

# Lots Of Activity At This School

The tiny tots of the Richmond Hill co-operative nursery school sit in a "sing-song circle" and learn all about "Tommy Thumb and Friends" as they sing-along with Mrs. Dorothy Wood, supervisor. They'll be singing "Frère Jacques" before this year is out, since French is being introduced to them by teacher Mrs. Monique Harris.

(STAFF PHOTO)

Where can one find freer expression, but at the easel with paint and brush? Little Leslie McGregor, daughter of Dr. D. F. McGregor, and Randy Brown, son of Mr. and Mrs. John Brown, South Taylor Mills, smile at the happy prospect of "daubing around". Mothers, please note the "smocks". We noted for your benefit — they are made out of boys' shirts, or dad's.

(By Mona Robertson) is adhered to rigidly, to get the youngsters ready for public school as they "come of age". All toys used have a learning quality; and musical interludes create a good atmosphere for self expression. Particularly popular is the rhythm band session. During the sing-song period they not only learn the words of songs, but have an early opportunity to learn "tone matching". In use is the institute's music book, "The Hi Road of Song".

While the weather remains clear and pleasant, teachers and their tiny students hike off on nature-study walks, gathering nuts or leaves, as they unconsciously imbibe lessons in botany.

They also visit the Richmond Hill Public Library, fire hall and post office. At the latter, they each send "Mom" a postcard - and advanced nursery tots even print their own messages (briefly).

For all of these pre-public-schoolers, nursery school is the first big break away from home - and their first step toward individuality and independence. It's also a break for mother. For some psychological reason it's far easier for a tot to learn

PICKERING TWP. Approval of the naming of five parks by the Bay Ridges Recreation Association was given by the Pickering Township Parks and Recreation Board recently. The names recommended are Annan, Mitchell, Balsdon, Hiltz and Newman.

## Richmond Hill United Church Setting Greer-Golding Wedding

On Saturday, September 8, 1962, Miss Evelyn Gall Golding and Mr. Joseph Edward Greer, exchanged vows in the Richmond Hill United Church. Rev. C. G. Higginson officiated for the double ring ceremony. The bride is the daughter of Mr. and Mrs. Gordon Golding of Richmond Hill, and the groom is the son of Mr. and Mrs. Clifford Greer of Charters, Quebec. The bride, who was given in marriage by her father, chose a white floor length gown of Chantilly lace and organza over s. in. Her matching crown length veil fell from a shower of seed pearls and she carried a nosegay of red sweetheart roses on a white Bible, loaned for "something borrowed" by Miss Gall Scott of Toronto.

The bride's sister, Miss Diane Golding, was maid of honour, wearing a dress of lime green nylon organza. She carried a nosegay of yellow chrysanthemums. Bridesmaid Miss Dorothy Greer of Campbell's Bay, Quebec, the groom's sister, wore yellow nylon organza and carried pink mums. Junior bridesmaid Miss Rae Inslay wore a taffeta dress with nylon overskirt in tangerine orange, and carried red roses and baby mums. All attendants of the bride wore white feather hats and white gloves.

Best man was the groom's brother, Mr. Floyd Greer and

ushers were Mr. Elwin Greer brother of the groom, and Mr. Brian Wiens, cousin of the bride. All male attendants wore charcoal grey suits.

At a reception held in the Greystones, Aurora, Mrs. Golding received fifty guests wearing royal blue lace over satin with a corsage of pink carnations and white and beige accessories. For her son's wedding, Mrs. Greer selected a blue-black suit with white accessories. Her corsage was of red roses and white carnations. Mr. Thomas Smith was master of ceremonies.

A party, following the reception, was held at the home of the bride's aunt and uncle, Mr. and Mrs. James Smith of Newmarket.

