Ron McAndrews, sponsor of the juvenile Mic Mac girls' softball team and Coaches Tom Craig and Joe Boyer enjoyed some hectic moments during the softball season. Now it's all over for this year. A team from Fairport Beach eliminated the Mic Macs from the P.W.S.U. playdowns and ended local title hopes for this year.

The kids gave it a real try but went down to defeat to a team that was worthy of the win. There's no disgrace in losing if you know that you've really tried — and they definitely did try.

To everyone who supported them, to parents of players, softball fans who turned out to the games, and to the players themselves, Messrs. McAndrews, Craig and Boyer say a heartfelt "Thanks a lot."

If you should be in the vicinity of the town park in Richmond Hill on September 15th — stop by and see the action. This will be the wind-up of the final series in the Richmond Hill Minor Ball Association and players will be out to do or die. Champions will be crowned and championship trophies handed out as the season ends in a blaze of glory.

President Jim Stevens of the R.H.M.B.A. and all members of his hard-working executive, coaches and umpiring staff deserve high praise. This was the best year yet in the five year history of minor softball in Richmond Hill. More boys and girls played this year than ever before and it all seemed to run like clockwork. But it was all illusion. Behind that clockwork effect were some devoted and hard-working people who gave unstintingly of time and effort to give the small fry a real organization. They deserve a big hand from everyone and one thing they can be sure of — the kids appreciated it and that's what really counts!

By this time high schools have been in session for a week and a half. Maybe the books haven't been bent too much yet but some hardy young football aspirants are already wearing the scars of battle. Bruised muscles, black eyes and charlie-horses have come into many an area home, borne there by eager young athletes.

This year the traditional rivalry between Thornhill and Richmond Hill will be somewhat overshadowed by the rivalry between Richmond Hill and Bayview. This is the year that Bayview moves up into the big time by virtue of becoming an "A" school. They'll be competing against Thornhill and Richmond Hill and they want to win so badly they can taste it.

By the same token Richmond Hill wants to beat Bayview just as badly. When the two schools meet the teams should play some really interesting football. They'll be well worth anyone's time to go take a look-see.

And how about those Richmond Hill Indians? They started off with a rush by winning their opener 15-0 against the league champion Northwestern Ghosts. It took a heads-up football performance by a game crew to do it.

If you like football, and at this time of the year most people do, come on along and watch the Indians in action. Coach Del Madeley has come up with an interesting and diversified attack coupled with a tenacious defence. Makes for interesting football and you'll probably yell yourself hoarse at the rapid action. What else do you do at football games?

The weather may have cooled down a bit and the Richmond Hill Hockey Association is preparing for another busy season, but the swimming pool issue is still very much alive. It begins to look as if the majority of the committee favours an indoor pool for year round use. Maybe you agree and maybe not but that's the way things stand at the moment.

Howard Whillans, former Richmond Hill councillor is chairman of the ways and means committee (they're the ones who have to raise the money). Howard believes in the necessity of a pool and if anyone can come up with a way and a means then this is the man. He'll get full support from all other committees involved and it is hoped that when the time comes to raise the means he has the complete support of everyone in the area. Otherwise no pool and we sorely need it. Be it indoor, outdoor or no door at all we've got to have a pool!

Minor Ball Season Ends Saturday

Next Saturday looms as a real big day for the youth of Richmond Hill as they compete to declare champions in all divisions of the Minor Ball Association.

Backward look reveals that the ball year was generally a success, with a minimum of defaulted games to mar the final results, keeping the standings close and exciting all through the year.

Credit for this year must be spread out to many people—the President and his Executive, the Umpire-in-Chief and his crew, the coaches and assistants, the players and the parents who lent their support at most games.

This wind-up day will be the last opportunity for the residents of Richmond Hill to say thanks to these volunteer workers. We include all residents, not just parents, for all of us reap the benefits that come from these character-building activities. The first game starts on the main diamond at the town park at approximately 10:00 a.m. with games every 2 1/2 hours, climaxing with the 15-16-year-old boys under lights.

The refreshment booth will be available all day, so that spectators can get in the baseball mood and all Richmond Hill Minor Ball Association players can use the tickets which will be distributed to them by their coaches at the park.

