Lucky Winners

A record crowd of 900 people turned out for the third annual elimination night held by the Richmond Hill Lions Club at Mart Kennedy's Ranch, near Woodbridge.

A total of \$6,050 was given away in prize money. Winners of \$1,000 prizes were William Bavden of Woodbridge; Anna Little, Richmond Hill; Street Brothers Auto Electric, Richmond Hill; Stan Rasman and Keith McBride, Toronto; and Jerry Wilson, Richmond Hill.

Cliff Bennett, chairman of the contest, reports the club cleared \$7,800 from the night. One-half of the proceeds will go to the building fund of York Central Hospital, the remainder to the Lions Club.

Five prizes of \$100 each and 25 prizes of \$22 each were also handed out.

P. C. Hill, 36 Wright St., was awarded a plaque for his outstanding work as a ticket salesman. Mr. Hill sold 115 tickets for \$3,875.

Board To Oppose Application For Cocktail Lounge

Opposition to an application for a cocktail lounge license by La Cantina Restaurant, 69 Yonge Street South, is to be opposed by Richmond Hill Public School Board.

Decision to voice the objection was based on the location of La Cantina's proposed dining lounge, across from McConaghy School, and on the danger of increased traffic.

Trustee W. H. Hutchinson warned of the danger created by people who go into the restaurant for a few drinks, and then drive.

Members of the board concurred with Trustee Donald Plaxton's suggestion to oppose the restaurant's application for a cocktail license, but not for a dining lounge license.

Trustee Jack Knott was the only board member to vote against the resolution calling for the board's opposition.

"This is something children must grow up with anyway," he suggested. "When McConaghy School was built, there were hotels on every corner."

La Cantina's application is to be heard November 22, along with four others by the Liquor License Board in Toronto.

Alert Canvassers Hospital Drive

R. D. Little has announced that the first instruction meeting for canvassers in the hospital drive for funds was held at the Lions Hall, Wednesday evening.

Mr. Little is chairman of the community canvass for Richmond Hill district and will have nearly eight hundred men and women soliciting donations during the last two weeks of November.

Wednesday night's meeting was well attended by an enthusiastic group of men and women volunteers who were given instruction and direction by Trustee Graham Walter.

More canvassers are required and volunteers for this important community drive are asked to get in touch with Chairman R. D. Little or any member of the hospital auxiliary.

Mayor Haggart Won't Seek Liberal Office

In a statement made public this week Mayor James Haggart said he will not be a candidate for the York North nomination for the Liberal Party.

Mayor Haggart made his statement to County Liberal President John Neufeld of Maple.

This marks a change of plans by Mayor Haggart who had earlier intimated he would seek the provincial Liberal nomination.

Wm. J. Scrivener

As we go to press, word has just been received of the death of a well known and highly respected senior citizen, Mr. William J. Scrivener, 59 Centre Street West.

Raise Over \$4,000 To Aid Stricken Worker

The Frank Pratt Benefit Night held at the Lions Community Hall, Richmond Hill, last Friday, raised almost \$4,000 in contributions for Mr. Pratt.

Fifty individuals, businesses and organizations donated prizes or direct contributions to the Frank Pratt Benefit

Draw Committee, organized by his fellow workers at Ontario Hydro.

Mr. Pratt has been ill for several months, unable either to make a living or pay his medical bills.

Several hundred people attended the benefit night and 8,500 lucky draw tickets

were sold.

Members of the committee which organized the special evening and draw included Phil Mock, chairman and treasurer; Dave Milne, Spence McCullough, Ted Manol, Jack Hunter, Mrs. A. Palmer and Spence Urquhart.

The committee received a letter Monday from Mr. Pratt's brother, Charles, of Oakville, thanking them for their assistance.

Southern Area To Get House Service Nov. 19

Post office officials announced this week that house to house mail delivery in the Thornhill-Langstaff-Richvale area will begin on November 19th. The large area to be served by the new service extends from Carrville Road and 16th Ave. south to Thornhill and east and west to Bathurst and Bayview.

The total street distance of 51 miles will be divided into eight left-carrier routes. A total of 2506 points of call will benefit from the extended service.

