

Maple, Concord and Edgeley District News

"The Liberal" is always willing to publish interesting items regarding people and events contributed by its readers in Maple, Concord & Edgeley districts. Our representative in Maple is Mrs. Len Shore, ALpine 7-1150; in Edgeley and Sherwood, Mrs. Raymond Stuart, AV. 5-1934; and in Concord, Mrs. Ruth Keffer, 285-4040.

This Week's Happenings In Maple

This Thanksgiving, along with our accepted good fortune, enjoyment of family and home, appreciation of our friends and working opportunities—we in Maple perhaps had added cause to give thanks.

Tickets for Twist of Lemon
Just to prove to your own satisfaction that along with the varied other stand-out achievements of our individual and group residents of Maple, we can add two new names to the acting roster—attend the Richmond Hill Curtain Club Theatre and enjoy "A Twist of Lemon". Phyllis McMillan of Netherford Road and Pat Stanley of Lancer Drive not only have tickets on hand for this review, but are half of the female members in the group! Come along for an evening of satire, music, fun and laughs as these four ladies and four men in the cast go all out to give you a wonderful

light, bright and entirely first-rate evening of enjoyment. Call Phyl or Pat for tickets. Hurry, as the show has already begun!—October 10—but there are still other nights—but tickets are going fast.

Not Sponsored by Red Feather
As 1st Maple Boy Scouts are outside of Metropolitan Toronto, they are NOT sponsored by the Red Feather agencies; however, in the near future you will be hearing about community-minded men in our town who are greatly interested in the future of Scouting in Maple and have decided to do something constructive to ensure a suitable meeting place. In their forthcoming plans to build a new "shack" they are looking ahead to the use of it for not only Scouts and Cubs but perhaps similar groups, boys or girls, who will make use of just such

facilities. "Be Prepared!" You'll know about it soon!

Hospital Auxiliary at Fair
Fortunately there are still lots of new adventures and experiences popping up to keep the interest alive in a community for its service groups. The Maple and District Branch of York Central Hospital Volunteer Auxiliary got a tremendous boost at the Woodbridge Fair, and though it has yet to hold its first public meeting (October 30)—the people who attended the fair from all over the country are by now well aware of the new hospital for this district and this volunteer auxiliary that is just one branch of many.

The committee, with President Pat James, decorated the booth with the architect's sketches of the new hospital and a display of just some of the many gift suggestions the auxiliary members will be making for the Gift Shop that will be sponsored in the completed hospital.

Vice-president Isolda Clarke rounded up workers for in the booth—try to do that on a holiday weekend!

The main idea for this display was to acquaint the people with the work of the volunteer auxiliaries and in general inform the public in York County that THEIR hospital is indeed in the building stage now and with the help of the community backing it, it will be completed next year.

To catch the interest of the passers-by, the auxiliary representatives wore the pink volunteer smocks for the first time! However, an added eye-catcher was the old cider keg dispensing home-made fresh cider. Dottie Walter did a fine job of ensuring a most delicious brew by contacting our own people. Frank Robson donated the apples from his farm and Richard Johnson, Doug Roberts, Steve Shore, Raymond Pineau, Rainer Weldenfelder, all 1st Maple Scouts, under Patrol Leader Greg Shore, picked the apples, and Wilf Bowes made the cider—proving once again that our community members are ever willing to assist a worthwhile venture. These Scouts wanted to do their part in helping the people who are so willing to assist them at all times.

The ladies who worked in the booth Saturday were Val O'Neill of Lancer Drive, and Toby Shore, Richmond Street. On Monday, Eva Breeze of Goodman Cres., Marion Robson of Richmond St., Isolda Clarke, Naylor St., Vivian Malmie, of Richvale, and Toby Shore were on hand to dispense information as well as cider.

The questions asked by the people in general proved most encouraging. The over-all feeling of relief that we now will

have a hospital in OUR district, in case their family should require hospitalization was a comforting thought and many, in appreciation, were ready to assist in many ways to ensure this.

A special thanks to Jack Clarke for his carting services.

Public Meeting October 30
Reserve this evening for the first public meeting of Maple and District Branch of the York Central Hospital Volunteer Auxiliary at the St. Andrew's Presbyterian Church, Keele St. S., on October 30. If you are already a member, or would like to find out about it first-hand, come along and meet the executive and learn what you can do. This auxiliary will be working on YOUR behalf.

A Weather Coat Strayed
As we are not in the habit of dealing with lost and found

items, we did feel this was an exception. Little Frances Urquhart's all-weather coat—light beige, patch pockets and black buttons—just must be hiding somewhere. It was just new and perhaps she took it off to play in the park and someone found it, but since there hadn't been time to put in her name, no one knows it belongs to Frances. So if it has strayed around your way, check at AL 7-1553 and ease a little girl's worry.

Films for Women
The Cancer Society is showing two films at the Woodbridge High School on October 23. These are a must for women who are up to date on their care and health: "Time and Two Women" and "Self Breast Examination" are films YOU can't afford to miss. Call Toby Shore for particulars.