In the event that adverse weather forces postponement, all activities will take place at the same time and place the following Saturday, September 22.

Maple Girls '62

Jr. K.V.W. Champs

Maple girls junior softball team are once again champions of the KVV League. The starry Maple nine defeated Oak Ridge four straight to win the league title and the Albert Rutherford Trophy for the second year in a row. The Maple girls were forced to go into extra innings in the final game played at Maple Community Park Thursday of last week in order to win a close contest 11-10.

All league games were played at Maple this season. Both King City and Oak Ridges were unable to get sufficient diamond time at the busy King City Park. Oak Ridges had originally planned to play its home games at King City. Maple Park is now equipped with floodlights thanks to the local Lions Club.

Following the game Maple Manager Mrs. Marian Holmes invited all the players back to Assisting Mrs. Holmes was Mrs. Ingram and Mrs. Salgeon.

Previous league winners were, Richvale 1957, King City 1958, Vellore 1959, and King City 1960.

The members of the league winning Maple team were as follows: Judy Hopkins, Sally Manning, Hanne Fybo, Penny Thurston, Margaret Auld, Carol Foster, Carol Salgeon, Jolly Goodyear, Sandra Mathewson, Pat Kerr, Bev Taylor, Helen Spencer, Myra Bloom, Maureen Johnson, Linda Ingram, Coach Bruce Thurston.

Silver Brothers End The Ball Season For Dynes

The brother act of Lou and Murray Silver plus the big booming bat of Joe Teperman spelled doom for the Jewellers as Electro Sonic defeated them 5-2 Thursday night of last week. As a result of the win, second in a row for Electro Sonic, Dynes Jewellers were eliminated in the semi-final round of the North York Softball League playoffs.

With two men out in the first inning Joe Teperman found a right field with Silver and Koblinsky romping all the way to score.

"Skip" DeGeer slammed out a home run in the eighth inning to add at least one small ray of sunshine to the lost Jeweller cause. Pitcher Lou Silver and Murray Silver at second base played outstanding ball for Electro Sonic.

The Jewellers, who displayed so much promise at the start of the year, never really got untracked or lived up to their potential. At times they seemed most inept and made foolish mistakes that cost them more than one game. Vern Dynes, the team sponsor, is as game as they come and the irrepressible Mr. Dynes is already plotting and planning for next season. Let's hope it's a good season—he deserves better than he got this year.

LET'S BOWL

The banging and booming heard on the local scene during the past week was due to the local five pin bowlers swinging into action for a new season. All leagues are predicting bigger and better things and are primed for a full season of bowling.

Three local leagues have already gotten under way with the rest slated to start this week. News reports from most leagues have been arranged but if your league has been overlooked please call TU.4-4057 and we'll be glad to arrange to handle your bowling reports.

Minor League Braves Hang Up Gloves After Most Enjoyable Season

The Braves, 10-11 year old entry in the Richmond Hill Minor Ball Association, have had a great summer. Although they missed getting into the playoffs by a narrow two point margin they played and enjoyed some real ball games.

Parental support and player interest were high throughout the long season. An average of seven-teen players turned out for each game and their parents generally came along to lend cheers and moral support.

Mr. Jack Duncan of Richvale was the team coach and was ably supported and assisted by Mr. Ralph Davis of Richmond Hill. Midway through the season the team attended a picnic at Albion Hills where everyone fished, swam and ate to their hearts content.

As a final season treat the boys and their parents spent an evening swimming and partying at the home of Jack Duncan.

Mr. Duncan is a most enterprising man and his fine swimming pool is a product of his imagination and know-how combined with labour from all Duncan family members.

Members of the Braves were Mike Culham, Bruce French, Chris Hopson, Robert Graham, Keith Holtze, Jim Cragg, Jim Allen, Brian Bradley, George McIntyre, Allen Hawkins, John Chew, Bill Slater, Jim Davis,

Bill Wright, Bob Hutchinson (capt.), John Duncan, Jim Olson and Roy Wilkie.

Dedicated Leadership
Messrs. Duncan and Davis deserve a great deal of credit for the fine job they did with their team this year. They and their good wives gave up a lot of time and effort to provide a real summer's sport for the small fry. They succeeded beyond anyone's wildest dreams!
