St. Matthew's Youth Enjoy Camping Trip

It was all eyes nor" for the teen-agers of St. Matthew's on Saturday morning as they gathered at 8:00 a.m. to begin their weekend camp. Under the direction of Hi-C counsellors Mr. and Mrs. Ed Metcalfe, and assisted by the minister the Rev. William Patterson, they travelled to Sibbald's Point where they pitched their tents, and set up camp for Saturday and Sunday. The program consisted of worship, Bible study, theme addresses by Mr. Patterson and swimming, eating, fun and games filled up the chinks. Sunday morning the group attended Divine Worship at Sutton United Church, aided by two Sutton church members who helped provide the transportation. The camp was divided into three groups, each of which organized their own cooking. Little Laurie Metcalfe acted as mascot. In all, over thirty members and friends took part in the venture. When camp broke up at five p.m. Sunday it was widely echoed: "We will have to do this again next year."

OMB Schedule Meeting To Hear Concord 'Beefs'

Objections to the proposed new Edgeley Waterworks have forced the Ontario Municipal Board to schedule a hearing on the matter next month. Vaughan Township's council chambers will be the site of the hearing, slated for October 16 at 10 a.m. Council was informed of the hearing at their meeting Monday night.

May Rent Park From Society

Finance Committee of Richmond Hill Council last Wednesday night discussed the possibility of renting the town park from the agricultural society for a number of days each year. William Lucas, chairman of the town's recreation committee, suggested that his committee and the agricultural society discuss the possibility of combining the annual ball parade with the fair. Members of both groups agreed to discuss this proposal with their members. Joining in the discussion were J. B. Lucas, the town's solicitor, R. Tilt and N. Brown of the parks board, W. Middleton and R. Chandler of the agricultural society and Works Commissioner Otto Whalen.

Thornhaven School Cost Causing Town Concern

Richmond Hill Deputy-reeve Thomas Broadhurst informed council Monday night they could be expected to make grants to Thornhaven School for retarded children this year. Mr. Broadhurst, chairman of the finance committee, said the same formula of \$200 per pupil per year for students attending a full year, or \$20 per school month for those attending only part of a year, would be used. The information was contained in a report from the finance committee tabled at Monday night's meeting. The report advised that costs were increasing due to the number of children moving into Richmond Hill in relation to the cost borne by other municipalities in the area. It was becoming a matter of concern, Mr. Broadhurst stated, and recommended the school's executive should consider the possibility of next year's council being compelled to put a ceiling on the town's contribution. School officials have advised the committee they are investigating other methods of operating such schools both in Canada and the U.S. They intimated it would be at least a year before their investigations would be completed.

In Peel County the cost of operating retarded children's schools is paid by the county, in recognition of the fact that establishment of such schools in an area attracts pupils into its service area, school officials told the committee. Plans for the proposed waterworks call for construction of a well at Edgeley and the laying of water mains on Doughton Road, Jane Street and Highway 7.

Expect 1,500 Students To Attend Night School

Some 1,200 to 1,500 students are expected to enroll in the expanded program of evening classes planned by the York Central District High School Board for three of its schools. Registration at Woodbridge High School is scheduled for Wednesday and at Thornhill Secondary School and Richmond Hill High School for Thursday of next week. Students may register between 7:30 and 9:30 p.m. A greatly increased enrollment is expected since Woodbridge and Thornhill did not schedule evening classes last year. For the first time, the board will offer vocational training courses in the new vocational wing of Thornhill. Courses available to night students will include auto mechanics, electronics, mechanical and architectural drafting, and woodworking. All three schools will offer a course in English for new Canadians. "Indications are that adult education is on the upswing," commented Superintendent Sam Chapman. "There seems to be a real surge of interest and we are pleased to offer our facilities for adult education." Night courses were first offered by the board in 1954. Fees for the classes will be \$10. They will begin during the week of October 1.

Parents To Keep Pupils At Home If Transfer Made

Parents of the kindergarten pupils who are to be transferred from Beverley Acres to Crosby Heights Public School will keep their children out of school rather than go ahead with the transfer September 24. They are organizing a protest delegation which will attend the school board meeting September 27.

According to Mrs. J. Gavigan, 260 North Taylor Mills Drive, parents in the area are almost unanimously opposed to the transfer. Children affected by the move live on North Taylor Mills Drive between Kerswell Drive and South Taylor Mills Drive, on Browdale Crescent and on South Taylor Mills Drive, between Neal Drive and Blue Grass Boulevard.

Mrs. Gavigan claims the affected area is the oldest part of Beverley Acres subdivision. The children should go to Beverley Acres School, since it is a part of their community, she told "The Liberal". Crosby Heights is a long way for a five-year old to walk to school by himself, Mrs. Gavigan said. "If our five-year old goes to Crosby Heights, it will be splitting up the family," she claims. Older members of the Gavigan family attend Beverley Acres.

Mrs. Gavigan warns that residents of her part of Beverley Acres are being forced to send their children to Crosby Heights from the new Birchwood Village Subdivision. A winter works program in Markham Township would pay off, according to Township Relief Officer N. Lewis. Mr. Lewis made his suggestion to council as he delivered his report for the second quarter. "Our relief bill is going to be much heavier this winter than it is now," Mr. Lewis told council. Reeve Wilfred Dean told Mr. Lewis that winter works are planned for the township this winter. He complimented him on his success at alleviating relief problems. Mr. Lewis reported 41 householders with 182 dependents received \$3,839 in relief from May until July. Other welfare costs bring the total for the township to \$6,891 for the period. Provincial and federal costs and subsidies lower the cost to the township to \$1,775.