Radio Auction Stresses Local Theme

The date of Richmond Hill Jaycees' annual Radio Auction is fast approaching and members were busy this week completing their canvass of local

business men for contributions of articles and services. A climax of months of planning will be Radio Auction Night, Friday, November 30 over radio station CFGM when it is expected listeners will be many times more than in previous years.

The "Shop locally" theme is invaluable to our merchants during the Christmas buying period.

Mission Teacher Will Speak Here November 9 - 11

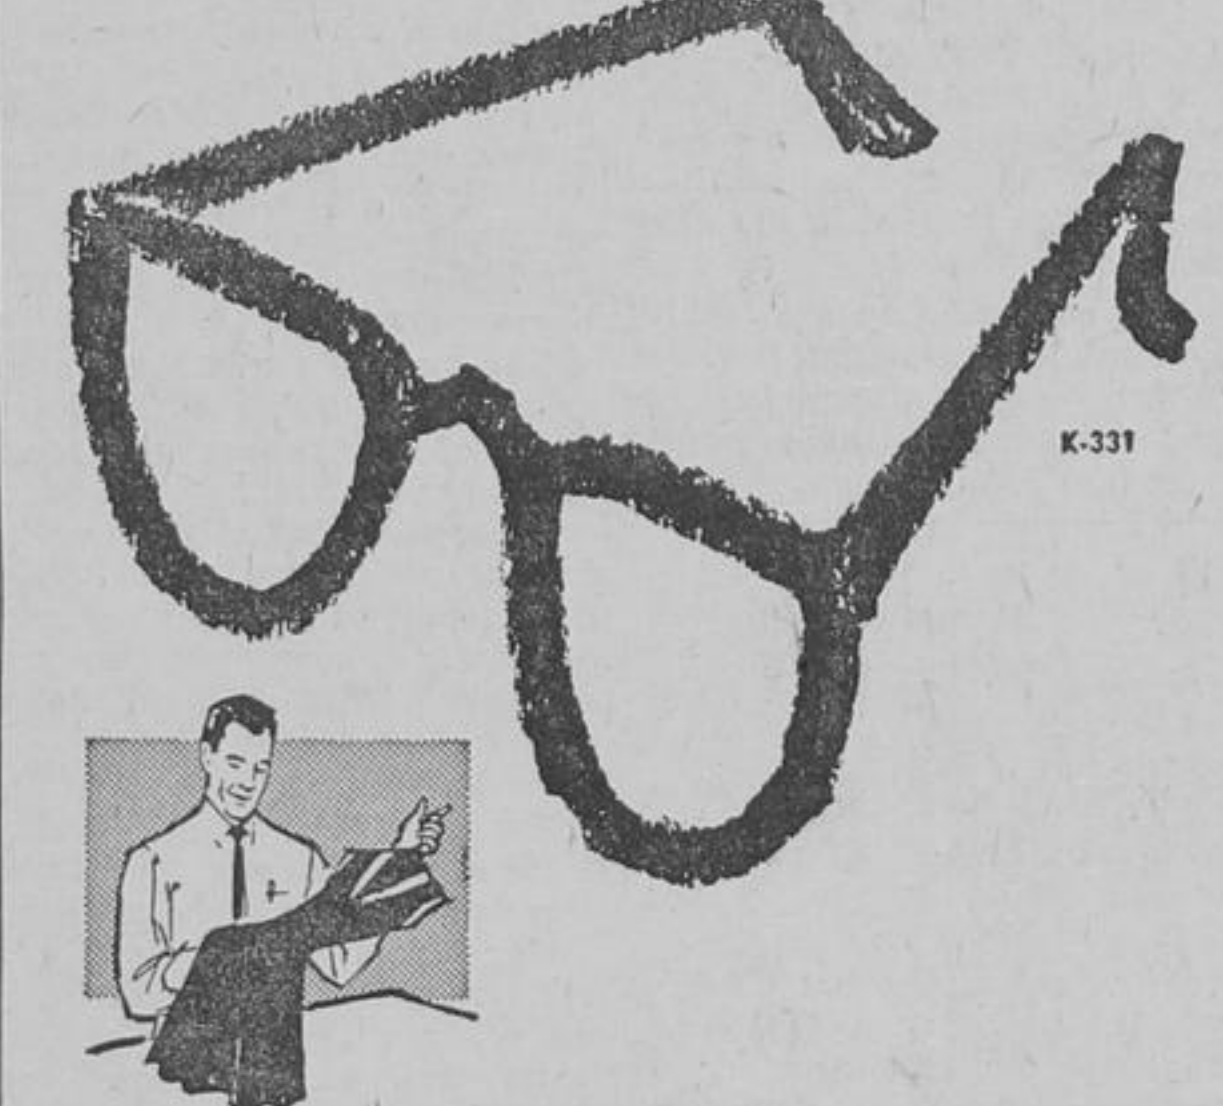

In a land as old as Bible times, Miss Naomi Lindsay, missionary to Egypt, has been working for the last 12 years.

The articles and services for auction should have a special appeal for the general public this year as all must have a retail value in excess of \$15. This ensures that Radio Auction listeners will be bidding on quality items the night of November 30.

Watch for further details including a full listing of articles and donating merchants, in future issues of "The Liberal".

Why Sanitone Service is more than just drycleaning

The Jaycee project will be of particular benefit to local business men this year as promotion of the auction is being confined to the Richmond Hill, Richvale and Oak Ridges area.

"I'm your Inspector..."

I personally inspect every Sanitone-cleaned garment to make sure all spots are gone, zippers work freely, all buttons in place, pleats in place, minor repairs made, no lint, and of course no double creases, shine, seam or pocket marks. When I'm finished, you can be sure your Sanitone Drycleaned garment is ready to wear. This is just one phase of our "more than just drycleaning" service. Call on us today.

Slate Official Opening At Skyline

Official opening of Skyline Pontiac-Buick in Richvale has been set for this Friday at 7:30 p.m., Stewart Esplen, head of the firm, announced during an interview with "The Liberal" this week.

Plans for an impressive expansion program of the dealership were revealed at the same time by Mr. Esplen. He told "The Liberal" Skyline would add a second location at 75 Yonge St. S., next to the Richmond Theatre.

