Report Reduction In Debt On Christian Education Centre

A reduction to one-third of the debt on the Christian Education Centre of Richmond Hill United Church was reported by Treasurer Stewart Coxford at the annual congregational meeting of the church last Wednesday.

Mr. Coxford also revealed the budget for 1962 had been met.

Approval was given to a 1963 budget covering general expenses, further debt retirement and an increase in

missionary and maintenance pledges.

Dr. H. M. Sanderson was named an honorary elder and Harold Sanderson was elected to the board of trustees.

Elected for a three year term and to fill vacancies on the session were P. E. Angle, W. J. Ankenman, R. Shepard, E. L. Gibson, A. Stong, Dr. J. P. Wilson, W. C. Wilson, R. H. Wood, D. Fraser, R. J. Miller, G. Fenwick, A. Blackburn, Mrs. J. Dedlow,

Mrs. D. Howard, N. Gibson, C. Phillips and W. Killam.

Named to the board of stewards were J. R. Scrimger, A. R. W. Uren, J. W. Bonnell, C. M. Riach, S. G. Gurney, J. Whalen, D. Bruce, J. Pounder and W. Morrison.

The board was asked to give consideration to a new name for the church and the need for a full time ordained minister to be added to the staff.

John Spanner, chairman of the Christian Education Department, outlined the birth of a new organization, the United Church Women; unification of study material in all departments of the church school; and a very successful sector visitation headed by Ross Scrimger.

Mr. Spanner traced Christian Education work from the baptismal service, through the Sunday School and mid-week youth activities, to the

adult Bible study groups and newly formed, 'Family Life' department.

Rev. Charles Higginson presided over the meeting which was preceded by a pot luck supper.

Mrs. Laura Pollard, president of the United Church Women, conducted the devotional portion of the meeting. Alex McGregor followed with an 'In Memoriam' service.

Chiropractic Office Opens Here On Saturday

T. Leonard Pinnegar, D.C., a recent graduate of the Canadian Memorial Chiropractic College, Toronto, will open an office in Richmond Hill this weekend.

Official opening of his modern office at Maramak Road and Bayview Avenue opposite Bayview Secondary School, will be marked with an open house Saturday, from 2 to 9 p.m. and Sunday, from 2 to 5 p.m.

Mr. Pinnegar lived in Richmond Hill for three years before attending college.

A former resident of Aylmer, he graduated from East Elgin District High School in 1951.

At high school, he was a major in the Royal Canadian Army Cadet Corps and a member of the Rifle team.

He was a member of the executive of the students administrative council at college as publicity director and was lighting and stage manager for the annual production of Practichiro.

Mr. Pinnegar received honors in drugless therapy, an additional course offered by the college, and took a postgraduate course in x-ray work.

During his third year of college, he married the former Lyn Chattoe of Toronto, a graduate in fine art, from the Ontario College of Art.

Mr. Pinnegar is a member of the Canadian Association of Chiropractors, the Ontario Chiropractic Association and the Canadian Council of Chiropractic Roentgenology.

His new office on Maramak Road will have the most modern equipment available, including a chiropractic operating table and a tension master.

can be a frightening experience to those who are unfamiliar with the conditions and its manifestations but the patient usually recovers with little or no harm.

Things to do
Keep calm, help him to a safe place. Don't restrain his movements, loosen tight clothing, turn him on his side. Don't force a hard object between his teeth. Don't give him any fluid. Stand by until he is fully conscious.

MAKE YOUR HOME COMPLETE WITH
ELECTRIC HEAT

ECONOMICAL INSTALLATION
With flameless electric heating units, you don't have to extend or strain your present heating system. No duct work or expensive structural changes are required to provide maximum heating comfort in the added living space you're planning, because electric heating units operate entirely independently. Your qualified electric heating contractor can install them anywhere, at any time, quickly and inexpensively.

