pull big rocks like making Argos 6-5 favourites over Montreal —how could they ever be right in high school ball?  
Here's a fair sample of the nutty things that could only happen to a high school team. Bayview Secondary School defeats Richmond Hill High School 13-0. Richmond Hill goes up against Newmarket and wins a 21-0 majority. So naturally Bayview should beat Newmarket. Simple isn't it?  
Is it heck! Newmarket proceeds to defeat Bayview 14-8 and that is why high school football is so darned much fun. Nobody, or hardly anybody, can predict exactly what is going to happen from game to game. A team can absorb a beating one week only to snap back and win a game that all the odds say should be lost.  
If it should ever be otherwise, all the joy would be gone out of high school ball. This is the game where the unexpected is normal and today's goat is tomorrow's hero. The only thing that could make it better would be to have games played at times when more parents and other type folks could get to see a bit of action. It could go a long way in keeping us aging types at least young at heart. May the game and the spirit of the game never change!

**Senior Hockey League Play Starts Next Tuesday At The Local Arena**

The Richmond Hill Senior Hockey League begins its eighth season on October 30th at the local arena.  
Starting at 8 p.m., a new entry from Leaside will face off against last year's Tip Top Trophy winners, Richmond Hill Tree Service. Included in the Leaside lineup will be Paul Smart, former Aurora Bear Jr. "B", and Doug Tees, a husky Scarboro defenseman. Richmond Hill will again have the stary Don McMillan in goal, with a few new faces up front.  
A novel attraction will follow at 9:15 p.m. with the Thornhill girls' team visiting the local Mic Maes. Recent practices indicate that more than a few of the girls know a lot about pushing the puck around the ice.  
Concord Flyers will provide the opposition for the Willowdale Rangers (formerly Craighies). The Concord team will include Frank Howarth from Kingston at centre and Keith Lawes from Montreal's McGill University on left wing. The Rangers will again be lead by ex-N.H.L.-er Chick Webster and the head's-up play of Ken Sinclair.  
All games are played under international rules, thus allowing lots of fast passing and skating.  
Regular admission is 50c each for adults, but this year a season ticket plan is available and it's a real bargain. A ticket to all regular league games for two people costs only \$3.00 and can

be obtained from the players or the arena box office.  
As an added bonus for opening night the first 24 fans will be given free a 15-oz. can of Libby's cream style corn.  
This year, as in the past, special nights to raise funds for charity are being arranged.  
Any and all, young and old, men and women, from Downsview, Willowdale and Leaside, are invited to join the people of Richmond Hill in support of this fine league.
