

"Must Develop Talents"

(Continued From Page 1)
 Ontario's high schools are able to provide a well rounded course only because they provide a five-year rather than a four-year course. It is the only system in North America that spends the extra year according to the superintendent.
 His special educational interest is the training and recruitment of high school teachers.
 "Now and for the next five years, we are going to have tremendous problems just getting bodies to fill our teacher jobs," he claims. "There is no question of our being able to pick and choose when we look for teachers now."
 As a member of the minister's committee on the training of secondary school teachers, Mr. Chapman toured western Canada last year, studying the training programs in Alberta and British Columbia.
 Ways of attracting and holding both young people and people with industrial experience to the teaching profession are being studied by the committee.
 Mr. Chapman feels there must be changes made in the training program at the Ontario College of Education. His hopes are that OCE graduates will someday be granted post-graduate degrees.
 He is opposed, however, to the type of undergraduate Bachelor of Education course which has been developed in the United States.
 One American program Mr. Chapman did express interest in is the apprenticeship system which Harvard University is working on. The beginning teacher spends two years working directly under experienced teachers at part pay.
 "Ours is the only profession where the individual is expected to assume full responsibility the day he starts," Mr. Chapman states.

Mr. Chapman feels the Ontario high school program is a good deal more rounded than the program in many other provinces and south of the border.
 "At Richview, many of our students were children of American executives," he recalls. "When we tried to work them into our program, we found they were as advanced or more advanced than our students in one or two subjects, but far behind in others."
 "Many students there are able to graduate from high school without a language, science or some other major subject."

At Madeleine's
 Over 1,000 NEW FALL HATS
 Elegance and color is fashion magic for the headliners of Fall '62 now at Madeleine's.
 Included in our collection are domes, fezzes, turbans, cloches, featuring the "Fur Look" - real and fake, so chic in high pill-boxes, draped and slanted slouch capeaux.
 You will want to see the latest in handbags, colorful costume jewelry, gloves, scarfs to complete your fall ensemble.

Inspecting the newly installed sidewalk on Bayview Avenue are left to right, Works Foreman Bob Bridges, Roads Superintendent Fred Bovaird and Assistant Works Commissioner Jack Vandermaas. Completion of the project is expected by the end of the week. (Staff Photo)

Roads, Sidewalk Projects Nearing Completion

Nearing completion on Bayview Avenue is a three quarters of a mile gravel sidewalk from Crosby Avenue, south to Markham Road.

Cost of the project is slightly over \$1,500 according to Assistant Works Commissioner Jack Vandermaas who said that it will serve students attending Bayview Secondary School.

Prior to the gravel walk being laid students were forced to use the roadway and fear had been expressed in some quarters for the safety of pupils, especially in inclement weather.

Six men from the town's public works department are engaged in the construction.

Mr. Vandermaas said the sidewalk is only of a temporary nature pending final disposition of Bayview Avenue by York County and the Toronto and York Roads Commission.

The county has agreed to take over Bayview next May 1.

Grading and paving of Newkirk Road, Crosby Avenue and Centre Street is progressing favorably and on schedule, Mr. Vandermaas reported.

On Newkirk Road 1,325 feet of grading and paving is under way between Markham Road and Centre Street. Work started August 7 and is expected to be completed by the end of the month.

A total of 2,150 feet of road is being reconstructed from Sussex Avenue to 200 feet west of the CNR siding on Centre St.

New pavement is being laid on Crosby Avenue from Crosby Heights School to Newkirk Rd., a total of 1,250 feet.

All roads are 28 feet wide. Cost of the three projects is \$62,425.35 and work is being done by Paul Street Construction Ltd., of Richmond Hill.

Mr. Vandermaas emphasized that at least one of the streets will be kept open at all times for car and truck traffic.

Works Department Notes -

An additional 36 parking spaces have been added to existing accommodation near the Richmond Hill municipal building.

