

# Indians Still Undeclared - Tie 7 All

Richmond Hill Indians maintained their unbeaten string by playing to a 7-7 tie with East York last Saturday. Coach Del Madeley reports that stupid penalties cost the Indians any chance of victory and that at least

200 yards in penalties was assessed against the Indian squad. The only Indian touchdown came in the first quarter off an East York fumble. Indians recovered the ball on the East York 30

yard line and quarterback Bill Dunn hit Bob Sheridan with a pass in paydirt territory. The conversion attempt was not good. In the second quarter a Dunn pass was picked off on the East York 15 yard line and run back to the Indian 10 yard line. The East York squad crashed over for the T.D. but the convert was blocked. East York went ahead 7-6 in the third quarter on a single and with five minutes left in the game Ian McIntosh kicked a 40 yard single to tie the game for the Indians. Bob Sheridan went 80 yards in the third quarter

A.B.C. Major Arne Skretteberg set the pace for bowlers in the A.B.C. Major League by rapping out a three-game total of 854 pins. Ray Hunter was close behind with a total of 848, while Norm Roberts finished with 842. John Moore rolled for an 830 count. Gord Dunn 827, and Norm Thomas hit for 790.

League were saddened by the death of Vic Ribbons last Saturday. A long-time member of the league, Vic will be sorely missed by all his bowling friends. And they are legion.

The Cards Team standings in the league to date are as follows: Jacks 11, Sevens 10, Kings 8, Queens 7, Deuces 7, Aces 7, Jokers 4, Tens 2. High single honours in last week's action for the ladies went to Frieda Littleford with a 260 count. Marg Blackburn hit for a 233 single and Myrt Littleford 225. Russ Brillinger headed the men with a 343 single, followed by Herb Relf with a 265 count. Clare Walker also had a single game of 265. Frieda Littleford copped high

Ladies' average honours belong to Frieda Littleford with a 194. Marg Blackburn has a 189 going, and Lucy Smith a 184. John La France is the pacesetter in the men's group with an average of 237, followed by Bob Littleford at 234 and Bud Wheeler 213.

mart of commerce. Hockey skates, figure skates, bob-skates and hockey equipment will all be on the block. Skis, ski poles, harness and ski boots will also be handled by the willing volunteer workers. If your kids need new, or rather different skates, then this is for you. Not only can you get a pair that fit at a fraction of the new cost, you can probably find a buyer for the old ones. What could be fairer?

Mr. Ray Weeks of 34 Harding Blvd will be in charge of the sale. Any merchandise to be sold should be taken to his home so that committee members have a chance to tag it properly in advance of the sale. Mr. Weeks will be glad to answer any questions and is available at TU. 4-4792. This is a chance for all parents to save a bit on winter sports equipment and give a helping hand to the Home and School Association at the same time.

Mr. Ed Windsor and Mr. Ron Bagg of Thornhill have a pee-wee baseball team in contention for an O.B.A. title. The Thornhill pee-wee club sponsored by Mr. Vince De Marco of De Marco Construction and guided by Messrs. Windsor and Bagg have gotten a bye into the all-Ontario final.

The opposition for the final series depends upon the outcome of a set-to between Hagersville and Thamesville. Thornhill has been tagged for the first away game and coaches, sponsor and players are anxiously waiting to see first where the opening game of the final series will be played.

Ed. Windsor says that they don't have any stars on the club but a really great bunch of team players. This is a maiden venture for both Windsor and Bagg. They have previously coached teams in the Thornhill house league but this is their first junket into O.B.A. play. A most auspicious beginning!

We can only wish both coaches and the players the very best of luck and hope that they can bring a title back to Thornhill. Win or lose they're still a darn nice bunch of kids who have two fine coaches. And that's a pretty potent combination!

