

**Monday Nites**  
The league held what must have been Jim Hoult night last week. Mr. Hoult ended up on top of the heap with a 786 count for three games, bowled a 309 single in the process and is also pacing the league with a 244 average. Cliff Goodman is second in the average race with a flat 240 followed by Eric "Clipper" Basciano with 216. Jean Adams has the highest average for the ladies at 194 followed by Jean Hoult with a 186 and June Roberts with a 182 on the go.

Top high three scores of the night were Cliff Goodman's 730 (276), Les Adams with 642 (232), Jean Hoult 638 (246) and Jim Morley 633 (284). Games of 200 and better went to Jean Adams 236, Derrick Thoms 231, June Hawkins 228, Jim Curtis 226, Ken Roberts 225, Pat Jordan 217, Evelyn Finucan 214, Bill Finucan 207, June Roberts 207 and Reg Allen 206. This night of bowling ended the first series and went right to the wire to see a winner declared. Aces finally wound up in top spot with 30 points. Strikers were a close second with their 29 points with Les Joys copping third spot by virtue of their 27 points.

**Eastsiders**  
The first series ended last week and the race for first place was a real squeaker. Both the Cardinals under the guidance of Bill Jones and the Tigers led by Jeanne "Tiger" Lil Richardson wound up with 36 point totals. In order to declare a winner it was necessary to check on total pinfall over the series. The result gave the Tigers a narrow 4-pin margin over the Cardinals as they knocked over 22089 in the Cards 22085. How much closer can you get? Both teams have won a play-off berth as a result of their fine performances.

Even the men's average race is turning into a dog-eat-dog affair. Bill Jones has an average of 246.9 while Art McGeachie is whittling away at Jones' lead with 246.1. Les Chidley has a 242 average. Mike Parrett 225 and Stan Shadoff 224. Jeanne Richardson paces the ladies with a 228 average followed by Muriel Steven at 205 and Ellen Parrett with 199. Ruth Lang has an average of 188 and Pat Jones 187. Fifteen men had triple scores of well over 600 while only four ladies managed to end up in such distinguished company. Jeanne Richardson carded a 717 (270), Ruth Lang 701 (281), Barbara Bunker 632 (300) and Eunice Cameron 630 (343). That 343 represents a new ladies' high single record for the league and should stand for some time to come. Pat Jones with a total of 591 won the hidden score prize for the ladies while George Field won the men's prize with 662.

High three scores for the men were: Jack Thomson 730 (278), Bob Steven 716 (292), Art McGeachie 707 (280), John O'Connor 702 (244), Mike Parrett 691 (305), Al McLeod 684 (250), Dave Nicholson 675 (253), Les Chidley 674 (280), Bill Roberts 674 (270), George Field 662 (255), Ross Lewry 660 (241), Stan Shadoff 561 (235), Jim Henderson 633 (229), Bill Jones 628 (236) and Don Mayor 619 (250).

Games of 200 and better were bowled by Muriel Steven 247, Anne Bishop 239, Zel Roberts 229, Marlon McGeachie 225, Marie McDonald 224, Ellen Parrett 221, Madge Nicholson 221, Mary McDonald 219, Pat Jones 211, Lil Mayor 205, Pat McLeod 202 and Ev. Jones 200 even.

For the men Vic Palmer 253, Arnold Price 251, Gord Cameron 248, Ken Clubine 247, Ernie Glanzman 244, Larry Lang 242, Frank Smith 240, Ron Ribbons 238, Ernie McMeekin 235, John Matravers 228, Neil McDonald 228 and Geoff Royston 227. Thirty-eight bowlers entered the new "Beat Your Average" tourney. When the smoke had cleared away at the end of the evening, only 19 of the 38 were still in contention for the big prize.

**ABC Major**  
Army Gasione is still burning up the league with a big, fat 265 average. Tim Saul is belting over pins at a 262 pace followed by Bill Jones with 255. Arne Skretteberg has a 251 going and Mel Rawlinson an even 250. High man last week was Gord Major as he bowled a total of 862 pins. E. Tucciarone hit for 838, Tim Saul 816, Bill Jones 810, Jack Stanway 801 and Bill Cook 788. **Allencourt Major**  
You'd almost think a saliva test on bowlers was indicated in the league this year as some fabulous scores continue to make the record books. Latest effort was a 942 carved out by Al Richardson, aided and abetted by a 356 single. Tim Saul rapped out 869 (358), Arne Skretteberg 829 (319), Jim Davidson 834 (300), Jack Stanway 812 and John Moore 797.

