

# Maple, Concord and Edgeley District News

"The Liberal" is always willing to publish interesting items regarding people and events contributed by its readers in Maple, Concord & Edgeley districts. Our representative in Maple is Mrs. Len Shore, ALpine 7-1150; in Edgeley and Sherwood, Mrs. Raymond Stuart, AV. 5-1934; and in Concord, Mrs. Ruth Keffer, 285-4040.

## This Week's Happenings In Maple

**Maple Representatives**  
There's always a source of pride in the fact that "our" town has many community and public spirited men and women who respond to the need at hand when called upon to do so. Monday, November 26, was nomination night for reeve, deputy-reeve, councillors and area school board members. With five nominated Maple representatives by three nominations for township council, Ruth McConkey, Wilfred Keffer and John Neufeld. In the township school board where five members are required, there were eight nominated, of which three were from Maple — Louise Edmondson, Lorne Wells and Bert Stevenson. Although I have always tried to stick to "social" rather than "politics" in this column — it just seemed to me that Maple was surely holding up its end.

**CARD OF THANKS**  
We wish to extend our sincere thanks to all of our friends, especially those of Concord who have so wonderfully remembered us during the illness and passing away of Ilko, the youngest member of our family.  
— Mr. and Mrs. T. Manninen and family. clw23

but these elections are for ALL of Vaughan Township. Where are the representatives from other areas? — Just interested and wondering, that's all!  
**Local Artists**  
You still have until December 8 to see the paintings, monotypes and drawings of Alfred Karn and Abel Lee at Richmond Hill Public Library. Mr. Lee lives in Northmaple and will enjoy showing his art to his neighbours.  
**Through Fog and Ice!**  
We hope the gals involved in the numerous accidents last week on Tuesday are OK now — Dorothy Snider, Ann Wardrop, Isabelle Clarke and Margie Robson — to name perhaps only a few.  
**Your Postmaster Enlists Aid**  
Streamlining and for convenience of both the sender and the post office, is the thought behind the reminders of mailing dates for Christmas cards, both local and out of town.  
**Watch for green and white leaflets and labels being delivered and sorted into mail boxes all across Canada this week.** Wise mailers are keeping them so that they can label their local and out of town bundles of Christmas cards. With cards all bundled and labelled and all facing up the same way BE SURE TO POST THEM BEFORE THE DEADLINES, namely December 8 for distant points in Canada and U.S.A.; December 13th for nearby out-of-town points and December 17th for local delivery.  
Your postmaster Eric Brice and his staff are all set to see that the Christmas rush goes smoothly but need your co-operation in early mailing.  
**BE WISE, SECURELY bundle and label your Christmas mail.** Don't you be the one responsible for a disappointed friend receiving a belated greeting card at Christmas.  
Remember 2c on all Christmas cards UNSEALED. First class mail, sealed, for all destinations, regular postage.

**Minor Hockey League**  
Hold on to your-hat — or toque — we hear excited rumblings of organizational meetings and the purchase of more lumber for enlarging of the school rink!! Will report as soon as we get full details of same.  
**Most Gratifying Response**  
In last week's issue, we wrote of proposed plans we hoped would get underway, perhaps in the spring, to clear up and clean up the areas along the CNR tracks in the north-east part of Maple and make it into a memorial park to Herb Joslin. As his had always been such a life of service and unhesitating response to any and all worthy causes — our call for assistance was readily answered — almost before the ink had dried.  
Because of his experience when he and his wife Nan escaped in only their night clothes, and their apartment above Levi Watson's was completely gutted August 4 — Del Stillman knows how warming the offers of assistance from neighbours can be. Having read the item in "The Liberal", he phoned me by 8 o'clock Friday morning to say the company of Steed and Evans, general contractors, where Del works, would supply the graders to level off the ground by the tracks. By 10 a.m., Nan Stillman and I walked up to see the first "community action" towards the Herb Joslin Memorial Park, get underway. With Frank Robson directing operations, we spied Joan looking down from her home so we went on up to fill her in on the latest. Such excitement!! We'll keep you informed as to progress made too.  
At the Lions annual turkey dinner, Mr. and Mrs. Steed and Mr. and Mrs. Evans enjoyed their ample dinner. This was the first time I had met these folk and they are indeed delightful people. Their quick offer of neighbourly help, through Del Stillman, was proof

