Robert's night as he gave up 5 walks in two innings and was tagged for a single and a grand slam home run.

Kent Clothes Lose Exhibition Game 2-0

Coach Joe Cornack arranged an exhibition game against Blake's Variety from the Regent Park area of Metro Toronto on Tuesday of last week.

This was one game that pitcher Larry Guio of the Clothiers badly wanted to win. Before moving to Richmond Hill Guio lived in the Regent Park area and had played both with and against many members of the Blake team.

Lou Koblinsky was walked by Attwell in the first inning and he was scored on a single by Al Langer. The only bright spot in the bottom of the first inning for the Jewellers was a single by "Chico" Fernandez.

Electro-sonic shortstop George Rentsis was walked to open the second inning. Murray Silver and Lou Koblinsky got on the track on back-to-back errors in the Jeweller infield with Rentsis scoring on the miscues.

Darkness Halts Game In Sixth

Lake Wilcox Wildcats were doing well in the first game of their series against Keswick last week. The score in the sixth inning was 15-3 for the Wildcats when the game was called on account of darkness.

Trudlers In Action At Lake This Week

Well, I guess bowling season is back again, so get out your shoes and get in the swing. All leagues from the Lake Wilcox district are starting this week.

Table with columns: Team, P, W, L, T, GF, GA, Pts. Rows include Roma, Maple, Barrie, Aurora "A", Newmarket, Midland, Etobicoke, Aurora "B".

Lions Win Championship By 21-17

The Lions were roaring on the evening of August 23rd as they defeated the Tigercubs 21-17 in the third game of a best two out of three final series to win the Maple Lions Softball League championship.

After winning the first game and dropping the second, the Lions had to be at their very best to upset a determined Tigercub team, who managed to take the lead on a couple of occasions during the night.

The Tigercubs who finished an easy first in the league standings followed by the Lions, Wildcats and Buds, missed the services of hurler Grant Rose and David Martin who very capably covers first base, both players who can hit that long ball.

This coming Saturday at 2:00 p.m. the Indians open the season at the town park as they host the Rexdale Club. The Indians have served notice that they mean business this year and their impressive win over Northwestern bears out their intention.

If you like wide open, hard hitting football take a look this Saturday at 2 p.m. You'll like what you see.

is due only to the excellent cooperation of the players, coaches and the faithful fans who supported this Lions' project.

The members of the Lions' team, the league champions, are as follows: Stephen Morris, Teddy Gray, Bruce Prentice, Bruce Palmer and John Thurston, Bobby Baker, Gary Keffer, Billy Watson, Ronald Crook, Werner Matysek, Gregory Elkins and John Weir, Reg. Thacker and Gary Palmer were the tireless coaches.

Roma Stars Win Again

Richmond Hill Roma retained top position in the Newmarket Soccer League last Saturday with a 3-0 victory over Barrie City. The Barrie club, successful in recent games against Aurora and Newmarket, met their match in this game.

The ball game is over, the Lions are league champions and a very successful 1962 season comes to a close. The success

Mic Macs Lose In Playoff By 15-2

Ron McAndrews and his juvenile Mic Mac softball team have found the P.W.S.U. Championship trail to be a hard, tough road. They lost two games in a row to Barrie to be ousted from the juvenile A playdowns and then entered the B series against Fairport Beach.

Whether or not the Mic Macs figured to have an easy time with the Pickering district team, they definitely didn't. By the time the smoke and carnage had cleared away on Wednesday of last week the Mic Macs had absorbed a 15-2 pounding at the hands of the softball classes of Fairport Beach.

Now the chips are down for keeps with the local girls having one more try to redeem their softball futures. The Mic Macs made an enviable reputation for themselves on the local scene and we only hope that this has not coloured their thinking in the P.W.S.U. Playdowns. Only time and one more game will tell.

Imperial is pleased to announce the appointment of DOUG CHALMERS MAPLE, PHONE AL. 7-1551 as your Imperial Esso Agent for MAPLE, RICHMOND HILL, KING CITY, KLEINBERG & DISTRICT. Includes Esso logo and illustration of a service station.