From October 22nd to March 23rd the Richmond Hill Figure Skating Club will be back in operation at Richmond Hill Arena. For each and every member this works out to be something very close to 282 hours of skating with a group lesson every week. And all this can be had for \$27.00 or something less than ten cents an hour. A bargain, if there ever was one!

If a child is of pre-school age or if more than one child in a family is enrolled the fee drops to \$23.00. Lessons in skating and the more advanced types of figure skating will be given by the club professionals, Miss Eleanor McLeod and Miss Isobel Harper. This will be the third season at the R.H.F.S.C. for Miss McLeod while this is the first season at Richmond Hill for Miss Harper.

Skaters of the R.H.F.S.C. have come a long way under the guidance of Miss McLeod while Miss Harper comes to the club with very high recommendations. Members of the club executive are looking forward to and have every right to expect a most successful season. Queries about the club and its operation will be answered by a phone call to Mrs. John Dick at TU. 4-1904. Memberships are still available but the club is rapidly filling up. If you'd like your boy or girl to skate with the club this season, get your application in soon and avoid disappointment.

## Secondary Sports News

Thornhill Secondary

Thornhill's junior football team regained the Dr. Broad Trophy by defeating Richmond Hill juniors 25-14 last Friday. A large crowd of spectators saw a thrilling football game that featured a little bit of everything plus some of the type of plays that can only occur in high school junior ball. End Dale Crouter of Thornhill rambled some 75 yards after taking a pass from quarterback John Tanquity and was dumped close to the Richmond Hill goal line. As he was dropped he fumbled into the Richmond Hill end zone. A Richmond Hill player picked up the ball and then delicately set it down. Play stopped and everyone wondered what had happened. Terry Aimeone of Thornhill picked up the ball to hand it to an official and was startled to see a touchdown signalled. Where else could this happen but in high school ball?

Thornhill's senior team defeated St. Andrew's 20-13 on Wednesday of last week while the junior and senior soccer teams played, with the seniors rolling over the juniors by a 5-1 score.

Bayview Secondary Bayview's junior football team romped to a 31-0 victory over Huron Heights High School from Newmarket last Friday. This was a pre-season exhibition game, with Bayview playing the first league game against Richmond Hill this Friday.

Despite the score, the Bayview team was far from sharp. Blocking and tackling routines seemed forgotten and the team generally played like Havergal College seconds. They've got to show a lot more fight and desire to stay with league action. Bayview does figure to have a good cheerleader group this year, with Sylvia Inglis as captain. Other team members are Ann Firman, Barb Lowens, Diane Hudson, Heather Steven, Betty Terry, Bev Smith, Janet Royston, Carolyn Oliver, Carol Shelton and Barbara Richard. Richmond Hill High With backs to the wall after

for a touchdown but had the play called back as a teammate tripped an East York defender who was already out of the play. Both teams played good defensive football with the Indians having a territorial edge everywhere except in the penalty yardage. In four games the Indians have given up 21 points and this coming Saturday take on the Grads at the town park, game time 2 p.m. This should be a real contest as the Indians are out to hit the victory trail again. And they vow no more cheap penalties.

losing 25-14 to Thornhill, the Richmond Hill junior football team is prepping for the game with Bayview. Under the conference system used this year, lose one game and you're in trouble — lose two and you're virtually dead. Coach Bill Babcock will have his squad really fired up for this game on Friday afternoon, as will coach Russ Snider of Bayview. From an interest point of view this game is a natural and will be worth anyone's trouble to go and see. All stops will be out and all the razzle dazzle of high school football will be on display at Richmond Hill this Friday.

## Hockey Registrations Top 700 Mark

Ted Dobbs, secretary of the Richmond Hill Hockey Association, reports that registrations to-date are over the 700 figure. Most registrations are below the midget age level and at least an additional 100 registrations are expected in the higher age brackets. Last Saturday was the last day for formal registration but, as is the case every year, the older age groups hold back until the last moment. The number of players active in the RHHA this year should top the 800 figure to mark the biggest year in the history of the highly successful league.
