"The Liberal" is always willing to publish interesting items regarding people and events contributed by its readers in Maple, Concord & Edgeley districts. Our representative in Maple is Mrs. Len Shore, ALpine 7-1150; in Edgeley and Sherwood, Mrs. Raymond Stuart, AV. 5-1934; and in Concord, Mrs. Ruth Keffer, 285-4040.

This Week's Happenings In Maple

With everything getting back into action come September, the Ladies' Auxiliary of the 1st Maple Boy Scouts started out with a good omen.

Following days of rain, September 26, turned out to be just about perfect for the chicken and corn barbecue held at Shur-Gain Farm.

Because of the flu being around town, several who had planned to attend were ill.

Audrey Magee, social convener, aided and abetted by Vice-president Bert Plunkett, dipped the succulent chicken in orange sauce and roasted the corn cobs, complete in their husks.

Pat Johnson, Muriel Rose and Dorothy Moore arrived early to assist and Aileen Birch supplied recordings for smooth background music.

Even though few actually took advantage of it, I must comment on my beautiful fire in the cottage fireplace! I finally "saved face" and am now ready to accept my scout badge.

With 1st Maple Scouts covering themselves with glory at the Camporee, the Cub leader and his assistant, having become impatient with the little action being taken towards getting new quarters for the cubs and scouts to meet in, they, along with their regular weekly meetings, have taken on the responsibility of heading up a committee to raise funds.

If you have a Cub or Scout, or not, but are interested in your community, you'll be hearing very soon from this committee.

All this action and concern is a wonderful indication that healthy active Cub packs and Scout troops are setting in for a season of constructive activity.

Scoutmaster Pat Salmon proudly announced that, for the first time, one of his scouts,

Kirby Brock, P. L. of the Porcupine Patrol, has completed his tests and is qualified to become a Queen's Scout.

This is a great credit to both Scout and leader and especially to Kirby at this time as he is the first one in this district to pass the test under the new regulations.

Maple's only Queen Scout so far is former "Skipper" Jack House. There are rumors that three more Scouts are aiming for this distinction by next year.

For the past four years Betty Rumble has been the "Akela" of "A" Pack Cubs. During this period she was most conscientious and attended training courses when available.

She was very faithful in her instruction and most popular when she arranged "a special treat" for her Cubs. This might be a ball game, hike, toboggan party, supper at Akela's house, or a visit to the fire hall or police station where Chief Jim Davidson would take them on a guided tour and give them on safety and good citizenship.

Because as a homemaker she could arrange the time so as to visit the Cubs' homes, many parents became more understanding and interested in what was expected of their Cub and of themselves, as a Cub parent.

The excellent showing of the tenderfoot scouts, recently, could be traced back to their thorough instruction received through their Akela, Betty Rumble.

In a short time now "A" pack will be starting up again, but to some of us who attended various "mothers' nights", when our Cubs put on skits to entertain us and keep us up to date on their "cubbing" — it will be the end of a special period.

Betty picked up a drooping pack and got it into ship-shape

condition over her period as Akela. She can now sit back and rest on her laurels and our warm thanks from "A" pack cubs and their parents.

As her written resignation was handed in to the Group Committee and it was accepted with regret, the upcoming new Akela will find his task made easier for him because of Akela Betty Rumble's previous leadership.

We know she joins with everyone concerned with cubbing, in the wish that you continue to support your Cub and his new Akela in keeping with the spirit of "good Scouting".

"B" Pack has started their regular Thursday night meetings and their own Akela, Russ Locke, expects to be able to attend regularly this season because of a change in his work.

This is really good news so now "B" pack with assistant C. M. "Mel" Clark are ready for a full season.

Assistant C.M. Jim Thacker will be missed this year because of the pressure of his school work.

Assistant C. M. of "A" Pack, Dixie Sinclair, has resigned and again her efforts were greatly appreciated.

Senior Girls' Baseball This is nearly the end of Helene Spencer's reports. Last week the score stood one game apiece for Maple and King City, but now King City has a lead of three games to Maple's one.

I am not aware of the exact scores for the games played September 24 and 26, but King City won them both.

On the 26th, nine innings had to be played in order to break the seventh and eighth inning tie. Now Maple must win in the next three games and your support is needed more than ever if these closing games.

Celebrates Birthday Katrina Plunkett had both fun and friends at her sixth birthday back on September 11.