Will Transfer Students At Beverley To Crosby

Increased kindergarten enrollment at Beverley Acres Public School has forced a transfer of some students to Crosby Heights Public School. School board approval for the plan came at last week's meeting.

Parents in the Beverley Acres area from North Taylor Mills Drive between Kerswell Drive and South Taylor Mills Drive, Browdale Crescent and South Taylor Mills Drive between Neal Drive and Blue Grass Boulevard, will be asked to register their children September 24 at Crosby Heights. Two teachers handle morning and afternoon classes at each school. Enrollment at Beverley Acres is 137 while 75 pupils are registered at Crosby Heights.

Average size of each class at Beverley Acres is 35. At Crosby Heights, the average is only 19. The proposed transfer would move about 33 youngsters to Crosby Heights. Average size of the classes at Crosby Heights would be increased to 27, and decreased to 27 at Beverley Acres. Under this plan, there would be no additional cost to taxpayers, since there would be no new staff or classrooms needed.

Increased walking distance as a result of the change was not considered excessive by the board. Superintendent G. S. McIntyre said the walking distance for many pupils at other Richmond Hill schools is much greater. It is emphasized that the

change is for this year only. It is expected that the board's planning committee will make a full study of the problem caused by increased enrollment at Beverley Acres and recommend permanent changes later this year.

Richmond Hill residents will be asked to contribute \$5,000 during the Victorian Order of Nurses blitz campaign which takes place Monday evening between 7 and 9 p.m. At that time some 25 district captains will go from house-to-house asking people to contribute. According to Dr. J. F. O'Neill, medical advisor to the VON, campaign funds are necessary to make up the deficit incurred by service calls. The full price of only \$2.50 is paid for only about one-third of the house calls made by the order's nurses. Another third of the house calls bring part pay. The remainder bring nothing. Cost to the VON is \$3.60 per call. Budgeted deficit is \$7,000 to \$8,000 this year. A town grant will account for about \$2,000 of this total.

"Winter Program Would Pay Off"

Reeve Wilfred Dean told Mr. Lewis that winter works are planned for the township this winter. He complimented him on his success at alleviating relief problems. Mr. Lewis reported 41 householders with 182 dependents received \$3,839 in relief from May until July. Other welfare costs bring the total for the township to \$6,891 for the period. Provincial and federal costs and subsidies lower the cost to the township to \$1,775.

Represents Club At Convention In Queen City

Mrs. Grace Sayers, Centre Street, Richmond Hill, was one of 50 voting delegates who attended the recent convention of the United Citizens of Ontario at the University of Toronto's Wallberg Building last week. Resolutions supported by the convention requested municipal tax exemption for persons over 65, a comprehensive provincial medical care scheme, and an increase in federal old-age pensions to \$85 monthly for men over 65 and women over 60. The convention asked the federal government to take action on job discrimination against elderly people, a universal old-age pension plan and a \$2,000 income tax exemption for senior citizens. Mrs. Sayers attended the convention as a representative of Richmond Hill's Senior Citizens Club.

SALES REPRESENTATIVE
Radio Station CFGM requires an experienced sales representative for York County. Excellent opportunity with growing company. Contact Mr. Graham, TU. 4-1624.

CHATELAINE SEAL OF APPROVAL INSTITUTE
This famous seal awarded to our **SANITONE Drycleaning**
After exhaustive tests, Chatelaine Magazine has awarded our Sanitone Drycleaning their coveted Seal of Approval. This seal is your guide to better service, and was granted only after Sanitone Drycleaning was tested and proved to give complete satisfaction. Why? Because Sanitone is more than just drycleaning. It includes special finishes for softness and body... scientific spot removal... expert pressing on professional equipment... gentle handling and attention to minor repairs. Garments are returned looking and feeling like new! Call on us today for this complete, professional fabric care.

Drought Threat Over Find New King Well

Threat of a water drought in King City has been lifted with the report Monday that a new supply of water has been found. The new supply will double the capacity of the two existing wells. International Water Supply Co., located the new water source at 300 feet, only a few yards north of the present wells in the Humber Valley, according to G. T. Thomson, village secretary-manager.

NOTICE

Take notice that The Board of Trustees of the Roman Catholic Separate School for School Section Number 1 in the Township of Markham on July 31, 1962, passed a By-Law Number 11 to authorize the borrowing of money by the issue and sale of debentures of the said Board in the principal amount of \$50,000.00. 1. For the purpose of providing an addition to St. Luke's Separate School, Dudley Avenue, Thornhill. 2. The amount to be borrowed is \$50,000.00 and the security therefor shall be the Debentures which shall be a charge upon the school house properties and premises and on the real and personal property vested in the Board and upon the Separate School rates. 3. The Debentures shall be dated the 1st day of October, 1962, are to bear interest at the rate of 6 1/4% per annum payable half-yearly on the 1st day of October and April of each year and are to be repayable in varying instalments of principal on the 1st day of October in each of the years 1963 to 1982 inclusive, the aggregate amounts of principal and interest payable in each year of the currency of the Debentures being approximately equal, the Debentures to be in the denomination of \$1,000 and \$500 each. Dated at Thornhill, Ontario. J. P. Loughran, Treasurer.