Arlene Sharp, Concord Weds Thomas Duggan

Arlene Sharp, daughter of Mr. and Mrs. Kenneth Sharp, Dufferin Street, Concord, became the bride of Thomas William Duggan, son of Mrs. Leticia Duggan and the late Mr. Alexander Duggan, in St. Andrew's Church, on September 8th. Rev. J. L. Kiddell officiated. Given in marriage by her father, the bride was gowned in white lace over satin, street length, and wore a fingertip veil. Her bouquet was of red roses and lilies of the valley.

Miss Donna Sharp, sister of the bride, was maid of honour. She wore a turquoise blue dress with matching hat and carried a bouquet of white and yellow chrysanthemums. Bridesmaids were Miss Edith Duggan and Miss Andrea Sharp, the former gowned similarly to the maid of honour. Miss Sharp wore a dress of yellow chiffon, and carried a bouquet of pink and white chrysanthemums.

The groom was attended by: best man, Mr. Arthur Hrushovsky of Downsview, with ushers Alexander Duggan and Robert Gaskin. The reception and dinner was held at the Pharmacy Avenue home of the bride's aunt, at which fifty-five were present. Mr. and Mrs. Thomas Duggan will make their home in Toronto.

Cooper - Silverthorn Nuptials

A double ring wedding ceremony performed on September 22 in Teston United Church by the Rev. Martin Jenkinson united Helen Elizabeth, daughter of Mr. and Mrs. Sterling Silverthorn of Peterboro, and Gary Grant Cooper, son of Mr. and Mrs. Roy Cooper of Teston.

Given in marriage by her father, the bride wore a short white lace gown with princess fitted bodice of Chantilly lace and frilly bouffant skirt of organza with circular mantilla, in chapel length, and her bouquet was a white orchid surrounded by white feathered 'mums and blue bachelor buttons to match her attendants' gowns.

Miss Joan Munroe, as maid of honor, was in French blue, and Miss Margaret Silverthorn, bridesmaid for her sister, was in peacock blue, the dresses identically made in peau de soie with elbow length sleeves and bell-like skirts over many crinolines. They wore crowns of blue looped mohair, each centred with a matching blue rose and trimmed with an over-the-face veil. Their shoes were in matching blue and they wore white gloves.

Groomsman was Dennis Cooper of Teston, brother of the groom, and the usher was Roy Harpell, his brother-in-law. Organist Mrs. Edith Williamson had played at the groom's parents' wedding 27 years ago.

The reception was held in the church parlors with guests present from Regina, Ottawa, Owen Sound, Peterboro, Toronto, Oshawa and Woodbridge, and telephone messages of congratulations were received from Brandon, Manitoba, and Brampton.

Mrs. Silverthorn wore navy with rose accessories and corsage of pink sweetheart roses and feathered carnations to match. The groom's mother wore a gold suit with green accessories and had a corsage of bronze 'mums and gold daisies.

To leave on their wedding trip to Western Canada the bride changed to a suit in muted plaid and brown accessories and a corsage of bronze 'mums.

On their return Mr. and Mrs. Cooper are to live at 87 Farnsworth Drive, Weston.

Concord Socials
Residents may have noticed the re-opening of the Fina station on the highway, east of Dufferin St. New lessee is Jim Thayer, who lives next door to the station. We wish him success in his new venture.

Heather Keffer celebrated her seventh birthday recently by entertaining the girls in her Grade 2 class at a party.

Happy birthday also to Kathy Burlington who is also seven on October 10.

Anniversary greetings to Mr. and Mrs. Bruce Snider, married eight years on October 15; also happy anniversary to my husband with whom I share an anniversary on October 2. (I forgot to give him a card.)

Mr. and Mrs. Joe Keffer returned from a trip through Northern Ontario. Espanola, Sturgeon Falls and Sudbury were some of the main stops on the trip, also enjoyed by Mr. and Mrs. W. Hoiles, Thornhill.

Sympathy is extended to Mr. Don Radley and his family of Woodbridge, whose wife passed away so suddenly. Don has been our fuel oil delivery man for seven years, and is well known in Concord. Tragedy struck this family eight years ago, too, when two children were drowned during Hurricane Hazel.

Beautiful Colour
Breath-taking is the only word to describe the colour around the countryside on these beautiful fall days. Driving to the lake on even such a day as last Saturday, it was difficult to keep my mind on the traffic with so much glorious colour all around.

Doris and Bob Sherman and family (our new neighbours at the lake) were at their cottage last weekend along with friends from Pickering. The cottage "bug" has bitten Bob who says he doesn't intend to close the cottage yet. Heavens, no, it's only Thanksgiving!

Home and School
The executive is reminded of their meeting at the home of Mr. and Mrs. Bert Witty on October 15 at 8:00 p.m. sharp.

90 Imperial scientists and technicians pose for their pictures in the ultramodern wing of Imperial's research laboratories at Sarnia. Not shown: another 115 members of the Sarnia research staff, and another 130 who work in Imperial laboratories at Calgary.

90% of all oil company product research in Canada is done by Imperial

At Sarnia, Ontario, and Calgary, Alberta, Imperial operates the largest petroleum research laboratories in Canada. At Sarnia, the company's scientists and technicians are working to improve present products and to develop new ones. Their research covers many fields, from gasolines to household detergents. At Calgary, Imperial research personnel are exploring means to find and produce more Canadian crude oil and natural gas. Imperial does more research than all other oil companies in Canada combined.