For travelling the bride wore a navy blue suit with white and black accessories and a corsage of pink carnations. On their honeymoon trip, Mr. and Mrs. Greer will visit in London, Ontario with the bride's grandparents, Mr. and Mrs. Charles Kincaid, who were unable to attend the wedding because of illness, but who sent best wishes by telegram. The young couple also visited the groom's grandmother, Mrs. Lottie Smith in Shawell, Quebec, and his parents in Charters, Quebec. They will reside in Weston, Ontario.

## Predicts Liberal Win Next Federal Election

Local MP John Addison was one of the speakers at last week's Liberal testimonial dinner held in Toronto's Royal York Hotel to honor Metro's 13 liberal M.P.s.

He predicted that a new election would produce a clear-cut victory. There is bound to be a new election in the near future, Mr. Addison said. However, he suggested the NDP party would string along with the Prime Minister until NDP leader Tommy Douglas is safely in a seat.

Mr. Addison stated that uncertainty at Ottawa has resulted in the delay of many needed municipal works.

"A lot of day-to-day business is piling up in Ottawa and it's work that's got to be done," he said.

Before the election, it was difficult to fight the Prime Minister's and local members' con-

tentions that things were never better, Mr. Addison stated. "People know better now and they won't forget who misled

### TENDERS TECHNICAL SHOP EQUIPMENT

SOMETHING NEW IN OIL HEATING!  
THE Silent Saver PRODUCES 20,000 Extra BTU's  
Silent, unseen, it saves you money all winter long!  
You Reduce Your Oil Consumption UP TO 25%

The average, modern furnace wastes heat up the stack and out the chimney.

Look for yourself. See exactly how it works

1. The 700° of waste heat is directed back into the furnace.

2. The hot waste goes through the Silent Saver, which reclaims 20,000 BTU's and reduces stack waste from 700° to 375°.

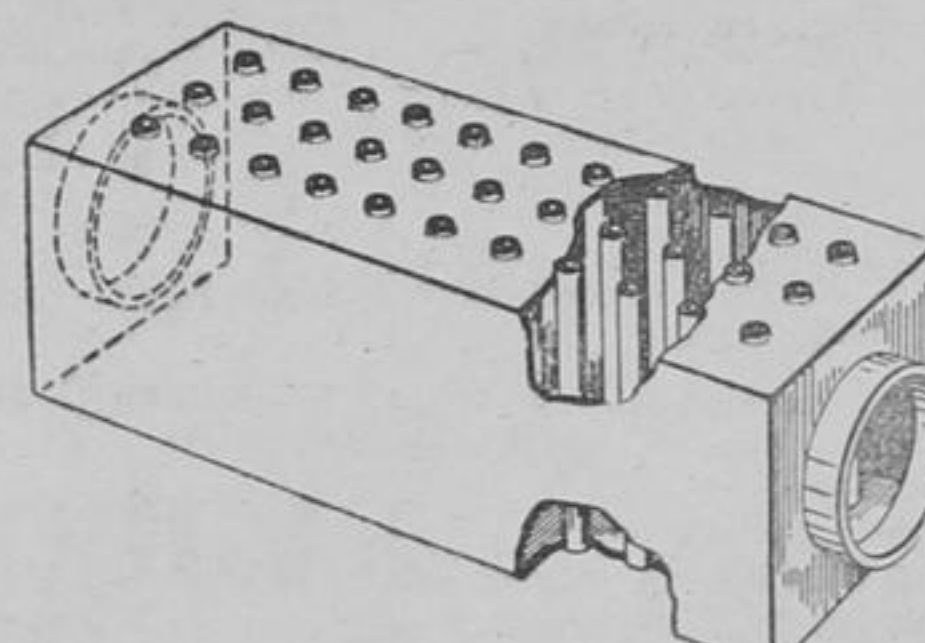

The regular heat joins the reclaimed heat from the furnace, in the hot air ducts and:

- you get more heat, faster
- your circulating fan starts faster.
- your thermostat shuts off the burner faster.
- your burner works less.

UNCONDITIONALLY GUARANTEED!
