After a discussion of the auxiliary Tea and Musicales planned for January 28 at Wrixon Hall, Mrs. Finlay, chairman of the gift shop committee of the auxiliary, gave an interesting and informative talk on the hospital gift shop. She stressed that a gift shop is a service to the hospital, possibly one of the greatest of the auxiliary, but it is primarily a business, in some cases quite a big business, and must be run as one. Mrs. Finlay was so enthusiastic about her subject that the members all caught some of that enthusiasm, and began to feel that perhaps the hospital is not so far away as it sometimes seems.

The next meeting will be at Mrs. G. M. Clayton's, 111 Mill St., on February 11.

The members of the M.T.H. Musical Club gathered together this past Sunday, at the home of Miss Garson, honorary chairman, to hear a most interesting guest, Guy Parker of Richmond Hill, a student of Bayview High School.

He explained and performed on his various drums, and each member was given the chance to try their hand at performing on this instrument.

There were further discussions on what promises to be an unusual venture in a musical vein with many surprises. More news about this project will be posted in this newspaper next month. Since this club is open to improving ideas, president, Patricia Shelton suggested a record listening group with discussions on the recording in regards to the performance of the soloist, conductor and orchestra, the selection and the composer, all of which will help to make one conscious what to listen to and for, which should make us particular as to what selection and conductor recording we buy. This new adult group bears looking into.

The members attending were: Patricia Shelton, Jolene Goodier, Jane Dean, Geraldine Bruce (elected by the executive as treasurer), Judith Jones, Lloyd Parker, Judith Dodson, Legh Rootham, Sheila Orbek and Ian Sandry.

The 1st Beverley Acres Cub & Scout Auxiliary held its monthly meeting at Beverley Acres School on January 15th, when a very busy session was presided over by Mrs. June Dunlop.

The ladies had been asked and agreed to help with the sleigh ride on February 8th for the boys who sold trees and cards at Christmas to help their troop. Several ladies volunteered to help also to serve refreshments at the hall later.

It was decided that the auxiliary would cater for the "Father & Son" banquet on February 15th at the Lions Hall. Any lady willing to help, please telephone Mrs. Fraser at TU. 4-3834.

Another important subject discussed was the "Get Robin to Greece" project. Robin Derrick is the only scout from York Summit District going to the World Jamboree in Greece this summer. He is Troop Leader for the 1st Beverley Acres Scout Troop, and the auxiliary is anxious to be of material help. Several fund raising methods were explored and will go into action shortly.