**HIGH SCHOOL SPORTS**

**Bayview Secondary**  
Bayview's football hopes were dashed last Thursday as they feebly headed on with an underfed Thornhill junior squad. Two quick touchdowns by Thornhill via the aerial route took the heart out of the Bayview team. They came back and played valiantly in the second half but lost the decision 27-6. There is one game left for the team and that with Markham. A win in this game would ensure Bayview a 50/50 average on the play this year. Wet weather washed out the intramural program last week. One game still remains to be played in the senior border ball series. Senior basketball, wrestling and gymnastics are all carded to begin after the Christmas exams.

Graydon was the winning school followed by Western Tech and St. Catherine's Collegiate. Richmond Hill's junior "B" football team defeated Bayview 37-6 last week. Don Reesor hit for two TD's with John McFee, Don Gibson and Jack Dubkowski picking up one major each. On Saturday the team defeated Pickering College 32-4. Frank Pirri scored two majors as Reesor, Gibson and Dubkowski scored one touchdown each. Don Quinlan converted two of the green and white touchdowns. Paul Murray and Jim Fleming coached the "B" squad to the win over Pickering. On the soccer front the R.H. junior team lost a 3-1 decision to Thornhill while the senior squad were blanked 4-0 by Aurora.

Football news at Bayview was all bleak last week. The junior "B" team lost a 37-6 game to Richmond Hill and quarterback Bill Strugnell sustained a broken collarbone. Some days it hardly pays to even consider getting out of bed!

**Thornhill Secondary**  
As noted previously Thornhill's junior powerhouse football squad defeated Bayview 27-6 to finish the season undefeated. The team goes against Barrie North in Barrie on Thursday afternoon for the Georgian Bay junior football crown. Not to be outdone the senior footballers defeated Richmond Hill on a field that resembled nothing as much as a swamp. Final score was Thornhill 24 - Richmond Hill 6.

At the end of regulation time the teams were deadlocked 6-6. With the Dr. Broad trophy at stake the teams played a ten minute overtime period. An aroused Thornhill team poured over for three unconverted touchdowns in the ten minute period to win the game, finish the season unbeaten and win the Broad trophy to boot. The senior team now goes against Midland at Thornhill on Friday for a shot at yet another Georgian Bay football title. Best of luck to both Thornhill teams.

**Richmond Hill High**  
The O.F.S.S.A. cross country meet was held at Boyd Park last Saturday under absolutely perfect weather conditions. The meet was convened by Bill Babcock of R.H.H.S. and proved to be a model event. Six hundred and forty boys competed in the event in junior, intermediate and senior categories. Stratford High School won the junior 1 1/2 mile event with an overall standing of 69 points. Bruce Dempster of Richview School finished first followed by Dave Penrose of R. H. King, and Don Mitchell of R. H. King. Richmond Hill finished in 22nd place out of 39 schools.

The 3-mile Intermediate event was won by Glen Duke of Parkside (Hamilton), John Tucker of Westdale (Hamilton) and Anderson of Caledonia. School standings were Medway first, Don Mills second, with York Mills winning the show spot. Rich Pine of Richview Collegiate won the four mile senior grind, with Dan Shaughnessy of Alliston Banting Memorial second. Tom Gillespie of Gordon Graydon was third. Gordon

Grade 9 border ball came to an end last week with Stewart House being declared the winner. With the aid and direction of Coach Mrs. Smith and Captain Dianne Hayes, the senior girls volleyball team was led on Tuesday to a win over King and a chance to play in the Georgian Bay Finals. The finals will be held on Saturday at Richmond Hill. The juniors, however were unable to win and were beaten by Aurora. This means that the junior volleyball year is finished except for a few exhibition games. The first girls' inter-school volleyball tournament took place Tuesday. Stewart beat Miles House in both junior and senior while Richmond lost to Harrison. Thursday proved to be a good day for Miles House as both seniors and juniors won two games each over Richmond putting them in a tie position with Harrison House. Final play-offs for the second place position will be on Tuesday. Junior and senior exhibition games against Aurora are to take place Friday at an athletic night.

(Continued from page 9)  
It can't be the admission charges that keep them away because adult admission to a doubleheader costs only 50c. Since the advent of television minor league and sandlot baseball has suffered a terrific decline in spectator interest. John Public prefers to watch the major league games from his living room chair with all the comforts and amenities of home to hand. And why not? It's only natural to take the easy way to do anything. The decline in spectator support has sounded the death knell of a lot of baseball leagues. Television is also having the same effect on hockey in this country. Why head for the arena when you can watch N.H.L. and O.H.A. games at home? There's only one trouble. Small hockey leagues in small arenas all over the country are the training grounds for N.H.L. players of the future. If enough leagues are forced to fold up where will players get their training? And then who do we watch play hockey from our easy chair when players of high calibre are not available? This Richmond Hill League is well worth watching. Usually the admission fee includes a gift of a small household article as well to the first two dozen or so people to enter the arena. Head up to the arena at 8 p.m. some Tuesday night and take in the action. They won't disappoint you. — SPORTS SPOTS —
