Winter Sports Conservation Areas

Metro Toronto and regio. residents will have an opportunity to enjoy an old-fashioned Christmas season, commencing this weekend, weather permitting, at the pioneer village.

The pioneer village, located at Jane St. and Steeles Ave. in northwest Metro Toronto, will be the scene of skating on the old farm pond and of horse-drawn sleigh rides and the general public is invited to take part in the fun free of charge. Only charge is the nominal 50-cent parking fee for cars in the pioneer village grounds, Black Creek conservation area. Skating and sleigh ride will be held on weekends between 10 a.m. and 5 p.m. During the week, organized groups will be able to make use of these facilities between the hours of 10 a.m. and 5 p.m. by applying for a permit from the conservation authority.

The lower parking lot has also been flooded for additional skating.

Persons planning to visit the area may obtain further information by telephoning the Metropolitan Toronto and Region Conservation Authority office - Avenue 5-5425.

The events were held at the Pioneer Village last winter for the first time and, according to TRCA Chairman Dr. G. Ross Lord, "the public's use of the facilities was most encouraging."

Winter sports activities will also be held during the Christmas season, weather conditions permitting, at the following conservation areas:

Heart Lake, near Brampton, - skating, tobogganing and skiing. Albion Hills, north of Bolton - skating, tobogganing and skiing. Cold Creek, two miles east of Bolton - skating, tobogganing, skiing. Boyd, near Woodbridge - tobogganing and skiing. Greenwood, four miles north of Pickering Village, - tobogganing and skiing.

Omission
 I must apologize to Bobby Doherty for not including him in last week's report of the Christmas concert given by the pupils of Langstaff school. Bobby very ably played the part of Paul in Grade 3 play of the Big Brown Bear.

Minor Explosion Means Change Church Services

Sometime on Saturday evening between 5.30 and 7.30 an explosion in the combustion chamber of the furnace sufficiently rocked the heating system in St. Matthew's United Church, Richmond Hill East, to put it out of operation over the weekend. Thought to have been caused by a faulty burner which gave rise to a state of delayed ignition, the explosion shook the base of the furnace and the combustion chamber sufficiently to leave cracks and loose bricks. Vent and clean-out covers were blown off, and the place filled with soot.

Because of the damage, and the black-out in the furnace room the services on Sunday were held in the portable building, and in the assembly hall of Crosby Heights School. The Minister, Mr. Patterson, made public statement of the appreciation of the congregation for the school board chairman and the janitorial staff in their prompt response to the emergency. The primary and junior departments of the Sunday school were cancelled Sunday morning. The CGIT Candle-lighting service was postponed one week to Sunday evening next.

Temporary repairs were made to the heating system on Monday, and the Christmas eve service was held in the building as planned. The cost of repairs will be borne by the insurance carried.

Birthdays
 Shelly Blow entertained 11 friends at a party in honor of her ninth birthday on Sunday 16. Games were arranged by her cousin Madge Howland. After their dinner of chicken in the basket, cake and ice cream, Santa Claus arrived and presented each little guest with a gift. These attending were Nancy Toms, Nancy Marcus, Kathleen Harding, Mary Hann, Kathy Willett, Sally Levy, Nancy Johnson, Sharon Blow, Lynda Leckie, Sheree Swindle and David Blow.

Council Supports Tank Objections

Any objections to an application for installation of underground petroleum storage tanks in the north of Mount Joy on Highway 48 in Markham Township will be opposed by the council of neighboring Markham Village.

Reeve Mrs. Alma Walker of Markham Village, told a Mount Joy resident appearing before council, that council would "support objections to anything obnoxious to residents."

Application for the five acre site came from Imperial Oil.

The Mount Joy resident revealed that a petition was being prepared for presentation to Markham Township. He said that the village council would receive a letter on the matter.