Mr. Esplen and his brother Robert, who both have been associated with the food and catering business in Toronto, are partners in the Skyline operation. Robert will continue to direct Jiffy Foods, while Stewart manages Skyline.

Skyline, Richmond Hill's newest General Motors dealers, holds the local franchise for Pontiac, Buick and Acadian cars along with GMC trucks.

The new location will serve as a body shop and used car showroom, he explained.

Top members of the management team of Skyline are General Manager Tom Main, who has been in the car business for seven years, and Sales Manager Robert Hunter, who has been selling cars for two years.

Mr. Esplen expressed a hope to expand the firm to the point where it is the largest General Motors dealership in the area.

Skyline will expand in another direction too, as Mr. Esplen announced plans to add a leasing company to his operation.

Stewart Esplen spent two years selling General Motors products about 10 years ago.

General Motors is recognized leader, both in sales and in quality, among Canadian automobile manufacturers. Pontiac has gained the distinction of being Canada's top-selling car in recent years.

Mr. Esplen promised to maintain the same policies as his predecessor at the Richvale location, Bruce MacDougall Motors.

Unionville: For the third consecutive year, the Romandale Holsteins of S. B. Ronan, Unionville, won for him the Premier Breeder and Premier Exhibitor awards at the USA National Holstein Show held at Waterloo, Ia.

Acadian is designed especially for use in Canada, while Buick has built a reputation

for quality over the years.

7% OF EXHAUST FUMES IN YOUR CAR IS FATAL

You will spend a lot of time in the next few months in traffic tie-ups with your windows closed.

HOW IS YOUR EXHAUST SYSTEM ?

We all have read a lot of claims put forth for various types of mufflers. Our G.M. Mufflers are not Gold Plated, we really don't know if they will last forever, we do not even install them free. (Honestly, do you know anyone who does work for nothing?) but they are good mufflers backed by the G.M. name, and the installed cost on most Chevrolets as a November Special is \$11.65 (Muffler \$9.15, service charge \$2.50). If you need new clamps and brackets, these are extra and you will be charged for them here as you would be elsewhere.