Sharing the party goodies were Judy Magee, Rosemary Brice, Mary Brock, Brenda Langley and Darlene Blakelock. U.C.W. Thankoffering Service

In the evening of September 25, the ladies of Maple United Church U.C.W. held their Thankoffering Service in the church.

In spite of poor weather a goodly number were out to take part in this service.

Ushers were Mrs. W. Field and Mrs. R. Crook.

After a short business session, Mrs. H. Lighthouse and Mrs. B. Thurston led in devotions as set up in the order of service.

Mrs. T. Jackson and Mrs. L. Wells sang a duet, "Take My Life and Let It Be," accompanied by Mrs. R. Clegg at the organ.

Refreshments and a social time followed in the church parlor with Mrs. Lighthouse and Mrs. Jackson presiding at the tea table.

Cousins of her husband, Mr. and Mrs. Carl Jackson of Harrietsville, near London, visited Mrs. Tom Jackson for two days recently.

They were on their way north to enjoy a fishing trip in the comfort of their compact cabin trailer. While in Maple they also enjoyed a visit with their cousin, Mrs. Jennie Watson.

Friends In District The several local friends of Edgar Badger will be sorry to hear of his sojourn in Princess Margaret Hospital.

Mr. Badger, now living in Willowdale, always enjoyed the results of his "green thumb" in his flower beds and spent much time cultivating them.

St. Stephen's W.A. Around this time each year members of the St. Stephen's W.A. and community residents start to make plans around the annual Christmas bazaar coming up this year on November 3 at the community hall.

The W.A. ladies would like to remind St. Stephen's members that although they take upon themselves the organizing of this bazaar, it is an all-out effort for all interested and everyone is asked to donate articles for the various booths and assist in every way possible.

W.I. The next meeting of Maple W.I. will be held at the home of Mrs. M. Palmer, Keele St. S. on October 10, at 8 p.m. An interesting program has been arranged. Everyone welcome.

Crest Theatre Plus Adventure Ray and Ise Thompson attended the Crest Theatre Pro-

duction of 12 Angry Men with their friend Joe Rabinowitch in the cast, on September 28. As always the "femme" of Ise had to straighten her hair and apply lipstick — and wouldn't you know — the lock jammed and with Ray oblivious to the time racing away — Ise spent a half hour trying to attract just anyone's attention. The first show was wonderful — but as for the finale, pretty frustrating!!!

Birthday Birthday greetings to Myra Bloom, 15 years old today, October 4.

George Bailey Home and School The first fall meeting was held at 8:15 p.m. in the George Bailey Public School as the home and school association started off with "Meet the Teachers" night on October 3rd.

Badminton Anyone! Now that Maple Ladies Volley ball is over for the summer, the next thing, which involves exercise and a good time along with it, is mixed couples badminton club.

Dr. Armitage Officiates Quiet Maple Wedding At a quiet ceremony, solemnized by Rev. Dr. Ramsay Armitage on September 22, Mrs. Alma Kathleen Dyson was married to Mr. George Jones-Whitney, of J-W Enterprises Reg'd., Maple.

The bride was attended by her daughter, Miss Kay Dyson, and by the bride's sister, Miss Beryl McElroy. The groom was attended by his two sons, Charles of Montreal and Robert of Toronto.

Mr. and Mrs. George Jones-Whitney will reside on Keele Street, Maple.

Margaret A. Fitzgerald Is Bride Of F. G. Young

A very pretty wedding took place on Saturday morning, September 1, at eleven o'clock when Margaret Ann Fitzgerald, daughter of Mr. and Mrs. Jack George Fitzgerald of North Bay became the bride of Frank George Young, son of Mr. and Mrs. John Young of Edgeley.

The marriage took place in Our Lady of Lourdes' Church, Toronto, which was beautifully decorated with red and white gladioli. Rev. Father O'Leary performed the ceremony.

The groom received his education at Edgeley Public School and is now employed as a civil servant in Downsview. The bride attended school in New Liskeard and is an office clerk for Associated Medical Services in Toronto.

Mr. Fitzgerald gave his daughter in marriage. The bride was gowned in floor-length white lace over nylon. The fitted bodice was trimmed with sequins and the bouffant skirt was fashioned plain in back and tiers of nylon and lace frills adorned the front of the skirt. A crown of crystal and pearls held her scalloped shoulder-length veil and she carried a bouquet of red roses and stephanotis.

