think that this year it won't be even better. Let's make sure that when the time comes Jim Mansbridge and his executive are accorded all the help they need. In this way the small fry will be ensured of the best year they've ever had.

Stan Ransom, Yonge Street barber and former softball player with Dynes Jewellers, has thrown his hat into the political ring. Stan aspires to represent his ward as a councillor and will be hotly campaigning in the coming election race. See Mabel — athletes and former athletes do have thoughts about other things besides sports!

Boy! There are more gadgets in a paint store than there are at any notion counter in the country! Just go in sometime to get the necessary ingredients to paint a room and find out. It used to be that a brush and a can of paint was all that it took to do the job. Those days are gone forever.

You can get gimmicks for rolling on paint. Not just standard rollers but rollers for painting in corners and around corners, straight corners or curved corners. Other weird tools make neat edges between walls and ceiling when they are to be different colors. It's possible to get markers that can be used for striping and guarantee a good job — except ours always come out smeared and crooked, no matter what.

It doesn't seem to matter how many of these tools you use to do the job — you invariably end up with a crick in the back and a stiff neck! There's only one answer to this and that's to use wallpaper — with your wife doing the paper hanging. You merely lend aid and encouragement mainly by staying out of the way. Go curling, skating or just plain walking. When you get back it'll all be over — quite painlessly, but you might just find yourself sitting down to a cold, cold dinner. Seems worth it at that!

SPORTS SPOTS

Look for a new look in the softball league operating in Richmond Hill next year. New league and new teams look to be a definite possibility at this moment with the emphasis on a much better grade of ball. Everything that can be done to improve the game as a spectator sport will be done. While others plan for winter sports, Vern Dynes and Russ Cripps are thinking six months ahead with the idea being the improvement of softball in Richmond Hill. Let's hope that they're very successful!

CFGM 6 - AURORA 2
Paul Brown paced the local whiz kids with a four goal out-

burst, while single goals were rapped in by Steve Ground and Martin Gill. Gary Oliver contributed much to the cause with two assists.

CFGM 16 - BOLTON 0
Last Friday night at Richmond Hill Arena was strictly no contest. Bolton never managed to get a shot at the Richmond Hill net. Less said the better for all concerned.

CFGM 5 - BEETON 2
This game was staged in Beeton last Saturday. Despite the score the game was a fast, hard skating affair that could have gone either way. Paul Brown fired in three goals and assisted on another. Allen Lewis and Steve Ground scored on each as Gary Oliver and Daryl Rice were credited with assists.

Ken Hughes played good goal and got strong support from the defence of John Ranieri, Henry Gibson, Allan Brooks and Gary Hall.

PEEWEE LEAGUE

Good hockey this game, but Pinewood was not sharp enough. S & G's Paul Burton and Ray Sullivan scored a goal each. An assist to John Duncan. Pinewood's goal came from Barry McKillop unassisted.

Street Construction 1
A good game, but somewhat one sided. Gunnar's goal getters were J. Ball, Brian Tierney, Bob Graham and D. Ley. Two assists D. Webster and a single for Glen McErlain. Street's lone goal was by Jim Olsen.

Hornets 12 - Aurora 1
The Lions Club Hornets were just too much hockey team for Aurora to cope with. John Shropshire was outstanding on defence for the Hornets while the play making of centreman Ricky Doucette was a coach's delight. Larry Young led the winners as he scored three goals for his hat trick.

BANTAM LEAGUE
Dynes Jewellers 3
McKay Construction 1
A real fun game this one, with Nelson Lund, Ian Oliver and Michael Tucker scoring for Dynes. Two assists to John Cottrell and Mike Tucker. McKay's lone goal was by Keith Russell with an assist to Dennis Tomcheski.

Another tie game, this one was very quick and interesting. Craigie's played well. Two goals for Bill Huke and a single for Pete Daley. Two assists for Tom McFarlane and one for Tom Pallas. Rotary's goals were the same - two from Sweater No. 2 (no name opposite) and a single from Geoff Lee.

Gary Methe scored two for the Flyers with singletons going to Doug Acomb and Harvey Gordon.

Aurora 3 - Flyers 2
Leading 2-1 going into the fin-

al stanza the Flyers wilted as Aurora banged in two goals to win the piece. Coach Jim Pollard can only explain the apparent lapse as a lack of desire on the part of his young team. Harvey Gordon and Dave Broderick scored for the Flyers while Mark Reynolds played steady goal.

MIDGET LEAGUE

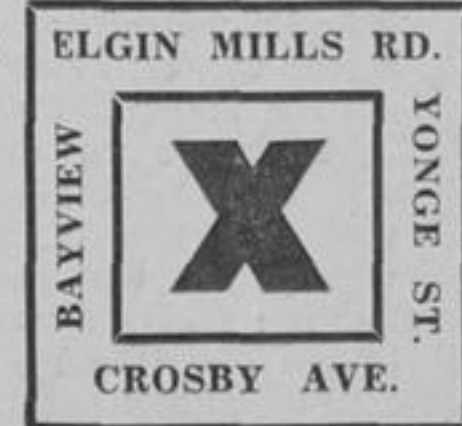

ABC 4 - LITTLES 4
The games are all the rage. ABC's Clay Chapman scored two goals and singles were scored by Brian Haviland and either John Bork or Bill Hudson (it wasn't clear). Assist to Jim Webb. Little's goals were all singles, Terry Stewart, Doug Bridge, Terry Hayes and Gary Charity with assists from Ste-

On December 4th Leaside Starks go against Richmond Hill Leafs at 8 p.m. Concord Flyers and Willowdale Rangers are matched in the nightcap starting at 9:30 p.m. The first 24 spectators to attend will be given a gift of a can of peas to help ease the freight.

It's a real pity that fans have to be offered inducements to attend these games. For 50¢ they'll see more hockey action than a \$5.00 bill will buy at Maple Leaf Gardens. Take a chance some Tuesday soon and have a look.

ELECT COUNCILLOR

JOHN MacDIARMID

DEPUTY - REEVE FOR 1963

I make no promises to the people of Richmond Hill. My record on council is the only platform I would wish to have.

Your vote on December 8th I need as an endorsement of my work in 1962 and a helping hand to represent this town "Loud and Clear" at County level. In 1962 the municipal share of your taxes was lowered — help me now to tackle the County Levy.