Council Monday night entered into an agreement with the Bell Telephone Company for leasing of property west of Mainprize Drugs and at the rear of the public library.

Works Commissioner Otto Whalen estimated it would take \$1,500 to gravel the area before it could be used.

The lease is for a two year period at \$48 per year, the amount of yearly taxes paid by the company.

Vaughan Township has agreed to let Richmond Hill dump garbage at their dump on Con. 3.

Town council ratified an agreement with the township for a two year period at their meeting Monday night calling for a \$1 per truck load charge.

Council members lauded the co-operation extended by Vaughan.

Application for permission to build on the sewer easement abutting property owned by the Bedford Park Floral Company was turned down by the Richmond Hill Works Committee this week.

The company was advised it could appeal the decision to town council if it so desired.

Town Solicitor J. Lucas was of the opinion that the existing rights of the town should not be prejudiced by granting the proposal.

A request for town participation in the erection of a fence between stores on Leventdale Avenue and property owned by Mr. and Mrs. Michael Romanish was turned down by town council at its meeting Monday night.

Mr. and Mrs. Romanish had complained that trucks making deliveries to the stores were encroaching on their property.

Council advised the property owners that it would authorize services of Works Commissioner Otto Whalen for design purposes only.

Dinner Meeting Next Wednesday For Hill Jaycees

Highlight of Jaycee Week, September 16 to 22, in Richmond Hill will be a dinner meeting of the Junior Chamber of Commerce next Wednesday at the Summitview Garden Restaurant.

Young men from the area between the ages of 19 and 30 who are interested in Jaycee work are invited to attend. Starting time is 6:30 p.m.

Further information can be obtained from Gordon Brown at 884-4947 or Dave Newing at 884-5755.

It will be announced at the meeting that the local Jaycees have been asked to submit their leadership training album for international competition in Hong Kong. The album won first prize at the national convention in Calgary this year.

Two features of this year's program will be courses in effective speaking and leadership training.

External projects will include the annual radio auction, a get-out the vote campaign and a bicycle rodeo.

Next month the Richmond Hill Club will host the district six fall conference. District six includes Hamilton, Burlington, Oakville, Port Credit, Georgetown, Aurora, Newmarket and Richmond Hill.

Markham Area No. 3 Ready For Busy Year

Two meetings of Markham Area School Board No. 3 have been held, August 8 and 28. Business at both meetings was concerned mainly with the problems of school opening and school housekeeping.

The Fuller Brush agent, Fred Holloway demonstrated a duster and venetian blind brushes. Four of each were ordered.

Alex Darling was present to discuss sports supplies. It was decided that a limit must be set to buying expensive equipment and that surplus supplies must be avoided. Soccer and volleyball provided release for that excess energy and within reason, for team use, they were a legitimate expense. The board felt that individual needs such as hockey sticks could be supplied by the boys themselves.

In the memory of the trustees it had been the custom in school sections to pay for any extra needs out of proceeds from school concerts, sale of paper or from pupil donations. The pupils had a sense of personal ownership that is now lacking. A small order was placed pending an investigation of real need. It was agreed that all schools must receive equal treatment.

The secretary read three tenders for supply of oil for the schools. Bill Hood's tender was the lowest and was accepted.

The contract for caretakers was scanned and it was agreed that the term be from August 1 to July 31. A tour of inspection of the schools by the trustees was made August 15. Consideration was given to garbage disposal, whether it be picked up or incinerators be supplied. The piano belonging to the Richmond Hill Agricultural Society and which has been stored in Headford School will be used in the auxiliary room at number 4. The desks from number 3 school will be stored as well. The bus contract with Gordon Mortson was ratified. To eliminate delay in connections schools number 4 and 7 will dismiss at 3:30, number 6 at 3:45 and number 5 at four o'clock. The gap in time will be added or subtracted at the noon recess.

