Pass Resolution To Protect Land
Markham Township Council Friday morning passed a resolution asking the provincial government to enact legislation to protect flood plain land. Flood plain land is land adjacent to streams which may be subject to flooding.
Council's resolution was an endorsement of a resolution from the Metropolitan Toronto and Area Conservation Authority.
The authority's resolution calls for legislation which would prohibit building and dumping of fill on flood plain land.
Councillor Charles Hoover opposed passage of the resolution, terming it too vague.
"The intent of this type of resolution is often changed before it becomes provincial legislation," he explained.
"We wish to express our thanks to our friends and neighbours for their thoughtfulness, which was most comforting during the time of our sorrow. Mr. A. Reynolds and family Edgar Avenue, Richvale. c1w27

hawk at one of the bird feeders. It did not seem to be in search of food, but rather was looking for shelter. It stayed for about a half hour snuggled against the sun warmed glass of the feeder. The sparrowhawk is a very valuable bird to have around as the mainstay of their diet is mice and grasshoppers.
This is a fine example of how important it is for us to provide a little food and shelter for our feathered friends these cold wintry days.

CARD OF THANKS
I wish to express my appreciation to everyone who sent cards and gifts, to Teston U.C.W. for flowers and fruit, and to Edgeley W.I. for cards and cookies while in the Peel Memorial Hospital, Brampton. Thank you again.