Rose Mary Fitzgerald of North Bay was maid-of-honor for her sister. She wore a strapless gown of gold nylon over taffeta with matching bolero and a gold colored crown and veil, gold mittens and bone colored shoes. Her bouquet was gold tulle roses.

Miss Averie Fitzgerald, sister; and Miss June Young, the groom's sister, wore similarly fashioned rust colored dresses and carried gold souvenir roses.

Mr. David Young of Edgeley was best man and Messrs. Gerald and John Fitzgerald were the ushers.

The wedding party received 130 guests at the Piccadilly Club where the reception was held.

The bride's mother wore a fur trimmed pale blue shantung dress, white accessories and a corsage of pink roses. The groom's mother was dressed in a pale mauve lace dress, white accessories and she wore a pink roses corsage. Mrs. Agatha McLeod of Port Arthur, the bride's grandmother, looked stunning in fall beige dress with matching accessories and a corsage of white roses. Mr. William Morrison, the groom's grandfather, also assisted in receiving the guests.

For travelling to Fort Erie after the wedding, the bride chose a gold wool knit suit, dark brown accessories and she wore a corsage of souvenir roses. The happy couple are now residing in Toronto.

Among the out-of-town guests who attended the wedding were: Mr. and Mrs. Clark Pacey of Bancroft, Mr. and Mrs. Gordon Pull of Belle River, Mrs. Walter Dubs, Detroit, Michigan, Mr. and Mrs. Gary

Echensviller, New Liskeard, Mr. and Mrs. William Joseph Fitzgerald, Cobalt, Mrs. W. McLeod, Detroit, Mr. and Mrs. Lee Moore, Kirkland Lake and all the Fitzgerald family from North Bay.

Prior to their marriage, the couple were honored at a miscellaneous shower given by Miss Jackie Proudfoot of Toronto.

HERE NOW! Tough new '63 Chevrolet Trucks

... THE ONES THAT WHIPPED THE BAJA RUN ...
TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Nature created the world's toughest proving ground for trucks — the Baja (bah hah) California Peninsula, Mexico. It's thousand miles of tortuous trail that defies travel. Chevrolet tackled this route with a Carry-all, a 1/2-ton pickup with new 230 cu.-in. 6-cylinder engine, a 3/4-ton pickup with new 292-cu.-in. *6-cylinder engine, a medium-duty unit with refrigerated van, a medium-duty diesel tanker and a heavy-duty tandem. Rocks, ruts, washboard and washout racked the trucks from bumper to bumper. Sand, dust and rivers tried to swallow them. Hour after hour was spent in low gear at temperature up to 122 degrees F. It took 17 days to go the 1,066 miles, and not one Chevrolet truck dropped out! Each day's run was finished on schedule! Trucks that can take this kind of beating can take on your toughest truck jobs. See these tough, quality-built '63 Chevrolet trucks with all their new improvements at your Chevrolet dealer's. *Optional at extra cost.

Sometimes the caravan crept along for hours in low gear. There was no traffic — just an occasional traveller on burro or horseback. It's that kind of route. It took 17 days to go 1,066 miles!
Tight squeeze for the medium- and heavy-duty units in this gorge. Their new narrower front-ends certainly paid off. Users who operate in close quarters will like this new '63 feature.
Chevrolet's ladder-type frames withstood the severest punishment. Shown is the 3/4-ton pickup with new 292-cu.-in. *6 cylinder engine.
Temperatures as high as 122 degrees F. burned the land in the desert area around Dry Lake — one more ordeal any truck that goes to Baja has to shrug off.

Its' A Success

Maple Lions First Auction Sale

(By Toby Shore)

Following the successful white elephant, rummage and auction sale last Saturday at the Maple Community Centre, the Lions are grateful to the people of Maple and district for the tremendous response given to this the Maple Lions' first attempt at such a large scale affair.

Because of YOUR support it would appear at this early counting that the Lions club will benefit to the amount of about \$500. This will be put to use on the continued improvement of the park at the community centre and local welfare work of this service club.

So many contributed in such varied ways that Chairman Frank Robson was almost overwhelmed. Needless to say, Frank will be raring to do it again next year — so be forewarned and start saving up NOW for next year's white elephant, rummage and auction sale, sponsored by Maple Lions Club for their worthwhile community projects.