enough, but having previously visited, over coffee, with them, it struck me as being just a natural thing for them to do. We hope to see them again.  
Del said, "Now we've started the ball rolling as a community effort — you'll just have to write it up so the idea will catch on and others will offer their services!" — so there it is!  
**Organ Recital**  
Don't forget that relaxing and lovely evening of organ music coming up on December 10 (see coming events) at St. Stephen's Anglican Church.  
**Lucky Etobicoke Folk**  
About 100 patients and staff of the Princess Margaret Hospital — and me — know that the man they put in as reeve for Etobicoke by acclamation, John MacBeth — is really Santa Claus. To the many at the hospital last Christmas who were greeted with a gift and his hearty ho ho ho, or in some cases a subdued greeting — he left with them the true spirit of Christmas. I know — because I was his helper!!

**United Church Women**  
Mrs. Harry Lighthouse has been re-elected president of Maple United Church Women for 1963. Mrs. Lighthouse's election came during the regular meeting of the organization, held last Tuesday in the church's Christian Education Building.  
Other officers elected were Mrs. J. Boron, first vice-president; Mrs. R. Sherman, second vice president; Mrs. B. Thurston, secretary; Mrs. W. Field, treasurer; Mrs. Davis, program committee; Mrs. R. Johnstone, visitation committee; Mrs. D. Jarrett, parsonage committee; Mrs. G. Fraser, finance committee; Mrs. R. James, literature committee; Mrs. N. Woods, press and publicity committee; Mrs. Bruce Murchison, membership committee and Mrs. D. Oliver, envelopes committee.  
Following elections, Mrs. Oliver of Eatons conducted a demonstration of gift wrapping. Earlier in the evening, Mrs. Lighthouse presented Mrs. N. Payne with a life membership pin and certificate for her services to the organization.  
Mrs. Boron presented Mrs. W. Cook with a glamor pin and Mrs. J. Weideman with a cut glass vase. Mrs. Cook and Mrs. Weideman have transferred their membership to Thornhill.

**So It's A Fact!!**  
Overheard at "The Liberal" office — "That Toby! Always starts off saying she hasn't a thing to write about — and then she sends in reams and reams, etc., etc."

**Maple Pioneer Family**  
John W. Dalziel Dies 88  
A member of one of Edgeley's pioneer families, John William Dalziel, died at his residence, 1 Concession 5 on November 28. He was in his 88th year. Mr. Dalziel resided at his late residence from Thursday evening until noon Sunday, December 2. **Watch Your Finger Jim!**  
Demonstrating some fine carving ability, Jim Hodgson of the Maple Lions Club helped slice 10 turkeys for over 300 people attending the Lions' turkey dinner in the Maple Community Hall last week. As well, 350 pies were served the hungry diners. Proceeds will go to furnish a three-bed room at the York Central Hospital now under construction on the outskirts of Richmond Hill.

**Concord Socials**  
Sorry to report this week that a few more local folks have made visits to hospitals, not the social-type visit either. Linda Watt and Mrs. Ed Clarke are patients at Branson Hospital and would probably appreciate being remembered by their neighbours. Mrs. Freda Wise is home now after having surgery at the same hospital. Darlene Williams went into Branson for a simple appendectomy and ended up staying six weeks. This fall we get the impression that without Concord, Branson would go broke. Margie Thompson had her tonsils removed at the Hospital for Sick Children, just to be different, and she is home now.  
**Election Time**  
Now that the Grey Cup game(s) is over, we can forget about "fogbound fog" and concentrate on election day in Vaughan Township. On Saturday, December 8, you will be asked to cast a ballot for councillors, school board members, and to vote yes or no on Sunday movies. I was all set to sound off as usual about exercising your franchise and all that jazz, when my husband said "Voting Saturday? I won't be home Saturday." So I checked to see whether or not there was an advance poll; there wasn't. Now can I sound off now, with half our own voting power gone? Well, just do your best, folks. Let's use last June's federal election as a guide, and have 80 percent of the voters out, at least.  
**In A Fog**  
The weather is not considered a terribly interesting topic ordinarily, but then again you can hardly call all this fog we have had ordinary. On our way to the bowling alley last Tuesday, the first day of fog, we witnessed two very bad accidents, one on Dufferin St., just opposite the theatre where one car was turned completely over in the ditch, and the other at Rockview and Keele, where a truck carrying bags of lime was turned on its side in the ditch. With Mrs. Oman Boves at the wheel, we weren't too concerned (she
