# E. Barker Ayrshire Princess

(By Mrs. Loren Guild)  
With all of the excitement of being Ayrshire Dairy Princess at the Royal Winter Fair Elisabeth Barker had the added pleasure of entertaining a friend whom she had met in Britain. Nanette Denton is seeing the world; she calls it a working holiday, for work she does in each country she visits. The Canadian junior farmers met her when she was working in England for a young farmer's organization and when they learned that she intended to come to Canada plans were made for a reunion. Elisabeth invited her to be her guest. Her home is on a 700 acre farm in New

Zealand where they raise sheep and cattle. She reports that there is an enthusiastic organization of young farmers in her country with a membership of 11,000 and the newly formed country girl federation has organized 160 clubs with a membership of 32,000. Entertainment for Nanette included a dinner at the home of Marion Brown, Galt where the other Canadian delegates were guests. This was a reunion for all of them. A trip to Casa Loma and attendance at the ice Follies were thrilling events for her. She enjoyed a visit at the Romandale farm to see the fine new barn on

Markham fifth line. Her final entertainment was a trip to Niagara Falls where she was met by Austin Harkinson, New York State who will act as her guide while she is in that part of the USA. She will be entertained by his parents. Accompanying them to Niagara was Edward Yupp, herdsman for Walter Olsen, Arcola, Sask., a cousin of the Barkers. Mr. Olsen is owner of Fairview Farms and had prize winning stock at the show. Elizabeth thoroughly enjoyed her role as princess, dressed in Highland costume of Princess Margaret plaid she presented prizes to Ayrshire winners. She wore a

brooch presented to her in Scotland and a sprig of real heather. Elisabeth recalls that she wore kilts in Scotland at a dance and when she suggested that the boys should wear kilts they 'hooted' the idea, but insisted that she prove that she wore one. She was happy to display a pretty red one. As princess she was royally entertained at the Royal York but found that she had to work too, the loud speaker called frequently. She attended the federation of agriculture meeting at the hotel as well as the Ayrshire meetings and was guest at the Kiwanis sponsored banquet for members of 4-H

homemaker clubs and junior farmer calf clubs. In 1959 the National 4-H clubs met in Toronto, and at that time Elisabeth met Gordon McMillan, Prince Edward Island, and they attended a hockey match together, his first. They encountered one another again this year at the fair and again attended a hockey match, his second. Another acquaintance from 1959 was Allan Sheel, Ottawa who was at the fair assisting with the Queen's Guinea entries. It seems that the old slogan "Join the Navy and see the World" should be changed to "Join the 4-H and Junior Farmers and see the World." They do get around.

## THE NEW RELIABLES

## ONLY CHEVROLET OFFERS THIS PROVEN PAY-OFF IN POWER, PERFORMANCE AND DEPENDABILITY

1963 Chevrolet trucks proved their mettle before they went on sale. To do this, six Chevrolets were taken across the continent for a 2,000 mile shakedown run through some of the wildest terrain in North America—the Baja California peninsula in Mexico.

Chevrolet's power, performance and dependability paid off—the entire run was completed without a breakdown, failure or delay; and with only normal maintenance! That's how '63 Chevrolet trucks got the name "The New Reliability".

This proven reliability is built into every '63 Chevrolet truck. Whether you run 'em cross-country or cross-town, '63 Chevrolets will deliver what they promise!

Get the facts today, from your local Chevrolet truck dealer, then you'll know—Chevrolet pays off!

**NEW POWER** for '63, Chevrolet has two new engines—a 230 cu. in. Six (140 hp) and a 292 cu. in. Six (185 hp). Both are equipped with 7-bearing crankshafts, positive crankcase ventilation, full-flow oil filter and Delcotron generators. They're the newest additions to Chevrolet's complete line of proven performance-tested engines.

**TWO NEW SUSPENSIONS.** Light Duty Chevrolets feature independent coil spring front suspensions for top comfort and increased durability. Standard equipment for Mediums and Heavyweights is Chevrolet's new Variable-Rate leaf spring front suspension. Based on Chevrolet's work-proven Vari-Rate rear suspension, it provides better tracking and handling with reduced maintenance.

**NEW FRAMES.** Stronger, more durable ladder-type frames are '63 Chevrolet's backbone. Each frame, in each series, has been specifically engineered and built to meet the demands of load and road conditions. It's Chevrolet's way of making sure that every payload pays off in profits for you!

Commencement at Thornhill Secondary School had a particular interest for Headford in that David Rumble was presented with two scholarships, one from the teachers of Thornhill for special contribution to school life in the field of academics and for extra curricular activities. Mr. D. Foley made the presentation for the teachers. The second scholarship was presented by Mr. Milton Savage, president of Richmond Hill Agricultural Association. This scholarship is awarded to the student receiving the highest marks in the final year in the three schools, Bayview, Thornhill and Richmond Hill. On the same evening John Rumble received his grade 12 certificate. Warmest congratulations from Headford to both of the boys.

Attending the banquet at the Royal York tendered by the Kiwanis Club to the 4-H and Junior Farmer Clubs were, Jean Clark, Diane Toyne, Sandra Burr, Dorothy Boynton (nee Jackson) and Janet Craig. Murray and Bill Clarkson, Bobby Lee and Albert Leek represented the Calf Club.

A successful tea and bazaar was held in Victoria Square November 17 under the auspices of CHV unit of Central York hospital auxiliary. Assisting from Headford were, Mrs. Carl Wallace, Mrs. Elmer Leek and Mrs. Douglas Calder and a good representation from Headford attended to buy and tea. Mrs. I. J. Miller, auxiliary president expressed her delight in the large attendance and generous donations.

Stewart Rumble has a fine picture to prove the catch of a fish 27 inches 8 pounds from his pond, stocked by the conservation authority. If this growth keeps up we won't dare swim there next summer. However, we'll do no carping until we meet a shark.

Home from the hunt with not even a skin to wrap a Baby Bunting in, came Isaac Reaman, Charles Barker and Mark and James Stewart. Their field was South River, headquarters the Reaman cottage but the moose were wary. The bears stayed away too.

Merrill Johnson continues to collect honors for his horses on show. After fifteen autumn fairs where he had steady success his perch on stallion placed second at the Royal.

Mr. Frank Barker, his sister, Mrs. William Wellman and Mrs. George Barker attended the Royal Winter Fair.

Mrs. George Barker was a delegate to the Central Ontario Women's Institute Area Convention in Toronto.

The Headford Girls 4-H Supper Club members have completed their project and are looking forward to Achievement Day December 1 at Aurora High School. They will show tea biscuits and display their record books.
