At the annual general meeting of the sponsoring body of the 1st Beverly Acres Scout and Cub Troop held at the Beverly Acres Public School, the following were elected to serve on the Group Committee for the coming year. Stu Hamilton - chairman; Al Whaley - vice-chairman; Hugh Hemphill - secretary; Dave Newing - treasurer; Bill Charboneau - transportation; Tom Carney - camp chairman; Jim Davenport - finance chairman; Owen Grant - badge chairman; Joe Derriek - training chairman; Dave Newing - public relations.

Personal letters from Group Committee Chairman Hugh Hemphill - sent to sixty-five sets of parents - "failed to bring out more than the usual handful, the remainder showing no interest whatsoever in this extremely important phase of their boy's upbringing. They apparently don't care to see an interesting program of Cub and Scout activities on film - or to hear the leaders outline the future program planned for their boys. Most important of all, they don't care who is elected to watch over their own boy's welfare and activities for the coming year".

The Kaa Cub Pack-as pointed out in the October 25th issue of this newspaper - is in grave danger of having to cease activities after six years of outstanding achievements, because of lack of leadership.

Surely, in this young and heavily populated area, there must be one more father, an uncle, an ex-scout - who realizes what the training did for him - or, maybe just someone who likes to see kids get off the right foot in life, and a phone call to Group Secretary Hemphill at 884-5684 by some young potential cub leader, who would be amply rewarded by seeing these boys turning into the fine young citizens of tomorrow.