Mary House looked after the inner man and with Hilda Allen's help they served scads of hot coffee and homemade pies of every variety known.

Lil Brown had her very first taste of organizing a rummage sale and of necessity learned a lot very fast.

Wide Variety The auction had everything including washing machines, ironers, brass beds, grandfather clocks, bikes, tricycles, doll houses, chinaware, odds and ends of kitchen ware, chairs, tables, lamps — oh yes — if you thought of it it was there. Outside fruit and vegetables were carted away, even firewood. Perhaps the best thing about it was that everything went — except three bags of potatoes. I left the mention of that beautiful little organ to the end — No I didn't get a chance to bid on it! Throughout the weekend all the Lions worked to ensure its success and "togetherness" surely paid off.

Thanks to those who donated and to those who purchased — but then with an auctioneer like Alvin Farmer — what chance did anyone have but to bid and bid. Along with it all it was a real fun day with the youngsters having a time bidding on the little puppy dogs. One little gal who couldn't see another dog in their house could possibly matter had her tears turned to a near smile when she got a chance to re-sell her cuddly choice and make another little girl really happy!

St. Stephens Is Represented At Anglican Church Choir Seminar

As members of St. Stephen's Anglican Choir, Mrs. Phyllis Bloom and Mrs. Margaret Martin attended the choir seminar held September 22 at St. Gabriel, Richmond Hill East.

There were about 45 members present representing Maple, Thornhill, Richvale, Schomberg, Aurora, Newmarket and Nobleton churches.

The rector of St. Gabriel's, the Rev. L. E. McLennan was the host. The Rev. James O'Neil of St. Mary's Anglican welcomed the guests and said he hoped that this would become an annual event.

Mr. Eric Lewis, born in India, educated in England and Canada, has been the organist and choir master at St. Simon's Church, Toronto, since 1934. As guest speaker he spoke on the association between ministers, organists, choirs and congregations. Long famous for his conducting of the St. Simon's Boys' Choir, he stressed the relationship of choir and organist to minister and church; the choice of choristers; choir practice and breathing control. He stressed that the choice of the hymns should be between the rector and organist and all music must be simple and good. The congregation should feel inspired to sing along with the choir and the choir personnel should be chosen by the choir master.

Concord Socials

Mrs. Madeline Orr is visiting her daughter-in-law, Mrs. Iris Orr and Geoff and Barbara. She will soon return to her home, Saint John, N.B., stop to visit friends in Montreal.

Mr. and Mrs. Warren Bone spent a short holiday on the east coast last week, flying down on Monday and back on Friday.

Belated congratulations to Norman Taylor, son of Dr. and Mrs. N. B. G. Taylor, King High Dr. Norman applied for and won a scholarship to Ridley College and is attending that school this year.

Another Concord youngster is in hospital and will continue to be. Little Ilo Manninen, nine years old, has been in Princess Margaret Hospital for a couple of months. It seems to me that for the past few weeks I have written about some child who has been quite ill or undergone surgery. Those three jumping, shouting, healthy monsters around here are beginning to look pretty good to us after all.

Concord, Where's That? After attending a recent bridge party held by our friends, Sil and Vivian Steffan of Richmond Hill, we have the feeling that Concord needs a chamber of commerce. Two or three people weren't sure of its location! Can you imagine? Why, any place having a chin-chilla ranch, a turkey ranch, wholehog farms, and the unforgettable marshalling yards plus only a few landmarks, could be considered the centre of the universe. Anyway, Vivian's mother and dad, Mr. and Mrs. H. Valentine of Kirkland Lake knew where it was which made us all the happier to see them once again. As for the bridge, maybe I should take bridge instruction instead of swimming this year?

New Look for Old House Ted and Muriel Fawbert, formerly of Concord, now live in Thistletown where they purchased a house over a hundred years old. Some of her former neighbours recently had a chance to see the wonders that the Fawberts have performed on the house. At the rate they are going, the house will certainly be a place of much beauty and charm in a very short time.

No Meeting Last week you read that there would be a home and school meeting on October 15. Such is not the case and the next general meeting will be a games night in November. The executive is reminded of their meeting on October 15 at the home of Mr. and Mrs. Bert Witty, Dufferin St., at 8 p.m.
