A meeting of the group committee, under the chairmanship of James Flucker, will be held this evening at All Saints' Church to deal with the problem.

His older brother, LAC Tom Knight, is with the RCAF at Trenton as a draughtsman.

For the past five years the pupils of Grades 6, 7 and 8 have been receiving instruction in preliminary first-aid.

The course, of a three year tenure, is conducted by a member of the staff and for the past three years Jack Williams has instructed the pupils.

The school is visited each spring by Mr. Hammond, a St. John Ambulance Corps inspector.

The children perform practical first-aid and are given oral tests. On completion of the third year, each student is presented with a diploma, a wallet size identification card and a St. John lapel button.

Awards for the past year were handed out last week. It is a credit to Jack Williams and former teacher Tony Atemleuk there has never been a failure.

Leaders Needed
The group committee to Cubs and Scouts held a meeting this week to resolve the problem of no leaders. Announcement of Cub meetings will appear in this column as soon as possible.

Girl Guides and Brownies are in a similar predicament, but they lack a local Guide Association. This is an organized group of mothers who promise to help as a ways-and-means committee to help from a financial standpoint.

A meeting is planned for the near future at which time the commissioner from Girl Guide headquarters will be guest speaker. All mothers are urged to attend.

If no local association is formed the likelihood of Guides and Brownies continuing is very remote.

On the holiday weekend, the Squirt and Pee Wee teams of the Legion sponsored ball club travelled to Maple Leaf stadium and enjoyed a double header between Leafs and Syracuse. It was the more enjoyable because Leafs won both games.

The boys were accompanied by coaches Dick Sweeney, Ernie Collins and Bill Duncan as well as a few fathers who helped with transportation.

A hearty thank-you is due these men, and George Crittenden, Bantam coach for many lovely summer nights sacrificed and for many out-of-town trips, as far away as Coe Hill and Wheatley. These trips are entirely at the coaches' own expense, not to mention refreshments after games, win or lose.

Celebrates Birthday
Wally Lavigne, Bond Ave., who returned from a six week vacation at Fort William, in time for school, celebrated his 14th birthday by entertaining his friends at a corn roast. Wally's mother, Mrs. Isabel Lavigne, also was celebrating her birthday.

Miss Janet Finch was maid of honor for her sister and Miss Esther Finch, bridesmaid. Their fern green satin gowns were styled like the bride's and also made by Mrs. Finch. The attendants carried cascades of red roses and carnations.

James Finch acted as best man. Ushers were Robert Robertson and Ralph Finch.

The bride's mother wore a two-piece dress of gold brocade, accented with brown accessories and corsage of Sensation roses. The groom's mother wore a beige ensemble with white accessories and corsage of yellow roses.

For the wedding trip to the Maritimes, the bride had chosen a rose silk shantung suit with black patent shoes and purse, black accessories, and corsage of Happiness roses with Stephanotis, Ivy and white carnations.

The reception was held in the church hall, where refreshments were served by the ladies of St. Paul's.