CAREFREE COMFORT
Flameless electric heating units provide the ultimate in heating comfort. With an individual thermostat in each electrically-heated room, you control both comfort and cost. Just set the exact heat you want, when you want it... turn it down when the room is not in use. Heat is provided almost instantly... no need to wait for heat to build up in a central system. Electric heat is as clean as light, produces no dust, no fumes, no products of combustion. The air is more healthful and drapes, rugs, walls stay clean longer.

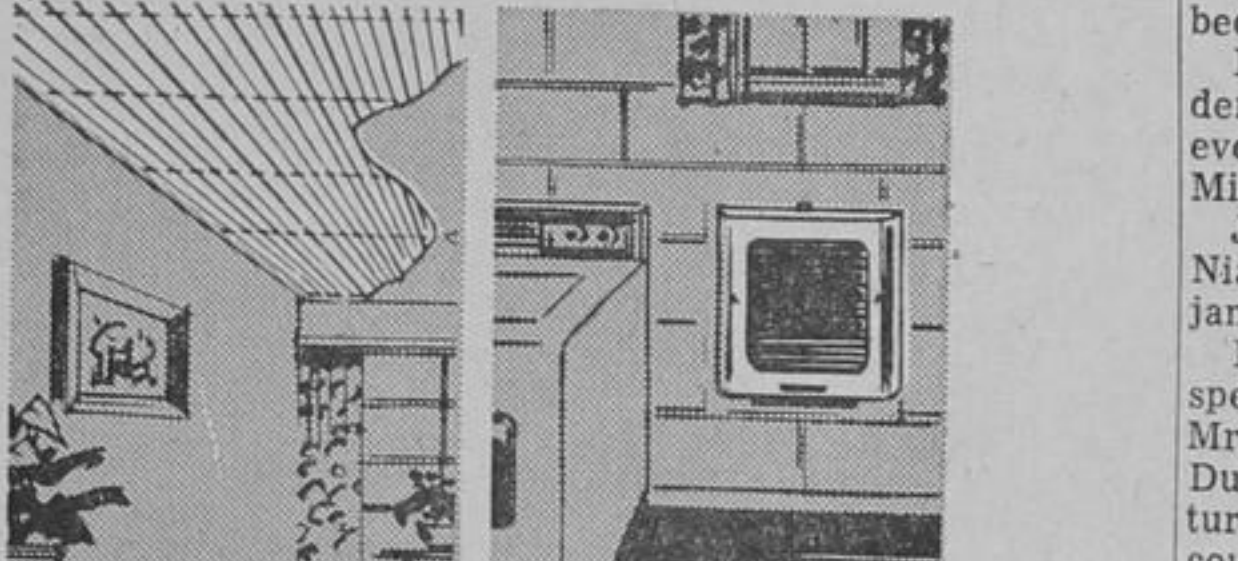

LOOK AT THESE ADVANTAGES
With flameless electric heat no heat is wasted up a chimney. With individual thermostats there's no need to overheat the whole house to make one room comfortable. Weather and wind direction won't affect your comfort. It's the ideal answer for hard-to-heat areas in your present home... that cold bedroom, a draughty bathroom. Electric heating units can be installed anywhere, anytime, quickly, easily and inexpensively in a size and capacity exactly suited to your particular need.

DO IT NOW!
Electrical Contractors and Hydro are working together in conjunction with the Government's Winter Works program. Their efforts are aimed at making it easy for you to enjoy the advantages of electric heat without delay. Your Qualified Electric Heating Contractor is trained to serve you.
Ask him how you can do it now and **PAY LATER!**

THERE ARE MANY KINDS OF ELECTRIC HEATING UNITS TO CHOOSE FROM

BASEBOARD CONVECTION UNITS
Inconspicuous metal baseboard units replace wooden baseboards. Under windows, they eliminate cold draughts.

ELECTRIC HEATING CABLE
Hidden in the ceiling insulated heating cable provides complete heating comfort.

FAN-TYPE HEATERS
These units provide fast heat recovery, ideally suited to rooms having only occasional use.
