## Postpone Sabin Clinics At Town Public Schools

A second mass distribution of Sabin oral polio vaccine has been postponed by York County Health Unit.

Officials state that the distribution of the vaccine, slated to begin Oct. 9, will not be resumed until all elements of risk are eliminated.

The postponement came when the unit learned that four people who had taken the vaccine in Montreal were suffering from polio.

People who took the first of two doses of the vaccine in Metro Toronto and York County are almost certainly in no danger, officials say.

They said that over 780,000 people in the area received the first dose. None of them have so far contracted the disease.

Included in the postponement will be clinics planned for pupils of Beverley Acres, Crosby Heights and Walter Scott schools on Oct. 17 and MacKillop, McCnaghy and Pleasantville on Oct. 18.

An adult clinic at Walter Scott on Oct. 17 has also been cancelled.

We do not need a special day To bring him to our mind For the days we do not think of him Are very hard to find. He had so much to live for. And he was all too young. But when the Saviour whispered Our Lawrence had to come. Times of sadness still are with us. Friends may think the wound is healed. But they little know the sorrow That is in our hearts concealed. — Sadly missed by Orland, Doris and family. clw12

**Agree To Sell Student Tickets At 10 For \$1**  
Agreement has been reached between Richmond Hill and Trailways of Canada Ltd., for a new bus service slated to start Oct. 1.  
Councillor John MacDiarmid, chairman of the transportation and parking committee, outlined to council at Monday night's meeting the basis for the intended service on a three-month trial period.  
The agreement calls for 30 minute service with the last bus leaving downtown at 6:15 instead of 6 p.m. On Thursday and Friday nights the last bus will leave at 9:15 to accommodate shoppers.

Arrangements will also be made to supply student tickets at 10 for \$1, Mr. MacDiarmid said.  
The committee will investigate the possibility of posting schedules at main bus stops throughout the town.  
Passengers will be allowed to transfer from the new bus route to the one now operating, the chairman said.  
Mr. MacDiarmid also recommended to council that when the agreement is reviewed next year, maximum subsidy should be a portion of a mill to allow the service to expand with assessment and growth of the town.

Deputy-reeve Thomas Broadhurst lauded the committee for its effort in improving the service and said many more residents will benefit from it.
