Ski Enthusiasts Take To Slopes At York Summit

Warm temperatures last weekend sent hundreds of ski enthusiasts heading for the Summit slopes. A fresh inch of powdery snow which fell during the early hours of Sunday morning added to the lure of the fine weather.

People in this area are most fortunate to have such a popular ski centre virtually on the door step.

The trick seems to be arrive before 10 in the morning to have unobstructed skiing and also to find a place to park the car.

The Toronto Ski Club have done much to improve conditions at the Summit operation and it's trails, tows and facilities have an appeal for the novice and expert alike.

The real appeal however, is the close proximity of the operation to Richmond Hill.

Keeps Passing Arm In Shape

Quarterback Bernie Faloney of the Hamilton Tigercats keeps his famous passing arm in shape signing autographs during the off-season. Here he scrawls his name for members of the first Maple Boy Scouts troop when Bernie was guest speaker at the troop's father and son banquet last week. Collecting his signature are left to right, Wayne Rowarth, Ron Lloyd, Danny Ansel, Ronnie Crook and Ricky Urquhart.

Rug Club Win, Lose In Playoff Series

Bill Armstrong's Barrymore Rug juvenile hockey team opened a best three out of five series with Newmarket Monday of last week.

The initial game was a 3-2 win for the Hill team with goals coming from Rod Kelson, Dave Day and Tom Reynolds.

Bob Ritchie played an outstanding game in the Richmond Hill goal.

The second game of the series went Tuesday night in Newmarket and the Newmarket squad rebounded from the initial loss to a 5-0 shut-out victory.

Any series between these two evenly matched squads must, of necessity, be a real war of attrition and this series will probably go the full limit.

Thornhill Rap Brantford In All-Star Exhibitions

With over 300 fans in attendance all-star teams selected from the 18 teams comprising the Thornhill Church Hockey League journeyed to the Bradford Arena to start their stuff.

When the shooting was finished and the shouts and cheering were heard no more the Anglicans, Presbyterians, Uniteds, Roman Catholics and company from the south had grabbed a pair of victories while dropping one game to the locals.

Thornhill Minor-Atoms 7 Bradford 0
The minor-atom tilt, although taken by the visitors by a 7-0 count, started out in close fashion with the first period ending with the churchmen holding a 2-0 lead.

Billy Brown of St. Edwards opened the scoring early in the game when he lifted home a rebound after Bradford Hrynyuk had made a fine save on Danny Corbierre of St. Edwards.

Later in the period Brown and Corbierre combined again with Brown the triggerman. David McNally of St. Luke's also earned an assist on the play.

Keith Bagg and Bobby MacIntosh, both of Thornhill United had several good chances while Bradford played short-handed but goalie Hrynyuk came up with key saves as he literally performed miracles in the net.

With five minutes remaining in the game and the Bradford squad rapidly running out of gas Thornhill sewed it up with a rash of goals to win going away.

Bobby MacIntosh with two, Billy Law of Holy Trinity also with a pair and Holy Trinity's Jimmy Elvidge's singleton rounded out the scoring.

Thornhill Pee Wee all-stars were full value for their 4-1 win in the best-played game of the evening that saw the Bradford goalie Johnny Lynn emerge as the outstanding player on the ice.

Johnny's first big save came in the opening minute of play as Vince DiMarco of St. Luke's let go a sizzler from close range. Seconds later Paul Corbierre of St. Edwards on a fine pass from Jimmy Sloane literally pulled goalie Lynn out of his bootstraps in deking through

for the game's opening goal. Thornhill continued to carry the play and several times had opportunities to increase their lead but were continually thwarted by Mike Gasko's fine defensive effort and the stellar goaltending of Johnny Lynn.

Finally at the 15-minute mark of the first period Bradford broke through to tie the score at 1-1 with John Haines scoring from George Scott and Jack Verkaik.

The Thornhill team regained the lead in less than a minute on a neat effort by Bruce Paterson of Thornhill Presbyterian with assists going to Garry Hughes and Stewart Frances of Thornhill United.

Holy Trinity's Johnny Thurston provided the insurance goal for Thornhill at the five-minute mark of the second period when he stickhandled through the Bradford defence for an unassisted tally.

Rounding out the scoring for the winners was Vince DiMarco of St. Luke's on a pass from John Hopper of Thornhill Presbyterian.

Bradford, although slightly outplayed, came close on several occasions but were unable to solve the steady goal-tending of Robert Wright for Thornhill.

Bradford Bantams All-Stars 8 Thornhill Bantams All-Stars 1
Final game of the evening was all Bradford from start to finish as the locals demonstrated the class and precision that led them to last year's OMHA Pee Wee title.

Johnny MacEvoy opened the scoring for the winners at the two-minute mark of the first period when he connected on a double pass from John Hughes and Stevie Kanjo.

Despite the brilliant netminding of John Bolger, Bradford registered three more unanswered goals before the end of the period with Paul Wist, Don Gordon and Steve Kanjo doing the honors.

Bruce Shilton of Thornhill United finally got the Thornhill team on the scoresheet early in the second period as the puck caromed off a Bradford defender into the net. Chuck McCaffery of St. Edwards was credited with an assist on the play.

For the balance of the game it was simply a case of how many as Bradford rattled home four more goals to complete the rout.

Following the games all participating players were hosted by the Bradford Community Commission to a feed of sandwiches, cookies and cakes and, as such, a very successful celebration of Minor Hockey Week in Canada - Bradford and Thornhill style - was being brought to its noisy but fitting conclusion there were friendly warnings to be heard among the vanquished that sounded something like "wait 'till next year, we'll show you!"

Reeve Sherman Scott suggested hunters could pose a greater problem than the deer.

Whitchurch Council members said they had received no complaints of damage by deer.

Comment on the matter was suggested by the wildlife section of the department of lands and forests.

Cleaners Sweep Two Games From Aurora, 6-2, 5-2

Reg Acomb and Jim Wilson piloted the North End Cleaners to a two-game sweep of a two out of three series against Aurora.

The initial game of the series opened Thursday of last week in Aurora with the Cleaners carving out a 6-2 win.

Doug Acomb and Dave Broderrick paced the Cleaners with two goals each with Jim Wilson and Harvey Gordon scoring singles. Tommy Moffitt and Peter Bird were credited with assists.

Aurora came to Richmond Hill for the second game of the series last Friday night and were given short shift by the Cleaner team as they dumped the visitors 5-2.

Peter Bird was top man with two goals as Dave Broderrick, Tom Dyson and Doug Acomb scored one each.

Ron Haldane has been playing great goal for the local team and will be ready for the opening of the Newmarket series this Friday night.

The winner of this series will represent this area in the OMHA playdowns.

No Open Season On Deer In Two District Areas

Pickering and Whitchurch Councils have both rejected an open deer season for 1963.

Councillor Harvey Spang of Pickering Township, admitted that crop damage had become extensive in the northeast section but contended that an open season on the animals had not yet become necessary.

Reeve Sherman Scott suggested hunters could pose a greater problem than the deer.

Whitchurch Council members said they had received no complaints of damage by deer.

Comment on the matter was suggested by the wildlife section of the department of lands and forests.
