YOUR GRAIN plus SHUR-GAIN DAIRY CONCENTRATES WILL HELP INCREASE YOUR DAIRY HERD PROFITS

Grains are high in Energy but low in other essential nutrients. Shur-Gain Dairy Concentrates are specially formulated to supplement your grain, by providing these other essential nutrients thus enabling your herd to obtain maximum value from your grains.

Shur-Gain Dairy Concentrates make your grains complete and balanced in every way. In addition they supply a high level of Vitamin A to promote increased rumen bacteria activity, permitting more efficient digestion and release of maximum nutritive values from roughages also.

The result . . . your home grown feeds become more valuable to you for low cost milk production and body maintenance.

Drop in . . . let's talk about your herd . . . your milk production and profits.

Free! There's a brand-new, easy-to-read "Custom Mix" folder waiting for you at our mill. This folder is jam-packed with facts and figures to help you get profitable results.