Hold Teachers Clinic At Mount Pleasant

A Sunday School Teachers Clinic on "How to Teach the Bible" is to be held in Mount Pleasant Baptist Church, September 10-14 at 7:45 p.m. nightly.

Instructors will be Rev. Ekebarger of London Bible Institute and Rev. W. Hiltz of Ottawa.

Thornhill Pee Wee Hardball Team Advances Into Ontario Finals

Last Saturday the Thornhill Pee Wee Hardball Team defeated Orono in Orono by a score of 23 to 2 to win their best of three series by two games to nothing. The Thornhill team has completed this summer in the North York Baseball Association against teams from Newmarket, Bradford, Alliston, Beeton, and Oak Ridges. As an entry in the class C competition in the O.B.A. they have defeated Bradford, Alliston, Erindale and Orono to date. They have now earned a bye into the finals for the Ontario Championship.

They competed in the Toronto Star Little League tournament at the Canadian National Exhibition and were defeated by a team from Hamilton by an 8-6 score. During the year they ran their unbeaten streak to 14 games and their season record now stands at 19 games won and 5 lost. The team is sponsored by DeMarco Construction and is managed and coached by Mr. G. R. Bag and Mr. W. E. Windsor. Their home games are all played in Thornhill Park.

CANADIAN CANCER SOCIETY
 Richmond Hill Unit

 FACT FOR THE WEEK:

In 1960 - 23,181 Canadians died of cancer. Although long considered a woman's disease, more men than women now die of it due largely to a rising rate of lung cancer in men.

by their president, Mrs. Charles Ratchford to make it a point to attend the Mothers' Auxiliary meeting being held Tuesday, September 18, at 8 p.m., at the home of Mrs. Hans Hallgren, Brookside Drive.

This is a most important business meeting for all mothers of cubs, brownies or guides.

Latest Arrival
 Jim and Linda Rushlow, Brookside Drive, are happily receiving congratulations from their friends, relatives and neighbours, on the birth of their son, Scott, born Friday, September 9, 1962. Jim is the son of Mr. and Mrs. Ralph Rushlow, Elgin Mills. Jim and Linda are former graduates of Richmond Hill High School.

Home Again
 The E. A. Terry's Elgin Mills, returned home last Tuesday, from a pleasant vacation spent at their cottage at Clear Lake.

Glamorous Occasion
 Mr. and Mrs. D. A. Diamond and daughters, Joyce and Kathy, Gamble Road, were the very special guests of opera singer Theresa Stratas and her mother, at the final Friday evening performance at the CNE grandstand. The Stratas are old friends of the Diamonds, and arrangements were made to have the whole family go behind the scenes before and during the show. Joyce and Kathy, and their mother, Mrs. Diamond, revelled in the excitement of watching the beautiful opera star make up among the glitter and glamour of 'back stage'.

Last Sunday Miss Stratas left for New York, but before that he was entertained by producers and celebrities at the Royal York. She returns to Toronto in October, and will appear at the O'Keefe Centre. In the new year Miss Stratas is going to Russia, for her second singing appearance there.

WHEN YOU BANK... we try to be a little more human about it

Back in the old days, bankers were pretty fearsome people. They had Dignity, a Cold Eye, a Thin Mouth, Mutton Chop Whiskers, and a Ruthless Tendency to Foreclose Mortgages (or so we read!). The banker today is as human as you are, and just as businesslike. Drop into your branch of The Bank and see. You'll find that The Bank really has the people who make the happy difference in banking!

A TORONTO-DOMINION BANKING SERVICE:
THE SAVINGS ACCOUNT
 This is the first account most people open at The Bank. And for the wise ones, it is the last that is closed. Not too many years ago the Savings Account was a general catch-all where you deposited money and paid it out almost immediately by cheque. Today, the Personal Chequing Account does the job—and the Savings Account should be used for Savings only; savings at interest! Get in the habit. Save for the rest of your life. Open a Savings Account at The Bank!
